Fugitive

Darrell Morgan, 38, Dover Kentucky, was charged with Aggravated Assault, False Imprisonment, and Fugitive from Justice.

Officer Parmer LCPD, was dispatched to Kings Inn Motel, Hwy 321 N, room 144, in regard to subjects screaming. Upon my arrival, Officer observed the door of room 144 to be partially open. Officer knocked on the door and a male subject, later identified as 38-year-old Darrell Morgan, opened the door. Mr. Morgan was very fidgety, agitated, had claw marks on his neck and before any questions were asked, Mr. Morgan stated that the screaming was coming from next door and immediately shut the door on officers. After Mr. Morgan shut the door, Officer could hear a female voice from inside room 144 state "please let me go." Officer knocked on the door

again to which Mr. Morgan came back. When Mr. Morgan opened the door Officer could see a female, sitting on the floor, in the corner of the room, crying and in a fetal, protective position.

Officer told Mr. Morgan to step outside and immediately detained him. Contact was then made with the female, identified as the victim. The victim neck was red, and she had busted blood vessels around her throat. Victim was visibly shaken and kept informing officers that she just wanted to go home.

Officer asked victim what happened, and although hesitant, she informed him that she and Mr. Morgan had been in a physical altercation. Victim stated that she had found a text message on Mr. Morgan's phone which implied that he was cheating. Vic-

tim confronted Mr. Morgan about the message and when confronted, Mr. Morgan began to strangle victim to the point that she could no longer breathe.

Mr. Morgan was subsequently placed into custody and when his driver's license was ran through central dispatch, he came back with a full extradition war-

rant out of Indiana for a Probation Violation on a Felony Domestic Assault Charge. Mr. Morgan was transported to Loudon County Jail without incident.

The victim was transported to a safe place by Officer La-Force.

The above did occur in Lenoir City, Loudon County, Tennessee.

Horoscopes

will have to ignore them. Scorpio, you simply don't have the time, at least not today. You will be too busy coping with numerous little emergencies that crop up and having to justify your decisions throughout the day.

Sagittarius
11/22-12/21

Do you feel as though your self-expression is being stifled, Sagittarius? Perhaps you need more time to choose a direction in life. Today, you can expect to feel a lot of pressure from someone close to you. You will feel forced to satisfy this person's demands. Annoying as this may be, you can take comfort in the knowledge that he or she has your best interests at heart.

Capricorn 12/22-01/19

Is there someone persecuting you, Capricorn? Is there a situation that feels unbearably oppressive? Today you won't have any trouble identifying the source of your problems. And the great news is that is the first step toward obtaining release from them. But you can't expect it to be easy. The day ahead may feel somewhat overwhelming.

Aquarius 1/20-2/18

Although your current mood is somewhat reserved and modest, you probably feel tempted to strut your stuff every once in a while. However, if you try to show off today, Aquarius, you may not be very pleased with

your reception. It's natural for you to want to impress people, but you must try to do it with genuine qualities and simplicity. That's true good taste!

Pisces 2/19-3/20

Obviously, you have an important role to play, Pisces. The mood today may be somewhat frustrating, but the way you handle it will earn you rewards and recognition in your workplace or at school. Your strength, self-control, and stability made the difference between success and failure. You can and should be proud of yourself.

Aries 3/21-4/19

You will feel as though your back is against the wall, Aries. And this particular wall is impeding your progress. Others will ask you questions and ask for your opinion. You may want to tell them the "truth" as you understand it, and you could be tempted to do so humorously. Humor isn't your forte right now. You can always try, but for now a sensible approach is the best one.

Taurus 4/20-5/20

Today is likely to be a bit gray, Taurus. You won't be able to see how you can get out of your current situation. You may have some financial or physical problems at the moment. If this is the case, it's because you don't rely enough on your abilities and good sense to pull you through. It's possible that you don't take care of your body as well as you should. That's easily remedied.

Gemini 5/21-6/20

You're wasting your energy, Gemini, and you know it. You try your best to go about your everyday routine, but you're never really present. You listen to people but what they're saying doesn't interest you in any fundamental way. Yes, you're bored, and you're afraid to admit it to yourself. The depth of your inner search requires that you use a lot of energy to reexamine your life.

Cancer 6/21-7/22

It isn't always easy to think about how your life is going, Cancer. Imagine if you were alone in the world, with nothing to hold you back or force you to do anything. At least once a month dedicate an hour to visualizing what your life would be like under these conditions. This will help you figure out what's impeding you today.

Leo 7/23-8/22

Now is the time to be thinking about your professional orientation, Leo. You may need to get some more fun in your life and experience pleasures that you've never had before. You have a certain tendency to separate the two worlds of work and play, but there's no need. In fact, your work will prosper once you discover ways to make it more playful.

Virgo 8/23-9/22

You may be worn out, Virgo, but you will have to push forward anyway. You're entering a long period of work and perseverance. This definitely isn't the moment to be late or balk. If you're still in your pajamas at noon, you should be ashamed!

Do what you can to wake yourself from your recent daze. It's time to get up and get moving!

Libra 9/23-10/22

In a series of days that have tested your patience to the limit, here comes the moment of truth that could make or break you. You can expect a high-pressure day when you will be induced to express your deepest motivations. A confrontation with an authority figure could trigger an outburst. Do your best to remain levelheaded, Libra.
