### Verse of the Day

When King Herod had called together all the people's chief priests and teachers of the law, he asked them where the Christ was to be born. "In Bethlehem in Judea," they replied. "For this is what the prophet has written: 'But you, Bethlehem, in the land of Judah, are by no means the least among the rulers of

Judah; for out of you will come a ruler who will be the shepherd of my people Israel.'" —Matthew 2:4-6

**DUI+**

Timothy Manning, 39, County Road 319 Niota, was charged with DUI, Driving on Suspended/Revoked License, and Violation of Implied Consent.

Officer McGinnis LCPD, arrived at Highway 321 N (Taco Bell), in reference to a possible intoxicated driver. Dispatch had advised that a man was seen sitting in the drivers seat of a gold car parked in the Taco Bell parking lot, "bouncing" around in the vehicle and hanging his belt across the rear view mirror. Upon arrival Officer saw the vehicle matching the description dispatch had given him, with a registration coming back to a female Manning.

Upon approaching the vehicle Officer witnessed a man in the front left seat frantically throwing items

and rearranging things in the vehicle. Officer then made contact with the subject, later identified as Mr. Timothy Manning, who was profusely sweating, as well as moving in a very fast, indecisive way.

Upon speaking with Mr. Manning he did present his TN I.D. and advised Officer that his license was revoked, to which dispatch did confirm. Officer then asked Mr. Manning if he would step out of the vehicle and participate in SFST, to which he did agree and did perform poorly. Officer then placed Mr. Manning under arrest and read him the implied consent form to which he refused.

Further According to the report, While doing an inventory of the vehicle was able to locate the keys in the front right floor board

and give them to the tow truck operator from Mon-eymakers Towing, who removed the vehicle from the property.

Officer then transported Mr. Manning to Loudon County jail without further incident.

All the above did occur in Lenoir City, TN without further incident.

The Lenoir City Council met in its first regular session meeting since the election and new face Todd Kennedy was in attendance.

Missing from the meeting was our good friend Eddie Simpson who was under the weather as reported by Mayor Tony Aikens.

*Editors Note: We unfortunately have to even report this since another publication has found it necessary to shame elected officials (of their choosing of course) due to an absence or failing to return their phone call.*

Dr. Tommy Patterson from Maranatha Church of the Harvest gave the invocation and the pledge was led by Todd Kennedy.

The first item for consideration was the purchasing committee's recommendation to add \$3400 regarding a contract for Kimley-Horn for signal timing. Ms. Amber Scott Kelso City Administrator reported this added money was to have an outside agency provide a necessary protection for the whole project and was an insurance requirement as well. The item passed unanimously.

Fire Chief Richard Mar-

tin gave a recommendation to hire full time Weston Ivey who was part time to fill a vacancy for a retiree. The vote passed unanimously.

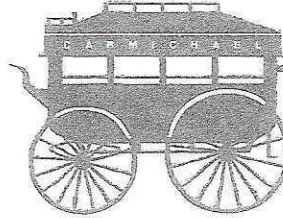

Councilman Todd Kennedy was appointed to the Personnel Committee by Mayor Aikens. The vote passed with Kennedy abstaining.

The council also will be canceling the December 26, 2022 meeting by a unanimous vote as well.

Ms. Janet Bove was then honored with a proclamation by Mayor Tony Aikens on behalf the City County and the City of Lenoir City for her service to the community. Ms. Bove has served as chairwoman of the GFWC Suburbia Women's Club and during her time provided service to the community through the club. The GFWC is responsible for the Lenoir City Arts and Crafts Festival attended by thousands each year. They now also maintain the park area well and the club has also donated well over \$50000 to the Central Park Project on Broadway. Ms. Bove is the wife of George Bove a member of the LCUB and a Shriner and Mason as well.

## Horoscopes

nothing you can't handle, Sagittarius. In fact, if anyone can make the most out of today, you can. Tap into your aggressiveness and act boldly toward the object of your desire. Make sure there is harmony among those around you and everyone's needs are taken care of.

Capricorn 12/22-01/19

The key today is action, Capricorn. There's a great deal of force pressuring you to get the ball rolling. One of these forces may come from a romantic interest waiting for you to make the next move. You may have many projects on the table and be unsure where to focus your energy. Don't feel like you need to concentrate on any one thing. The key is to maintain balance among all.

Aquarius 1/20-2/18

Ignite the fire in your heart, Aquarius, and make it burn more brightly than before. Keep in mind that you may need to make compromises in order to be on the same page with your lover in the way you relate emotionally. Make sure everyone gets a chance to be on center stage. Don't hog the podium. Maintain a working balance by letting others have their turn in the spotlight.

Pisces 2/19-3/20

There are a couple important issues that you may need to

resolve, Pisces. Take an active role in the department of love and romance. Feel free to be aggressive about having your needs met. Make sure you're comfortable with the situation or else stand up and change it. For you, the day is all about taking action. Strive to create peace through honest assertiveness.

Aries 3/21-4/19

You should enjoy a good mood today, Aries, and you will find that things will go well for you in general. Perhaps the only sticky situation that could arise is one that stems from an aggressive approach in the department of love and romance. This impatient urge or petty argument by one or both parties may result in an all-out war. Try to maintain a level head in all situations.

Taurus 4/20-5/20

Circumstances of the day may result in some tricky situations for you, Taurus. You could be caught between a rock and a hard place. The instinct to make war or peace with any given issue is making you restless. On the one hand, you may want to smooth things out in a reasonable manner. On the other, there is a part of you that is eager to declare all-out nuclear warfare.

Gemini 5/21-6/20

Things should go well for you today, Gemini. Your romantic

nature is piqued. You will find that an aggressive approach toward your loved one is just what's needed to jump-start the relationship. If you're single and looking for love, this is a good day to make first contact with a crush. Neaten up your appearance and wear a snazzy outfit, regardless of the situation.

Cancer 6/21-7/22

Stand up and take action, Cancer. Forces may be pulling on you from all angles, and your challenge will be to maintain a healthy balance among all of them. You have a chance to accomplish a great deal by directing your energies outward instead of inward. Other people may be punchy. Counteract this by being patient. Your contribution to the group will be appreciated.

Leo 7/23-8/22

You will find that you relate very well to others today, Leo, and your communication will prove to be quite valuable. You may find yourself in the position of arbiter simply because you have the detached mind that people need to resolve disputes. Take an active role in the lives of those around you and see how your own life benefits from the generosity of your actions.

Virgo 8/23-9/22

You may be tempted to shift

into high gear today, Virgo, but you're likely to be unsure where to focus your energy. You may be revved up and anxious to get moving but feel lazy and unmotivated to do anything but sit back and wait for the excitement to come to you. Whatever you do, don't retreat into a hole. Dress up and show off your outer as well as inner beauty.

Libra 9/23-10/22

There's apt to be tension between your heart and your general mood, Libra. Your romantic nature will incline you to adopt a selfish, impatient attitude, while the prevailing tone of the day calls for peace and balance. Try to maintain an equal amount of give and take. There's enough love to go around. Don't feel like you need to be possessive in order to maintain others' loyalty.

Scorpio 10/23-11/21

Adjustments may be in order for you to flow easily with the energy of the day, Scorpio. The prevailing tone calls for a more outwardly directed solution to all situations. You will discover that it's easy to start up new projects today, especially those involving creative or romantic elements. The tricky part will be follow-through. This is your specialty, so don't worry about it. You've got that part covered.
