Former Volunteer Fire Department Treasurer Indicted for Theft

Mt. Gilead VFD is in White County

An investigation by the Tennessee Comptroller's Office has resulted in the indictment of Brittany Webb, the former treasurer of the Mt. Gilead Volunteer Fire Department in Sparta, Tennessee.

Investigators determined that Webb misappropriated a total

of \$73,581 from the both the fire department (\$45,983) and the White County Firefighters Association (\$27,598), which is a nonprofit organization that provides support to the volunteer fire departments in White County.

Webb stole a total of \$45,983 from the Mt. Gilead VFD by withdrawing cash, making ATM withdrawals, and by writing four checks to herself from the fire department's bank account. This occurred while she was serving as the VFD's treasurer from approximately June 30, 2020 until she was removed from the position in October 2022.

Additionally, Webb misappropriated \$27,598 from the White County Firefighters Association by improperly obtaining access to the association's bank account. Webb's former husband was the association's treasurer from April 2019 until October 2022, and Webb was able to access the account

without her former husband's knowledge.

Comptroller investigators also noted that Brittany Webb signed other individuals' names on at least 10 different checks without their knowledge or authorization to help perpetrate her misappropriation.

On June 30, 2022, Webb reimbursed a portion of the misappropriated funds by transferring \$20,000 into the fire department's account and \$17,345 into the association's account.

Based upon this investigation, in January 2024, the White County Grand Jury indicted Brittany Webb on one count of theft over \$60,000 and nine counts of forgery.

"The fire department's board should take steps to improve its financial practices," said Comptroller Jason Mumpower. "These steps must include providing more oversight, requiring supporting documentation for expenditures, and accounting for all fundraising activities."

Aries 3/21-4/19

A member of your household is likely to be in a very strange mood today, Aries. This person has heard some news that is confusing and probably untrue and therefore is wondering what effect this would have on their situation.

Taurus 4/20-5/20

phone systems, or banking websites could malfunction today, Gemini, so you might have to resort to dealing with money in the old fashioned way: by going into the bank or writing checks.

Cancer 6/21-7/22

Leo 7/23-8/22

Today you might be trying to learn about a new form of modern technology, perhaps computer related, Leo, and you could find it too confusing for words. Your brain could be going into overload, so it's probably best to take it one step at a time!

Virgo 8/23-9/22

Weirdness is the keyword for today, Virgo. You could be flooded with information from newspapers or the Internet that seems very strange to you. There's a reason for this. It's very likely to be misinformation!

Libra 9/23-10/22

Rumors may be circulating today, Libra, which could cause a certain panic. Some of your friends and colleagues could be calling you at home to discuss the matter. However, these rumors are probably based on little more than gossip, so don't take them seriously.

Scorpio 10/23-11/21

Bizarre news that comes to you from far away, possibly via email or the Internet, could be spreading like wildfire among the people you know and causing a lot of excitement, Scorpio. Take care that you don't get too excited, since this is very likely to be misinformation that some rather weird minds have gar-

bled.
