## FBI Recruitment Supports NSM-3

White House memorandum seeks to strengthen the national security workforce

In February 2021, President Biden signed the Memorandum on Revitalizing America's Foreign Policy and National Security Workforce, Institutions, and Partnerships (NSM-3).

The goals of NSM-3 are to revitalize the United States' national security and foreign policy workforce and institutions and to renew the commitment of U.S. institutions

to serve the American people.

The memorandum established a National Security Working Group chaired by the principle deputy national security advisor. Multiple federal agencies, including the FBI, participate in this group to address the initiatives laid out in NSM-3.

The NSM-3 initiative recently marked its three-year anniversary.

One mission. Countless opportunities. With more than 37,000 employees and hundreds of locations across the country, there's a career for you at the FBI.

The mission to protect the American people and uphold the Constitution is only made possible by our dedicated workforce

Kristopher Pierce, 29, was charged with Mfg/Del/Sale or Poss. of Meth, Poss. of Drug Para. and Violation of Probation.

Matthew Underwood, 31, was charged with Mfg/Del/Sale or Poss. of Meth, Simple Possession, Driving on Roadways laned for Traffic, and Poss. of Drug Para.

Deputy Slattery LCSO, observed a black Toyota Avalon with the Tennessee tag of NCH179 traveling westbound on Pond Creek Road, just before Dry Valley Road. Deputy observed the vehicle crossing the left of the double yellow line and returning to his lane of travel.

Deputy conducted a traf-

fic stop on Pond Creek Road (Marathon Gas station). Deputy made contact with the driver, Matthew Underwood, at which time the deputy detected a strong odor of marijuana coming from his person. Deputy then asked if he had his driver's license, and he said it was inside the vehicle. He proceeded to open the driver-side door, at which time the deputy detected a strong odor of marijuana coming from inside the vehicle. The deputy then made contact with Kristopher Pierce, who was sitting in the passenger seat of the vehicle. Deputy called for assistance, and Deputy Regan responded. A probable cause search of the vehicle by Deputy Regan and Deputy Frye revealed a

small clear bag containing a white crystal-like substance in the center console, along with a pipe containing residue. Both the methamphetamine and the paraphernalia were readily accessible by both Underwood and Pierce. Based on training and experience, the substance appeared to be methamphetamine. The

methamphetamine weighed .9 grams. Both subjects denied ownership, at which time both subjects were charged with possession of a controlled substance schedule 2 and Possession of drug Paraphernalia. Both subjects were transported to Loudon County Jail

**Resisting**

Shelly Cable, 54, Inata Trace Loudon, was charged with Domestic Assault, and Resisting Arrest.

Deputy Jackson LCSO, responded to Inata Trace for a possible overdose. Just before arrival, Loudon County Dispatch told the officer that the female had come into the house, and they could hear her yelling in the background. When Deputy arrived, he was met at the door by the victim, and saw that a male, was holding the offender, Shelly Cable, down on the couch. When Deputy inquired about what was going on, Shelly stated that they were beating her, and asked me to look at her face; Deputy saw no signs that would indicate she had been assaulted. The male let go of Shelly, and she began taking her clothes off. The male attempted to stop her from

taking her pants off, and Shelly kicked him off her. She then attempted to kick the deputy but was unsuccessful. Deputy used empty-hand techniques to gain control, but she began to resist. Deputy moved her to the floor where he was effectively able to gain control and place handcuffs on her. After she was placed in the back of his patrol vehicle, victim and the male told the deputy that she had some ongoing mental health issues and had gone to a neighbor's house to drink, and returned home in her current state. The victim showed the deputy his shirt, where she had ripped it earlier, and a fresh wound on his arm, that he stated was from Shelly. EMS arrived on the scene and attempted to assess her, but she was resistive again, and would not allow them to. She was transported to the Loudon County Jail. This occurred in Loudon County, TN.

**DUI**

Brenda Simmons, 70, Alice Avenue Georgia, was charged with DUI.

Deputy Ezell LCSO, was dispatched to the I-75 northbound in reference to a reckless driver. Dispatch stated they had received a call of a gray Nissan Kick with a Georgia license plate (CXX4765) that was all over the road. Deputy was able to locate the vehicle traveling on I-75 northbound. While following the vehicle, he observed the vehicle cross the center line and correct back approximately two times. While in the area of the 74-mile marker, the deputy activated his emergency equipment and attempted to stop the vehicle, however, the vehicle refused

to stop and continued traveling on I-75. While pursuing the vehicle, the deputy repeatedly used his emergency equipment to signal the driver to pull over, the driver finally stopped at the 76.4-mile marker. When Deputy approached the vehicle, he observed a female identified as Brenda Simmons (offender), while speaking to Ms. Simmons the deputy detected the strong odor of an alcoholic beverage coming from her vehicle, the deputy also observed Ms. Simmons to have dilated pupils. Deputy asked Ms. Simmons why she did not stop and she stated that she did not see him. Deputy asked Ms. Simmons if she had been drinking tonight and she stated no, however when

the deputy asked her again she stated she had approximately 2-3 shots before she had left her house at approximately 1800 hours. Deputy asked Ms. Simmons if she would consent to SFST's and she did. When Ms. Simmons exited her vehicle she appeared to be unsteady on her feet. Ms. Simmons was unable to complete SFST's due to her level of impairment. Ms. Simmons was placed into custody and read implied consent and did consent to blood draw. While Deputies were conducting an inventory search of Ms. Simmons's vehicle a large wa-

ter bottle containing a small amount of an alcoholic beverage was discovered on the passenger side floorboard. Ms. Simmons was transported to the Fort Loudon Medical Center where the blood draw was completed, she was then transported to the Loudon County Detention Center without incident. While at the detention center, Deputy Frye discovered 7 marijuana cigarettes inside Ms. Simmons's purse. All evidence has been logged and the narcotics have been placed in the drug box to be destroyed. This did occur in Loudon County Tennessee.

**Vision and Goals**

NSM-3 efforts are based on the following principles:

- Integrity
- Transparency
- Diversity, equity, inclusion, and accessibility
- Modernization
- Service
- Accountability

Five specific goals are outlined in NSM-3:

Expand the pathways to recruit and hire new employees from all segments of our society

Retain and support current employees and their families

Improve professional development in order to close mission-critical gaps

Recruit and retain technical and other specialized talent

Remove barriers that inhibit Americans from serving

their country

The FBI supports the same goals as NSM-3 to strengthen and grow our national security and foreign policy workforce. Our Workforce Planning Unit is dedicated to creating "the FBI workforce of the future," says Unit Chief Ruth Back. "We have a very robust recruitment team that thoughtfully and strategically engages with candidates to attract top talent to our national security workforce in today's job market."

**Police Beat**

Efrain Bravo, 25, Unitia Road Lenoir City, was charged with Domestic Assault.

Deputy Craig Brewer LCSO, responded to Unitia Road Lenoir City Tennessee to a report of a domestic dispute. On arrival Deputy met Efrain Bravo and his fiancé the victim who live there together with their children. On talking with them both found they were arguing, and Mr. Bravo stated he wanted the engagement

ring back. When the victim did not take the ring off Mr. Bravo grabbed her and tried to remove the ring from her finger. When he could not the ring off he then ripped the watch off her wrist and kept it from her to try and get the ring from her. This did happen in Loudon County Tennessee.

### Horoscopes

just met someone who has a strong influence on you, Pisces. You can't get this person out of your mind.

**Aries 3/21-4/19**

"The person who dies with the most toys wins" may well be your philosophy, Aries. And today you certainly move ahead in the race as you add yet another technological wonder to your home. What is it this time? A scanner, digital camera, DVD player, or all of the above?

**Taurus 4/20-5/20**

Today you could sit down at the computer for just a minute to research something on the Internet and wind up spending most of the afternoon entranced by what you're reading, Taurus.

**Gemini 5/21-6/20**

You've always had a knack for all things financial, Gemini, but today your ability is especially enhanced. You've discovered all the free in-

vesting information available over the Internet, and you absorb it like a sponge.

**Cancer 6/21-7/22**

Keep your eyes wide open today, Cancer, as you may meet the person of your dreams! Or you could stumble, literally, upon a stack of cash. It's likely to be a most unusual day, so keep your wits about you and your mind open to all possibilities.

**Leo 7/23-8/22**

A change of profession may be in the stars for you, Leo, or a change of hobby at the very least. The latest technological advances have really captured your interest. Making films, in particular, gets your creative juices flowing.

**Virgo 8/23-9/22**

You're likely to be feeling the tug of distant lands, Virgo. Today you could stop at the travel agent's office, the one you've walked by countless times, and stare at the pictures. Thailand, Hong Kong, and New Zealand are just a

few of the places you'd like to see. The pictures look so enticing. Go ahead.

**Libra 9/23-10/22**

Change, even when it's for the better, can sometimes be a little scary, Libra. You could feel some hesitation about taking a new job or upgrading your home. Nevertheless, you're being given a terrific opportunity. If you don't seize it, you'll likely regret it for the rest of your life.

**Scorpio 10/23-11/21**

There are plenty of opportunities out there, and you're tempted to seize every one of them. Well, Scorpio, a bit of discrimination is in order if you're going to make the best use of the auspicious atmosphere. Travel is definitely in the picture, as is continuing your education in some way. It could be something simple, such as enrolling in a cooking class at an adult education center.

**Sagittarius 11/22-12/21**

The fundraising activities of a group with which you're affiliated are going very well, Sagittarius, but today you're likely to find that things seem to be stalled.

**Capricorn 12/22-01/19**

A change of scene is in store for you, Capricorn. It's unclear whether or not this is a voluntary move, but it's clear that chaos and confusion reign over the next few days. There is much to be done. Fortunately, your organizational abilities will serve you well.

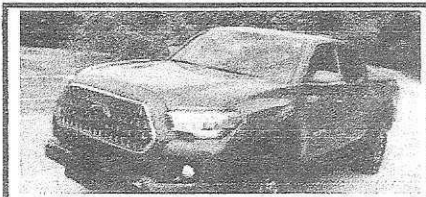

**Aquarius 1/20-2/18**

It's possible that you could fear for your job today, Aquarius. Fortunately, those fears are unfounded. There is a lot of upheaval occurring at work. You're best advised to steer clear of it, if you can. If you continue to do your job well, you're likely to receive a bonus or promotion as a result of your efforts. You've earned it.

Ladies and Gentlemen:

The Loudon County General Sessions Court at the Justice Center is upgrading our Court's computer server from the Administrative Office of the Courts.

Our computer system will be down on Tuesday, February 27, 2024 for the day.

We strategically planned this event, as this is the Judicial Conference week, and there is no court on our dockets.

Our office will be open as normal, however, our computers will not be functional. We will not be able to provide any research of cases, enter new process to the computer system,

or locate the docket numbers, etc. of any cases.

Law Enforcement Agencies can still submit warrants to Kim Nix, JC as normal during the daytime hours, they can be viewed on her tablet. (Laura Standridge will be out of the office on this date).

We apologize for this inconvenience, however, it is necessary for the efficiency of our office, and to better serve you.

Thank you in advance for your understanding and cooperation. Please feel free to pass on to your staff.
