**Abuse**

Christopher White, 40, Highway 11 Lenoir City, was charged with Domestic Assault, and Child Abuse or Neglect/Endangerment.

Deputy Marty Stanley LCSO, spoke to Complainant over the telephone via Loudon County E-911. Complainant advised she was called to pick up her 15-year-old son from his father's house today because

her son had been in an altercation. According to complainant, her son/victim was in an altercation with his father, Christopher White, today between 3:30 and 4:00 PM at Highway 11, Lenoir City. During the altercation, victim received a knot on the left side of his head, scratches, and bruises all over and a torn-off toenail. Complainant advised the altercation occurred because Christopher accused victim of not wa-

tering flowers on the property properly. Christopher White has primary custody of the children. According to complainant, Christopher has been abusing both victim and his older brother, for the past two years. Christopher has purportedly forced complainant to perform sex acts on him when she is supposed to pick up the children on her scheduled days. If complainant does not perform the sex acts, Christopher has refused to release the children to her. Complaint was advised her options on seeking an or-

der of protection on behalf of the children and about seeking emergency custody. Complainant was also advised that a DCS referral was going to be done, referral number 1398631125. Complainant advised she will likely take her son to the doctor for his injuries tomorrow morning which were documented by photographs earlier this date. Detective Parton was notified of this incident. This happened in Loudon county, TN.

ing his life sentence. Additionally, he was ordered to pay restitution in the amount of \$5,890.10 to the family of the victim for funeral and related expenses.

According to court documents and evidence presented at trial, Williams sold heroin, fentanyl, and acetyl fentanyl to confidential informants on several occasions in 2018. The evidence further showed that Williams distributed drugs to a Kodak, Tennessee resident, which resulted in his death on Thanksgiving morning, November 22, 2018. Finally, the evidence showed that on March 27, 2019, agents seized quantities of heroin, fentanyl, and acetyl fentanyl, a firearm and ammunition, and over \$10,000 in cash from Williams.

United States Attorney Francis M. Hamilton III and Homeland Security Inves-

tigations Special Agent in Charge Jerry C. Templet Jr. made the announcement.

Law enforcement agencies participating in the joint investigation which led to the indictment and subsequent conviction of Williams include the Sevier County Sheriff's Office ("SCSO") and Homeland Security Investigations ("HSI") with the participation and assistance of the Sevier County Street Crimes Unit, the Tennessee Bureau of Investigation, and the U.S. Marshal's Service.

Assistant United States Attorneys Brent N. Jones and Anne-Marie Svolto represented the United States at trial.

This case was prosecuted as part of Operation Synthetic Opioid Surge (SOS), a Department of Justice program that seeks to reduce the supply of deadly synthetic opioids in high impact areas and to identify wholesale distribution networks and international and domestic suppliers.

**Happy**

Many have been asking about what happened to The Daily Edition and Dan Bell? The answer to this question is I suffered a major heart attack early in May and had to have a quadruple heart bypass as a result. The paper was still able to be published on limited basis once a week thanks to help from numerous friends. After the surgery the healing begins and I can just say it was the single most painful experience of my life. I wouldn't wish this on anyone at any time. Fortunately I am able to recover over time and be a new man and for that I am truly humble and grateful. I wanna thank so many people that helped me through all of this and are continuing the help me.

Dr. Steven Ball my new friend, literally saved my life. My sons Jonathan and Kristopher for doing all the extra work for me. Meagan and Robbie Harris for all your hard work. Ronnie and Donald McKinney for the awesome job y'all did. Mybff for life Ricki Braswell who drove 3000 miles to take care of me after I got outta the hospital and put up with all my hatefulness too. My nighttime nurse at Parkwest Hospital Chris K. You sir deserve an award for excellence! twas the best care I ever had in my life. The rest of the nurses on the 3rd floor at Parkwest were awesome as well going out of their way to find me grape popsicles. So many friends and advertisers I never imagined in my life I thank you for checking on me and supporting me. I am so grateful for this second chance and I thank each and every person who has ever bought or read this paper.
