An investigation by the Tennessee Comptroller's Office, working in conjunction with the Anderson County Sheriff's Office, has resulted in the indictment of Heather Heatherly, a former office assistant in Anderson County School's Office of Student Services. Heatherly stole at

least \$23,311.

Investigators reviewed records from February 2018 through December 2019 after school officials reported unauthorized purchases were charged to a school purchasing card (P-card).

The Office of Student Services uses school funds to purchase food, clothing,

and minor household items for students in need. Heatherly purchased the necessary items and began paying for the items using a VISA P-Card in February 2018.

Heatherly used the P-card to make unauthorized purchases totaling at least \$23,311 including purses, watches, and

Theft

Daniel Carver, 41, Circle Drive Loudon, was charged with Theft of Property, Criminal Court Capias, Violation of Probation, and Resisting Arrest.

Officer Bialek LCPD, received a phone call from Walmart's LP, who advised of a possible shoplifter. LP stated, a white male was placing multiple items from Walmart's shelves into a Walmart grocery bag in the electronic section of Walmart. LP made contact with the male, Daniel Carver, as he was passing all points of sale with unpaid merchandise. Daniel followed LP to the Walmart's LP office. Daniel entered the office and then ran out towards the pharmacy side exit. Officer Lee and Bialek observed Daniel running out of Walmart into the parking lot, where officers gave chase. Daniel led officers on a short foot chase through

the parking lot. Officer Lee gave Daniel multiple verbal commands to get on the ground which he did not comply, before taking him to the ground. While on the ground, Daniel refused to listen to officer's commands to put his hands behind his back. Officer gave Daniel verbal commands to put his hands behind his back or he was going to be tased and he refused. Officer applied one five second drive stun cycle to the middle of Daniel's back. Daniel became compliant after being tased and was placed into custody. Daniel did enter Walmart with the intent to deprive Walmart of the merchandise. The total amount of the unpaid items is \$243.14 and Walmart is not seeking restitution. Daniel has been permanently trespassed from all Walmarts as of 02/17/2022. Daniel was transported to Loudon County Jail without further incident. All the above did occur in Lenoir City, TN.

other personal items for her own use, enjoyment, and benefit.

To conceal these misappropriations, Heatherly altered invoices to hide the description of the items and her personal residence as the shipping address. She also used an unauthorized ink stamp to place the Office of Student Services' director's signature on purchasing documents.

Heatherly was suspended without pay from her employment with the school system on January 7, 2020. Her employment was terminated on May 18, 2020.

Investigators are also questioning an additional \$16,288 in purchases made with the P-card that were not authorized by the office director. Investigators could not determine whether these purchases were used exclusively for the benefit of Anderson County Schools.

In February 2022, Heath-

er Heatherly was indicted by the Anderson County Grand Jury on one count of theft over \$10,000.

"Our investigators noted that Anderson County Schools must take additional steps to safeguard school funds," said Comptroller Jason Mumpower. "These steps include carefully reviewing purchasing documentation including purchase orders, invoices, and partial delivery reports. I'm pleased to note that Anderson County School officials are already taking steps to correct these deficiencies."

DUI+

William MacDonald, 34, East 1st Ave Lenoir City, was charged with DUI, and Possession of Handgun while Under the Influence.

Officers with LCPD, were dispatched to the area of Highway 321 at the I-75 get-off ramp. Dispatch had received several complaints about a reckless driver in a white chevy truck. Complainants stated the driver of the truck was all over the road. Investigator Yates observed the truck on Hwy 321 near CVS Pharmacy. He stated the truck had hit the curb twice. Officer Deland got in behind the truck on Hwy 321 at Ingles. Officer observed the vehicle strike the curb and turn onto East 1st Ave erratically. Upon traffic stop, Officer approached the vehicle. The driver's window was down and Officer could smell a strong odor of alcohol coming from inside the vehicle. The driver had red, watery eyes. Officer asked him if he was alright and if he'd been drinking today. He stated "No". He did advise there was a handgun in the console of the truck. Officer asked him to step out of the vehicle so could retrieve the pistol. Upon opening the driver's door, Officer observed several empty bottles of liquor in

the driver's door. In the passenger seat was a half-empty bottle of liquor. The driver's name came back to a William S. MacDonald. Officer had Mr. MacDonald do the "HGN" test, in which he failed. During the Walk n turn test, Mr. MacDonald stopped doing the test and said, "I can't do this. I'm drunk! It is what it is". Officer had Mr. MacDonald finish the test, and he did poorly on the rest. Officer placed Mr. MacDonald under arrest for driving under the influence and possession of a handgun while intoxicated. Officer read him the Tennessee Implied Consent advisement. He agreed to have blood drawn to determine his blood alcohol content "BAC". After which, he was transported to Fort Loudoun Medical for the blood draw and then to the Loudon County Jail.

Horoscopes

clear of it, if you can. If you continue to do your job well, you're likely to receive a bonus or promotion as a result of your efforts. You've earned it.

Aries 3/21-4/19

It's hard to deny the power of a chemical reaction to another person. You'll likely meet someone today or perhaps you've just met someone who has a strong influence on you, Aries. You can't get this person out of your mind. It isn't clear whether this is a one-time fling or a long-term romance. Whatever it turns out to be, you're thrilled to be feeling so excited and alive.

Taurus 4/20-5/20

"The person who dies with the most toys wins" may well be your philosophy, Taurus. And today you certainly move ahead in the race as you add yet another technological wonder to your home. What is it this time? A scanner, digital camera, DVD player, or all of the above? It's a small indulgence for all the hard work you do. If these things really give you such pleasure, then you deserve to have them.

Gemini 5/21-6/20

Today you could sit down at the computer for just a minute to research something on the Internet and wind up spending most of the afternoon entranced by what you're reading, Gemini. You could very well stumble upon some information on the occult and mysticism. It's always fascinated you, and now that you've begun learning, you don't want to stop. Perhaps you could enroll

in a workshop and mingle with others who share a similar interest.

Cancer 6/21-7/22

You've always had a knack for all things financial, Cancer, but today your ability is especially enhanced. You've discovered all the free investing information available over the Internet, and you absorb it like a sponge. Your natural fiscal sense enables you to separate the nonsense from the sound investment advice. Your portfolio and your mood benefit immediately!

Leo 7/23-8/22

Keep your eyes wide open today, Leo, as you may meet the person of your dreams! Or you could stumble, literally, upon a stack of cash. It's likely to be a most unusual day, so keep your wits about you and your mind open to all possibilities. If an intriguing new business opportunity comes your way, don't accept it right immediately. Take down all the information and review it when life has settled down somewhat.

Virgo 8/23-9/22

A change of profession may be in the stars for you, Virgo, or a change of hobby at the very least. The latest technological advances have really captured your interest. Making films, in particular, gets your creative juices flowing. Perhaps it's time to sign up for a weekend workshop or splurge on that video camera you've been eyeing. The diversion will do you a world of good.

Libra 9/23-10/22

You're likely to be feeling the tug of distant lands, Li-

bra. Today you could stop at the travel agent's office, the one you've walked by countless times, and stare at the pictures. Thailand, Hong Kong, and New Zealand are just a few of the places you'd like to see. The pictures look so enticing. Go ahead. Plan such a trip, although it's likely to be only a temporary diversion. Your wanderlust indicates a fundamental restlessness that must be resolved.

Scorpio 10/23-11/21

Change, even when it's for the better, can sometimes be a little scary, Scorpio. You could feel some hesitation about taking a new job or upgrading your home. Nevertheless, you're being given a terrific opportunity. If you don't seize it, you'll likely regret it for the rest of your life. What's occurring is for the best, so stretch your arms up high and reach for that brass ring!

Sagittarius

11/22-12/21

There are plenty of opportunities out there, and you're tempted to seize every one of them. Well, Sagittarius, a bit of discrimination is in order if you're going to make the best use of the auspicious atmosphere. Travel is defi-

nately in the picture, as is continuing your education in some way. It could be something simple, such as enrolling in a cooking class at an adult education center. Or perhaps you're going to fulfill a lifelong ambition and apply to business school. Good for you!

Capricorn 12/22-01/19

You're likely to receive a windfall of some sort today. Be cautious with it, Capricorn. If you invest it wisely, it will serve you long and well. Your curiosity has been piqued about some rather esoteric subjects, perhaps the dark arts. Why not visit your local library to check out some books on these topics of interest?

Aquarius 1/20-2/18

A change of scene is in store for you, Aquarius. It's unclear whether or not this is a voluntary move, but it's clear that chaos and confusion reign over the next few days. There is much to be done. Fortunately, your organizational abilities will serve you well. You don your general's hat, wield your clipboard like a sword, and get everybody doing your bidding. The move is completed in record time!
