Former Assistant District Attorney Indicted after Double-Dipping on Pay

An investigation by the Tennessee Comptroller's Office has resulted in the indictment of James DeFoor, a former Assistant District Attorney (ADA) in the 26th Judicial District comprised of Chester, Henderson, and Madison counties. The investigation began after District Attorney General Jody Pickens of the 26th Judicial District im-

mediately notified the Comptroller's Office of suspected payroll irregularities.

Investigators determined DeFoor received \$21,699.18 in unearned wages and employee paid benefits from the Madison County government between September 30, 2022, and December 9, 2022.

DeFoor's position in the District Attorney's Office was funded by the Madison County

government until he transitioned to another position funded by a Tennessee Highway Safety Office grant on September 1, 2022.

Investigators confirmed that DeFoor did not perform any prosecutorial duties related to the county-funded ADA position after August 31, 2022. Nevertheless, DeFoor

Agg. Assault

Diego Garcia, 23, Bell Road Loudon, was charged with Aggravated Assault.

Officers with LPD, were dispatched to a possible rolling domestic. Dispatch advised a female was in a green Jeep, and she was currently being followed by her husband in a red sedan. Sgt. Cogdill, made contact with the female, the victim, and her 2 year old daughter. The victim stated that her and her husband, Diego Garcia, had been in a verbal disagreement that turned physical at Bell Road. She stated that he had been having explosive

episodes the last few Sundays, and the disagreement was over food. She stated that Diego became aggressive, and he began to come at her. When doing so, she drew a knife in self defense, because of the way he was acting made her scared. According to her, he then grabbed her by her neck and took the knife from her. Afterward he got his 9mm Smith and Wesson, and he pointed it her direction. Once he walked away, she fled the home with their 2 year old daughter in order to escape the situation, and then Diego pursued her. Upon arrival at the home, Diego's story changed during the process

of us speaking, and he also stated he "became unglued" over an issue with food. He stated that he did, in fact, go

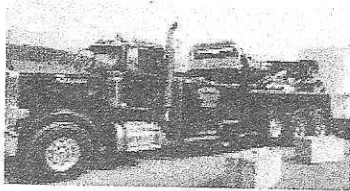

after her as well, and he did point the gun at her in self defense. Based upon the totality of the circumstances and prior history of domestic violence, officers determined that Diego Garcia was the primary aggressor. Diego was transported to Loudon County jail without incident. This did occur in the City of Loudon, TN.

continued to receive six paychecks and benefits from the county while simultaneously receiving wages from the state-funded grant, a scheme known as double-dipping.

DeFoor was placed on administrative leave on December 13, 2022, and resigned on January 10, 2023. The 25th Judicial District Attorney General's Office was appointed as Pro Tem in this matter.

Based upon this investi-

gation, in April 2024, James Zachary DeFoor was indicted by the Madison County Grand Jury on one count of theft of property over \$10,000, and one count of official misconduct.

"County officials should require all employees to submit timesheets before processing payroll," said Comptroller Mumpower. "When timesheets are completed and approved by a supervisor, it reduces the risk of fraud and helps ensure that employees

receiving compensation are actually employed by the county."

Horoscopes

yearly cycle, when things are coming to a dramatic apex.

Gemini 5/21-6/20

Finding the comfort point may be difficult for you, Gemini. You might feel as if you aren't connecting with your ideals or goals. Even though you try to put things into motion, they don't really pan out the way you'd like. There's a difficult energy making you feel like you need to join one camp or the other to feel accepted.

Cancer 6/21-7/22

Your upbeat, lively nature is fueled by the fast-paced energy at hand. You have a great deal of physical strength available to you, Cancer, and you can make tremendous strides in your yearly goals with very minimal effort. Take advantage of this time by focusing on your own needs

Leo 7/23-8/22

Your indecisiveness may plague you, Leo. This is one of those times when you feel as if one second of hesitation

will cost you dearly. Yet you take a while to process and internalize things before you're ready to act on them. Others may act and speak before they think. Don't get upset at yourself for handling things the way you do

Virgo 8/23-9/22

You're now in a terrific position to make a significant move in your life, Virgo. With a great deal of physical energy coupled with incredibly high self-esteem, you have what it takes to make a major push toward larger goals. There's opportunity coming at you from all angles, and the energy at hand is fast and furious.

Libra 9/23-10/22

You might feel as if you can't access your physical energy now, Libra. You may experience frustration when you try to engage in a sport. You don't feel as if things are clicking into place as easily as they should. This feeling is taking a toll on your sense of self.

Scorpio 10/23-11/21

Your physical vitality should be quite strong, Scorpio, and you're encouraged by greater self-confidence. At the same time, however, someone seems to be trying to ruffle your feathers by being selfish and disrespectful of your space. This is likely to lead to conflict that you don't need.

Sagittarius 11/22-12/21

Things could be moving more quickly than makes you comfortable right now, Sagittarius. You may feel as if your own needs and agenda are getting lost in the fury bubbling around you. The secret key to add to your toolbox is the ability to go with the flow.

Capricorn 12/22-01/19

Your physical strength is top-notch, Capricorn. Now is a terrific time to join a sports team or start a company soccer program. Others will respect your leadership abilities. Your glow as a self-confident, constructive being is radiating positive energy. This combination of forces is extremely powerful. You have the op-

portunity to be wonderfully productive at this time.

Aquarius 1/20-2/18

You may feel indecisive, insecure, and stuck in the middle of a difficult situation, Aquarius. Your energy could be drawn in one direction while your self-confidence is pulled in another.

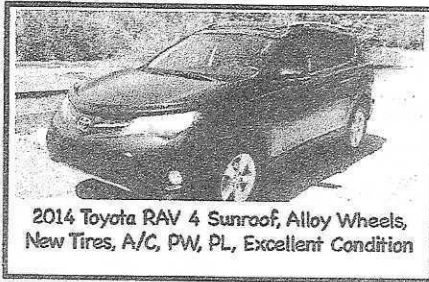

Pisces 2/19-3/20

Communication with others should be very effective, Pisces, and your social calendar will be full. You're feeling good about yourself, thanks to a boost in confidence that reminds you that you can do anything. You have the ability to juggle many things at once and the physical endurance to keep up a quick pace.

Aries 3/21-4/19

Relating to people may be difficult for you, since you get the feeling that others don't see things as deeply or emotionally as you, Aries. Perhaps you feel everyone is shallow, making them luckier in one sense yet deprived in another.
