Former Hamilton County Schools Assistant Nutrition Director Indicted for Theft

An investigation by the Tennessee Comptroller's Office has resulted in the indictment of Andrew Woodbury, the former Assistant Director of the Hamilton County Schools Department of School Nutrition (HCSN).

Investigators determined that Woodbury misappropriated HCSN assets valued at \$12,374.68 between October 2021

and February 2022.

Woodbury circumvented HCSN's property disposal process by opening up an unauthorized GovDeals online marketplace account to sell HCSN surplus property assets. The sale proceeds from this account were directly deposited into Woodbury's personal bank account.

Woodbury also bypassed the approval process to sell surplus

property by signing his name on the line designed for the HCSN Director on the Surplus Property Authorization Form. The investigation began after Hamilton County Schools officials reported allegations to the Comptroller's Office.

When Woodbury listed the unapproved

Verse of the Day

[Jesus continued his message, saying:] "Yet a time is coming and has now come when the true worshipers will worship

the Father in spirit and truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in spirit and in truth."

Evading

Devon Ricker, 22, Kingston Highway Lenoir City, was charged with DUI, Reckless Driving, Evading Arrest, and Speeding.

Dakota Watson LCSO, observed a blue Dodge truck travelling at an extremely high rate of speed on Kingston Pike westbound. Deputy pulled out behind the vehicle from the Shell Gas Station on Kingston Pike and initiated his emergency equipment. The vehicle continued traveling at speeds exceeding 100 miles an hour down Highway 70 West at times crossing the center and fog line. The vehicle made a right onto

Highway 321 and then made a left at Dollar General and continued onto Highway 70 and came to a stop in the parking lot of Eaton Food Mart. Deputies performed a felony stop and the suspect was taken into custody without incident. Deputies identified the suspect as Devon Ricker (Offender) as the driver of the vehicle. Mr. Ricker appeared to be under the influence when he exited the vehicle. While speaking with Mr. Ricker, Deputy detected a strong odor of an alcoholic beverage emitting from his breath. Mr. Ricker's eyes were watery and bloodshot. Mr. Ricker was read implied consent and consented to

a blood draw. Deputy transported Mr. Ricker to the Fort Loudoun Medical Center for the blood draw. I transport-

ed Mr. Ricker to the Loudon County Jail without incident. This did occur in Loudon County.

Theft

Bridget Schubert-Parm-er, 56, Crisp Road Lenoir City, was charged with Theft of Property.

Inv. Jason Smith LCPD, was notified by loss prevention with Food City that a shoplifting incident had been discovered that occurred at the Lenoir City Food City. The cashier informed loss prevention that a female had purchased items and the cashier saw a large amount of cosmet-

ic in the female's purse that appeared to be brand new. Loss prevention pulled video footage and it showed the female identified as Bridget Parmer placing over the counter medication and hair car product in her purse. The total value of the items stolen was determined to be 138.37 dollars. Officer Eldridge did arrest Ms. Parmer on the active warrant and transport her to the Loudon County jail.

Indicted

HCSN surplus property for sale on GovDeals, he undervalued the assets. Woodbury received a total of \$2,304.33 through the sales; however, the surplus property was valued by HCSN officials at \$12,374.68.

Woodbury stated he also sold personal items and items

taken from HCSN dumpsters through the unauthorized GovDeals account.

Andrew Woodbury was suspended on February 24, 2022, and his employment was terminated on April 29, 2022. Based upon this investigation, in February 2024, the Hamilton County Grand Jury indicted Woodbury for

one count of theft of property over \$2,500, one count of forgery, one count of misrepresenting information to a state auditor, and one count of official misconduct.

“School leaders must ensure they provide adequate oversight over their processes for disposing of surplus property,” said Comptroller

Mumpower. “This includes making sure all signatures on authorization forms are proper and reconciliations are performed to confirm all proceeds from sales are properly collected, accounted for, and deposited.”

Horoscopes

beliefs even as new, better ways of thinking struggle to gain a foothold. It's time for you to do this, Taurus. You might find it difficult to confide your feelings to another, but a frank conversation with close friends will do much to ease your mind.

Gemini 5/21-6/20

You always suspected that your job was making you crazy, but it never occurred to you that it could make you sick, too. Is it really worth it, Gemini? You may be asking yourself this question today.

Cancer 6/21-7/22

Just how long has it been since you indulged in a big helping of your favorite guilty pleasure, Cancer? It's time to let the youngster in you come out and play today. Eat that chocolate, read those mindless magazines, or skip down the sidewalk.

Leo 7/23-8/22

If you feel like you're trying

to push a square peg into a round hole, you're probably right, Leo. Whether you're having personal or professional difficulties, there are times when it just doesn't pay to try so hard.

Virgo 8/23-9/22

Things aren't always as they first appear. People you thought you knew well and circumstances that you thought you understood thoroughly now seem anything but straightforward. Has the world really changed that much or has your perception altered somehow?

Libra 9/23-10/22

Difficult as it may be for you to face all those projects you've left undone, Libra, know that you'll be free to move on once they're complete. People from your past figure prominently now.

Scorpio 10/23-11/21

You could have a "eureka!" moment today, Scorpio, as events from your past unexpectedly bubble to the sur-

face of your mind and crystallize in a surprising new way. Suddenly, you have a clear understanding of how these past events affect your present behavior.

Sagittarius 11/22-12/21

Sometimes it's easier to tend to life's mundane details rather than lift your eyes and see the big picture, Sagittarius. For example, it's likely that you've grown complacent at work. Could it be that you aren't at the right job or in the right career after all?

Capricorn 12/22-01/19

Change is in the air, Capricorn. Whether it's a dramatic change of faith or a major shift in your life's goals, prepare yourself for a profound transformation. It's likely due to the fact that you now have more freedom to do what you want, when you want.

Aquarius 1/20-2/18

It's time to refill the well of your soul, Aquarius. You spend so much of your life in service to others that it's only

natural that you feel drained sometimes. Rather than try to push past this feeling and go on as though nothing is the matter, consider it a sign that something is amiss. Admit if you're feeling unappreciated. You've spent too much time putting the happiness of others before your own.

Pisces 2/19-3/20

You would make an excellent judge, Pisces. You're able to consider all aspects of a situation. This is a bit of a blessing and a curse, because it can make it difficult to come to a decision.

Aries 3/21-4/19

Just because one person is no longer a part of your life doesn't mean that all people are unreliable. People change, as do situations. It's possible that this person was no longer a healthy influence on you, in which case the departure is for the best.
