State Rep. Lowell Russell encourages local veterans to take Trip of Honor

State Rep. Lowell Russell, R-Vonore, and Forever Young Veterans (FYV) hope to honor senior veterans with an all expenses paid, trip of a lifetime.

Forever Young Veterans (FYV) is a non-profit organization based in Tennessee that takes senior veterans on a Trip of Honor to either their former battlegrounds or to the National

World War II Memorial in Washington, D.C.

"Our veterans spend most of their lives putting others before themselves. While we can never fully repay them for their sacrifice, this is a small way to put them first and show our appreciation," Russell said. "These trips have been life-changing for other senior veterans, and I hope all that are able to travel take advantage of this opportunity."

Have you felt somewhat lost for the past few days? The fog may lift today and enable you to situate yourself

at last. You're probably eager to settle a question that has nagged at you and interfered with your judgment. However, you should be patient, especially if it has to do with emotional matters.

Agg. Assault

Juan Almanza, 35, Church Drive Lenoir City, was charged with Aggravated Assault.

Officers with LCPD, responded to Church Drive to investigate a domestic assault complaint. Upon arrival, Officer Arden was met by the victim who stated that his brother Juan Almanza (offender) had burst into his bedroom holding a large knife over his head while yelling at him. The victim stated that Juan's action placed him in fear for his life to

the point that he felt deadly force would have been an appropriate defense response. SGT C. Espinosa and Arden then went to the rear of the house where we encountered Officer R. Miller shouting commands through a bedroom window where SGT B. Rayfield was detaining Juan. Once in-custody, a novelty knife/sword measuring approximately twenty-three (23) inches was found in proximity to Juan's reach and it matched the description as given by the victim. Juan Almanza was transported to the Loudon

County Jail for Aggravated Domestic Assault without incident. This incident

did occur within Lenoir City, Loudon County, Tennessee

DUI+

Jordan Maples, 21, Kingston Highway Lenoir City, was charged with DUI, Duty to Render Aid, and Give Information, and License Required.

Officer J. Robinson LCPD, was driving through the Kenjo-Buddy's parking lot when a gray Dodge truck drove past him, the officer then observed the store clerk sprinting towards his vehicle yelling that the truck just reversed into the wash bay and was leaving without giving any information.

The officer was able to catch up and initiate a traffic stop on the truck at the ADESA Knoxville parking lot. The officer detained the driver Jordan Maples until he could gather further information on the situation. While speaking with Mr. Maples the officer observed him to have blood shot watery eyes and the odor of an alcoholic beverage emitting from his person. The officer approached the passenger side of the truck to speak to

the passenger to ask about the incident and gather insurance information, the officer then observed an open container in the backseat of the truck. The officer asked Mr. Maples if he had anything to drink tonight and he stated he had "two ten percent tall boy twisted teas". The officer preformed standard SFST's to which her preformed poorly on all tests given. The officer located Mr. Maples Tennessee state ID in his pocket with a \$100 bill.

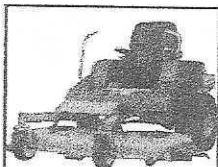

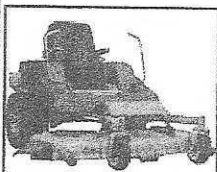

After a records check was done through Central Dispatch it was learned Mr. Maples did not have a license. The officer placed Mr. Maples into custody and read him the Tennessee Implied consent form to which he consented to give his blood for chemical testing. The officer transported him to the Fort Loudon Medical Center then from there to the Loudon County Jail without further incident. All the above did occur in Loudon County, Tennessee.

Meth

Brittany Henry, 30, Shubert Road Loudon, was charged with Mfg/Del/Sale or Poss. of Meth, and Poss. of Drug Para.

Deputy Reagan LCSO, responded to a campsite on Bat Creek Rd. E., along with Deputy Willis, in reference to suspicious persons. Upon arrival, the deputy made contact with Brittany Henry (Arrestee) and a male. While speaking with them, Dispatch advised that Brittany possibly had an active warrant out of McMinn County. She stated that she was on probation for possession of narcotics, and she stated that they did not have any

narcotics on their person or inside the vehicle. Both consented to a search of their person and of the vehicle. As she consented to the search of the vehicle, she stated that there was a pipe inside the vehicle that was used for methamphetamine. Deputy Willis began searching the vehicle and located the pipe inside a blue box on the passenger floorboard. While continuing the search, Deputy Willis located a small baggie containing a white crystal-like substance suspected to be methamphetamine inside Ms. Henry's wallet, which was located inside her purse. At that time, Dispatch advised that

Henry did not have an active warrant. The deputy then took Henry into custody, and Deputy Willis transported her to the

Loudon County Jail without further incident. This did happen in Loudon County, TN.

FYV

Washington D.C. from Sept. 27-Oct. 1. The only prerequisites for being considered for a trip is to be a veteran, 65 years or older, and have an honorable discharge.

The non-profit has honored more than 2,700 veterans and taken 56 Trips of Honor since its founding in

2006. The founders, Diane and Greg Hight hope these trips provide senior veterans with peace and closure from their service.

The General Assembly recently passed legislation designating June 6 as a day of special observance for D-Day. Gov. Bill Lee signed the bill into law in late March.

Veterans, or their family,

can apply or nominate them for a Trip of Honor here. For more information on sponsoring a veteran on their Trip of Honor, click here.

Horoscopes

Gemini 5/21-6/20

You may have been feeling somewhat disillusioned. Perhaps you lost sight of your goals or misplaced your faith in yourself. You'll feel some relief beginning today.

Cancer 6/21-7/22

You might be tempted to settle certain matters by radical means. The visionary part of you means you're painfully aware of the world's wrongs. You see no reason not to take action to correct them. But the forces in play are so powerful that you can't expect to institute a new order in one day.

Leo 7/23-8/22

Today will be fairly calm in terms of outside events, but your inner world is likely to be in a rush of activity. Today you wish you could find the solution to your heartaches as well as your career predicaments. You'd like to achieve some supreme understanding of the events that took place over the past month.

Virgo 8/23-9/22

You have a lot of thinking to do about your professional goals, Virgo. You'll go over the elements to see if there isn't some way to approach things differently. Are there new paths you could try or ways to improve things? Your mind will go a thousand miles a minute today.

Libra 9/23-10/22

You just can't do everything at once, Libra. How do you expect to reduce your stress and recuperate while at the same time continue to be a superstar performer in every area of your life? Don't pressure yourself to perform today. If you do, you're likely to deplete your reserves even further.

Scorpio 10/23-11/21

This is a good moment to adapt your logic and reason to reality, Scorpio. If you don't, you're going to run into some intellectual problems. Everyone knows that you find new ideas plentiful, but unless you have plans to be a novelist, link your thinking to reality.

Sagittarius 11/22-12/21

It's going to be a little difficult

talking to you today, Sagittarius. You, who can be easily influenced by others, will be listening to and criticizing everything that people say. Nothing emotional or vague is going to get into your head. It's as if you've installed an extremely fine filter that lets in only what you allow.

Capricorn 12/22-01/19

Have you been reviewing your family history lately, Capricorn? Of special interest is your cultural background. What educational, social, and religious environment were you born into? What are its values? In the end, do you feel a strong affinity with them now or are those views different from the ones you hold? These are interesting avenues of thought for you today.

Aquarius 1/20-2/18

It's time to elevate your sense of self, Aquarius. You're just as good as anyone else, so why don't you believe it? The problem is that you're very sensitive about having an ego. Even though you know everyone does, you punish yourself for its

existence! This is a noble idea, but it doesn't do you any good.

Pisces 2/19-3/20

Today your intellectual and expressive abilities should receive a boost from the planets. It's an excellent time to organize your thoughts about presenting a project to a possible collaborator, engage in trade, or write. In terms of your private life, it's also a good time to examine the latest events, certain aspects of which are still partially misunderstood.

Aries 3/21-4/19

Overall, the forecast for today is fairly good. The aspects seem to favor figuring out the meaning of all that's transpired over the past several weeks. It's an opportunity for you to take a leisurely look at the distance you've covered moving toward your goals. Since it's an auspicious day for social activities, why not get together with friends and discuss the latest events with them?
