Former Kingston Elementary PTO Treasurer Misappropriated Money

An investigation by the Tennessee Comptroller's Office has determined that the former treasurer of the Kingston Elementary School Parent Teacher Organization (PTO) misappropriated PTO funds totaling at least \$19,363 between October 2014 and August 2018.

The former treasurer made multiple with-

drawals of cash from the PTO bank account. When questioned about the withdrawals, he said he did not have any documentation to support how he used the money. Therefore, investigators could not determine if the cash was used for the benefit of the PTO or for personal purposes.

Additionally, the

former treasurer used the PTO's debit card and checks to make \$46,976.48 in questionable disbursements. These disbursements were also not supported by itemized receipts, invoices, or other details.

Jon Wright, 49, Church Street Vonore, was charged with Mfg/Del/Sale or Poss. Of Meth, Poss. Of Drug Para., and Tampering/Fabricating with Evidence.

Deputy D Slemp LCSO, performed a traffic stop on a green Dodge Durango VIN# 1B4HS28Z8XF675417 for a failure to use a turn signal and driving without headlights. After the vehicle stopped, Deputy made contact with driver who stated he was on his way home and picked up his front seat passenger Jon Glen Wright (OFFENDER) to take him home. Both the driver and Wright exhibited nervous behavior, including rapid speech, shaking voices, and rapid breathing. The driver stated he had just recently purchased the vehicle and

had not registered it yet, as the displayed tag is registered to another vehicle. Deputy asked the driver if there was anything illegal in the vehicle and he stated there was not anything illegal. Deputy asked for consent to search his vehicle and he refused. The driver was informed a K9 officer and partner were present and would perform a K9 sniff inspection. The driver and Wright were removed from the vehicle. Backing officer K9 Dep J Johnson deployed his canine partner which indicated to the presence of narcotics at the front passenger door. Due to the indication, a search of the vehicle was performed. A baggie containing a white crystal-like substance was located in an open bag of candy located just below the dash assembly, forward of the center console. Additionally,

search of a blue duffel bag in the right rear passenger seat revealed a black case with used syringes, to which Wright admitted ownership. While moving Wright around to the suspect vehicle for further interview, he dropped to the ground a green class smoking pipe consistent with the use of illegal narcotics and stepped on it, breaking the bulb. Due to the totali-

ty of circumstances, Wright was placed under arrest. LT S Ezell 937 was advised and stated he would perform Tru-Narc test after the suspected Methamphetamine was submitted to evidence. The driver was released from the scene and Wright was transported to the Loudon County Justice Center without incident. Said did occur in Loudon County, TN.

treasurer sufficient time to provide supporting documentation; however, he was either unable or unwilling to provide this information.

The results of this investigation have been communicated to the Office of the District Attorney General of the 9th Judicial District.

“School support organizations in Tennessee are required by law to implement controls to safeguard funds and property,” said Comptroller Jason Mumpower. “In this case, the PTO failed to provide adequate oversight and accountability of PTO funds. At a minimum, the PTO should ensure all invoices for disbursements are obtained and kept on file.”

Horoscopes

your leadership hat and put it on proudly. Today is the day for you to call the shots, instead of compromising in order to get along with others.

Aries 3/21-4/19

Be prepared for all-out combat with people today, Aries, even though this is pretty much the opposite of your normal style. In fact, "opposite" is the name of the game for you today. Don't be surprised if you walk into an ice cream shop wanting vanilla and all they have is chocolate. Remember to not get upset by these types of situations over which you simply have no control.

Taurus 4/20-5/20

Control is apt to be a big theme for you and the people around you today, Taurus. You'll find such a brutal dispute over who is holding the reins that once someone finally gets a firm hold of them, he or she is apt to take the situation to the extreme. There's an aggressive tone to things that can't easily be ignored. Keep an eye on your associates on a day like this.

Gemini 5/21-6/20

In general, things should be going extremely well for you today, Gemini, so don't miss this opportunity to pursue your dreams in every sense of the word. Do things with passion and don't hold back. Remember that your mind and will are the only things stopping you from getting where you want to be. There's a great deal of magnetism at your disposal today, so enlist others to help you.

Cancer 6/21-7/22

You may feel anxious today, even more so than usual, Cancer. Your nerves may be quite jittery, and there's a feeling that you may not be

on exactly the right track. More than likely, what you need to do is simply calm down and relax. Let your brain slow down and think clearly without the distraction of many people telling you what to do.

Leo 7/23-8/22

Other people are the most important aspect of your day today, Leo. You'll find that things might get a bit difficult and unruly alone, but if you connect with others, even the most challenging task becomes almost effortless. One toothpick is easily broken, but 50 toothpicks together are as strong as steel. Conjure up this power created by a force of people who all share a common goal.

Virgo 8/23-9/22

Don't be a pushover today, Virgo. This is your time to lead. At least get your opinion out in the open and let it be known to the people around you. Put some passion in your day in order to liven things up and get the energy moving. A powerful transformation may take place within you as you start to wield your power instead of give it blindly away to others.

Libra 9/23-10/22

You have a great deal of power at your disposal today, Libra. You should keep in mind that just about anything you wish for will come true. Don't waste words or actions. Concentrate your energy and focus it on one or two important things instead of dispersing it and thereby diluting your overall power. There isn't anything to fear on a day like this.

Scorpio 10/23-11/21

Be careful of getting into fights today, Scorpio. However, if a squabble or altercation of some sort seems inev-

itable, don't shrink away and hide. It's important that you face the source of the attack and stand up to whomever or whatever is getting in your path. Conjure up the warrior inside you and you might surprise yourself with the incredible power you have within.

Sagittarius

11/22-12/21

Issues regarding freedom are apt to come up today in more ways than one, Sagittarius. These issues could be connected with opportunities for adventure and travel. Although you initially want to dive into this promised freedom, take time to reflect on what you need in your current situation before making any final decision. Don't forget the other people in your life and how such actions might affect them and your relationships.

Capricorn 12/22-01/19

You may feel anxious today, even more so than usual, Capricorn. Your nerves may be quite jittery, and there's a feeling that you may not be on exactly the right track. More than likely, what you need to do is simply calm down and relax. Let your brain slow down and think clearly without the distraction of many people telling you what to do.

Aquarius 1/20-2/18

Your energy will light up any room you enter today, Aquarius. Feel free to take advantage of this incredible magnetism by initiating and encouraging others to join you in creative activities and bold adventures. However, be careful that your head doesn't get too big. You can be proud without becoming egotistical; otherwise you'll end up losing your followers before you even get started.
