## Jenkins

According to the Tennessee Highway Patrol shortly after 7am Thursday Sgt. Chris Jenkins was dispatched to a call of a ladder in the roadway on Interstate 75. The Sgt. conducted a rolling roadblock to slow traffic down until he reached the ladder. At the time he reached the ladder he stopped in his vehicle and other vehicles came to a stop and while attempting to remove the ladder a tractor trailer didn't

stop and crashed into the two other vehicles and then into Sgt. Jenkins vehicle and hit the Sgt. as well killing him.

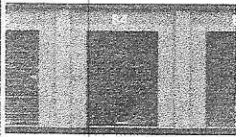

The ladder had apparently fell from another vehicle and had already been hit by other vehicles when the call to dispatch was made. THP is handling the investigation and a blood draw is being conducted on the truck driver. Authorities are also looking for the person who dropped the ladder from their vehicle. Sgt. Jenkins has served

the Sheriff's Department since 2002 and was one of the best K9 handlers in the country receiving numerous awards over the years and was even featured on TV news stations during his tenure. His son, Clay is a deputy with the department and the two had just made an arrest for drugs just days before.

*Editor: I have known Chris since he began and he has always been a friend and just an all around great guy. His work brought national attention to the k9 unit and he will be very sadly missed. I pray for the entire department because Chris was just a integral part of every day existence at the department and it just won't be the same. RIP Sgt. Chris Jenkins #904*

**Burglary**

William Jenkins, 46, Powell Avenue Sweetwater, was charged with Theft of Property, and Aggravated Burglary.

Deputy Eric Curtis LCSO, responded to Steekee Creek Rd in Loudon, TN for a past burglary. Upon arrival, Deputy made contact with the victim and complainant. He showed Deputy the interior of the home, which had been ransacked. There were muddy boot prints on the back door, but it remained intact. A window on the front porch had the screen pulled off of it. The basement garage door had the locking bar bent out of the way. The victim had a collection of three white Yi security cameras that were taken from the residence as well as a Mossberg 835 shotgun, a Hypertherm plasma cutter with commercial oxy-acetylene tanks, and a 50-inch television of unknown make with an accompanying

soundbar. The first 10 seconds of the video showed a blue early 2000's model Ford truck, four-door with an Eddie Bauer trim, enter the driveway slowly at 15:03 on 01/10/2022. Another 10-second video was recorded at 15:58 of the truck entering the driveway again, and an interior camera caught 10 seconds of a white male dressed in a hoodie and blue jeans forcing the garage door to the basement open and begin taking items from the floor. The victim did not recognize the vehicle or the male seen in the video and stated that he would have a more complete listing of the stolen items at a later time. Deputy contacted Lt. C Cosner 940 and informed him of the burglary. The Mossberg 835 was entered into NCIC on 01/11/2021 at approximately 2355, NIC: G035515508. After an investigation William Jenkins was charged. This did occur in Loudon County, TN.

supervised release.

According to documents filed in court and witness testimony, from November 2017 through February 2020, defendant transported child pornography in interstate commerce and possessed child pornography. Canady used social media websites to communicate with others to trade links of child pornography. Canady used multiple phones, 15 email addresses and 14 usernames to transport and collect the child pornography. In Canady's possession were found 640 images and 153 videos of child pornography, including sadistic depictions portraying infants and toddlers engaged in sexually explicit conduct. Canady had been paroled in June 2015 after serving approximately 12

years on a 40-year sentence for facilitation to commit felony murder and two counts of attempted aggravated robbery.

The criminal indictment was the result of an investigation by the Department of Homeland Security, Homeland Security Investigations, and Knoxville Police Department's Internet Crimes Against Children unit.

Assistant United States Attorney Jennifer Kolman represented the United States in court.

This case was brought as part of Project Safe Childhood (PSC), a nationwide initiative launched in May 2006, by the Department of Justice to combat the growing epidemic of child sexual exploitation and abuse. Led by the United States Attorney's Offices and the Criminal Division's Child

Exploitation and Obscenity Section, PSC marshals federal, state, and local resources to locate, apprehend, and prosecute individuals who sexually exploit children, and to identify and rescue victims.

## Horoscopes

style, and going about work the same way day after day. Before you know it, you feel like you're in a rut. The only way to get away from this is to make a decision to break free by doing something unique. Try a new haircut. Wear colors that are unusual for you. If the need is there, consider a new career. Pursue expansion.

Pisces 2/19-3/20

If your lifestyle is considerably different than that of others, resist feeling self-conscious about it today, Pisces. Try to remember that you chose the life you have for specific reasons. Even if you've come to a point where you're considering a change, there's no need to feel badly, ashamed, or embarrassed about where you are now. Everyone has to make his or her own way. If this conforms to the norm, that's fine. If it doesn't, that's fine, too.

Aries 3/21-4/19

An enhanced feeling of determination could motivate you today, Aries. Finish the things that aren't complete and make some plans for this evening. Don't hesitate to take on something that feels complicated or big. Chances are you'll be able to handle most anything and it will feel great when it's finished. Enjoy your day by making the most of opportunity.

Taurus 4/20-5/20

Feeling the effects of today's energies, Taurus? Take heart if this is the case, because the end of the tunnel isn't as far away as it seems. Do your best to take things one step at a time and see about making some plans for a little fun this evening. Get together with friends or take in a movie. Help yourself feel better by staying busy and focused and follow up with some recreation.

Before you know it, the aspect will pass and you'll be back to normal.

Gemini 5/21-6/20

Consider making some plans for a vacation or short getaway, Gemini. Looking forward to something fun can make even the toughest of days far easier to handle. You'll be amazed how much you can manage when there's an end in plain sight. Your entire attitude can lighten. So take the bull by the horns and create an incentive for yourself. Do something special to reward the hard work you do day after day.

Cancer 6/21-7/22

Don't judge someone if he or she has a different lifestyle than what you consider to be OK, Cancer. You probably lean toward the traditional, yet not everyone feels this way about relationships, working, or lifestyle. While it may seem impossible to understand and even frighten you, try not to be too harsh on those you deem odd. You'd be better off using that energy to keep your own life on track.

Leo 7/23-8/22

Friends seeking advice or a shoulder to cry on could be plentiful today, Leo. You're one of the best people to give them the support and care they need. Just be sure that you don't give so much to others that you don't have anything left for yourself. True friendship is about sharing and the exchange of problems and help. Running yourself down will leave you in a place where you aren't going to be much help to anyone.

Virgo 8/23-9/22

Getting through today shouldn't pose too big a problem for you, Virgo. You may feel a huge second wind that can give you the drive and determination to

see your chores and projects through. Make some plans for this evening, such as getting together with friends or taking in an event that really intrigues you. Until then, go about your tasks bit by bit. You'll get things finished before you know it.

Libra 9/23-10/22

Working within boundaries and restrictions could really get to you today, Libra. Yours is an independent spirit and your best achievements are often born of doing things your own way. Yet like it or not, we all have to follow guidelines and rules. Do your best to follow suit and finish what needs to be done. Afterward, you may find more freedom to act independently without consequences. Exercise patience and diligence as needed today.

Scorpio 10/23-11/21

Chances are that you'll feel upbeat and positive today, Scorpio. Consider sharing this energy with those around you who are feeling less than content. Your attitude can have a profound effect on friends, partners, spouses, and children. Even neighbors and extended family can

pick up on your spirit without you even realizing it. Share your optimism with everyone you can today. If you see someone hurt or angry, tell him or her that everything will eventually work out and to keep trying.

Sagittarius

11/22-12/21

Don't discount your ability to be extremely resourceful if you need to be, Sagittarius. If you don't have everything you need or all of the required information, take time to think. Who can you ask? What places can you access? Who might know where you can find what you need? Rather than panic because the pieces aren't all there, instead make a list of contacts and go for it. Trust in yourself.

Capricorn 12/22-01/19

Try not to let today's blues get you down, Capricorn. While it's true that some days can seem to drag on, the busier you are the faster time will pass. Get down to finishing any work still before you and then make plans for tonight. If there's a light at the end of the tunnel, not only will things seem to speed up but you'll feel better knowing it's coming.
