ATSDR Announces Notice of Funding Opportunity for APPLETREE Program

ATSDR Web site: www.atsdr.cdc.gov

The Agency for Toxic Substances and Disease Registry (ATSDR), a federal public health agency of the U.S. Department of Health and Human Services, is pleased to announce a new notice of funding opportunity (NOFO) for ATSDR's Partnership to Promote Local Efforts to Reduce Environmental Exposure (APPLE-

TREE) program.

This new 5-year APPLETREE cooperative agreement program will fund approximately 34 state and local health departments and/or federally recognized American Indian and Alaska Native Tribal governments for a period of performance from April 1st, 2023, to March 31st, 2028.

Applications must be submitted electronically

no later than 11:59 p.m. ET, on December 9th, 2022. Information on how to apply is available at www.grants.gov.

Through this cooperative agreement, funded applicants will receive resources and guidance to assess and respond to site-specific issues involving exposure to hazardous

Fatality

Rodin Cifuentes, 23, Fort Hill Street Loudon, was charged with Vehicular Assault x3, Vehicular Homicide, DUI, Leaving the Scene of Accident Death/Injury, and No Driver License. Trooper A. Evans THP, was dispatched to a vehicle crash on Town Creek Road involving a single vehicle fatality.

Upon arrival Trooper was notified by on scene officer, that at least 2 individuals had fled the scene on foot. It was found that the vehicle ran off the roadway to the right while negotiating a curve and struck a tree head on. The deceased right rear passenger was identified. While investigating the scene a box of Modelo beer was located in the rear seat of the vehicle near the deceased person. The vehicle had a strong odor of alcoholic beverage emitting from the vehicle. A total of 4 occupants were located and treated at the scene. While questioning the occupants they had stated that Rodin Cifuentes was driving the vehicle. Upon questioning Cifuentes he stated he was not driving that someone else from his soccer team was. All occu-

pants were transported to UT Medical. While at the hospital the occupants were questioned by a Blount County Officer that could translate. It was found that they had been drinking prior to driving and went to the store to get more and wrecked on the way back. When ask who the driver was they said it was Cifuentes. Rodin Cifuentes was placed under arrest and transported to the Loudon County Jail.

substances in the environment.

This includes identifying if and how people are exposed to toxic chemicals at specific sites, reviewing environmental and health data to identify potential health risks,

making recommendations to prevent exposures, and educating affected communities and local health professionals about site contamination and potential health effects.

In addition to these activities, the funded applicants may use the funds to protect children from environmental hazards by ensuring assessment of new early care and education facilities for young children. The safe placement of early care and education facilities includes a review of

former uses of proposed sites that may have left harmful chemicals or metals on the property (both building and land),

RAIN OR SHINE!

Horoscopes

on you has been tremendous. Think about pulling your sails to half-mast in order to take a break. You may not be going as quickly as before, but you will find that this is exactly the rest you need in order to complete the voyage.

Scorpio 10/23-11/21

Your thinking is apt to be quite clear and rational today, Scorpio. This is especially important since others will be looking for your thoughts and opinions on a certain matter. People will know that they can get a straight and honest answer from you, so don't disappoint them. Think through each situation clearly before you offer your advice. You will find that it's worth the effort.

Sagittarius

11/22-12/21

By being around negative and flip people, you might inadvertently pick up these habits. Be careful about your associates, Sagittarius, because you will find that others judge you according to the company you keep, especially if you start talking like them. Make sure to maintain a respectful attitude and proper manners no matter who your company is.

Capricorn 12/22-01/19

You may feel like the world is caving in on you in many ways today, Capricorn. It could be that you've recently dug your own little cave to crawl into and be safe from the outside world.

Realize that the deeper you dig in unstable terrain, the more unsteady the walls. If you aren't careful, it's likely to come crashing down on top of you.

Aquarius 1/20-2/18

Remember that you can only remain in charge as long as the others around you support your personality and leadership abilities, Aquarius. Avoid mutiny by taking care of the people in your world instead of simply trying to run their lives. Gain respect with kind words and a sensitive attitude rather than by enforcing harsh rules and regulations that restrict and aggravate.

Pisces 2/19-3/20

There should be no doubt in your mind about which way to proceed, Pisces. Don't let self-doubt sneak into the picture. Your mind is sensitive and alert, so trust it. Take the lead when you feel confident about a situation. Make sure to eat plenty of protein-rich foods. They'll help stabilize and bring you another step closer to the realization of your dreams.

Aries 3/21-4/19

Your rock-star attitude may be getting a bit old now, Aries. People aren't going to continue to listen to your demands for attention. Every person in the world is special, so try not to act as if you're the only one who is. Help a child assemble a new toy today or help a friend pick out a new shirt. Do something for others instead of always expecting things for yourself.

Taurus 4/20-5/20

Your ship is finally coming into port after being out in rough seas for so long, Taurus. It's time to dock the boat for a while. Relax and explore the area. There is nothing wrong with getting off your vessel for a while. You may not even realize how much you've missed solid ground until now. Remember what it's like to be stable again.

Gemini 5/21-6/20

You may still be on something of a high from the last couple weeks. You will definitely be tempted to let the good times continue to roll, Gemini. Think about ways you can keep them rolling while still maintaining good judgment. Don't let things get too out of control today. It's important that you maintain a bit of stability at all times.

Cancer 6/21-7/22

Communicate from a centered space today, Cancer. Fortunately, the nature of the day caters to your needs and desires. You shouldn't have to work too hard to get what you want. Things should come to you naturally. You may wonder why you got

stressed out before over what now seem to be small issues. Consciously release the worry and concern that are still stored in your body.

Leo 7/23-8/22

Remember that you can only remain in charge as long as the others around you support your personality and leadership abilities, Leo. Avoid mutiny by taking care of the people in your world instead of simply trying to run their lives. Gain respect with kind words and a sensitive attitude rather than by enforcing harsh rules and regulations that restrict and aggravate.

Virgo 8/23-9/22

You will feel much better about yourself if you get things done today, Virgo. Like a meal that tastes good but isn't necessarily good for you, you might enjoy this day by being lazy, but you won't feel so good when night comes and you realize that you haven't accomplished anything. Use the day productively so you have a sense of fulfillment by tonight.
