An investigation by the Tennessee Comptroller's Office has resulted in the indictment of Lesley Chumley, a former bookkeeper in the Claiborne County Circuit Court Clerk's Office.

Investigators determined that Chumley misappropriated at least \$618,404 from the clerk's office between May 2015 and February 2022.

The clerk's office is responsible for collecting fines and other court costs assessed by the circuit, general sessions, and juvenile courts in Claiborne County.

Chumley failed to deposit collections that were remitted to her by other office staff. For example, in February 2022, Chumley manipulated bank deposits on at least four sepa-

rate days, withholding \$10,947 in cash for her personal use. Chumley acknowledged to investigators that she had been taking court collections and using the cash due to personal financial problems.

In an effort to conceal her actions, Chumley created false bank statements to see Clerk pg. 4

Jessica Long, 33, Chilowee Street Harriman, was charged with Simple Possession.

Officer Ketner LCPD, observed a male and female acting erratic at the gas pumps located at Loves truck stop. Officer observed the male driver operating the motor vehicle while not wearing a seatbelt and the vehicle did not have a registration. Officer stopped the vehicle and identified the driver as James C Hamock and the passenger

as Jessica Long. Mr. Hamock was still acting nervous. Officer asked him to remove the items in his pocket. He had a clear plastic container that had a folded up lottery ticket. The packaging of the lottery ticket is consistent with sale distribution of heroin. There was less than .5 grams of heroin located inside the lottery ticket. Verbal consent was given to search the vehicle. There was less than .5 grams of heroin located inside Ms. Long's purse with a red cut

straw (used to snort narcotics). Dispatched advised Officer that Mr. Hammocks license were revoked.

Both subjects were arrested and transported to the Loudon County Jail.

Clerk

make it appear that the bank account balances were higher than they were in reality. The investigation was initiated after auditors from the Comptroller's division of Local Government Audit identified these discrepancies.

Lesley Chumley voluntarily left the employment of the clerk's office on April 8, 2022. In June 2022, the Claiborne County Grand Jury indicted Chumley on one count of theft over \$250,000, one count of official misconduct, and one count of destruction of and tampering with government records.

"The former bookkeeper was responsible for maintaining accounting records, reconciling bank statements, and preparing deposits," said Comptroller Jason Mumpower. "These duties should be separated between multiple individuals to reduce the risk of fraud. The clerk's office must also discontinue its use of a signature stamp to affix the clerk's signature on checks."

Horoscopes

al. Use this as a time of release for yourself. By letting others open up the cold, hard truth to you, you have the opportunity to let out your own truth as well. Unexpected events are likely to come on the scene.

Leo 7/23-8/22

Don't be surprised if unexpected actions from others give your heart a jolt today, Leo. You could find that a strong force of erratic energy affects your emotions. It's working to stir things up quite a bit. Use your beliefs and morals as guideposts to help you navigate difficult waters. Stay true to yourself and don't let others make decisions for you. You have the power to make very significant breakthroughs.

Virgo 8/23-9/22

It's time to implement the plans you fostered as a result of internal processes over the past few days, Virgo. Hop in the driver's seat and take control. As you do, you may need to erect a bit of a mental barrier. People could be somewhat abrasive, and your sensitive nature is susceptible to harsh comments. Take things with a grain of salt. Remember that if people criticize you, it's because they love you.

Libra 9/23-10/22

Your mood should be quite good today, Libra. Generally, you'll find that people will react to your tendency to take the lead. Keep in mind that this also indicates that they'll probably be more likely to fight back. You may have the tendency to lean toward the bizarre and unconventional. The route to take to-

day is the one that fosters diversity and revolutionary thinking. Be a pioneer in every situation. Scorpio 10/23-11/21

Be a little braver than usual today, Scorpio. Take some risks and show others that you have the strength to accomplish anything. There is a lively, anxious feeling to the day that could make you restless. This energy is encouraging you to get up and get going. Initiate something rather than wait for someone else to take the lead. Don't be afraid to fail. You'll never succeed if you don't try.

Sagittarius 11/22-12/21

You may have the spark that wants to light things today, Sagittarius. Indeed, there's a fast-paced tendency to the day that is right up your ally. You should be able to accomplish quite a bit under the prevailing trends. Just make sure you're constructive with criticism and be careful that you aren't too abrasive toward the people you deal with. In other words, be nice.

Capricorn 12/22-01/19

Interaction with others may not be especially satisfying for you today, Capricorn. You could get the feeling that other people don't really care as much as you thought they did. Keep in mind that everyone is doing the best they can. Most people aren't as sensitive as you. They probably have no idea what sort of impact their words have on you. Give others the benefit of the doubt.

Aquarius 1/20-2/18

The clouds have finally lifted, and you should be able to see clearly again, Aquarius. The fire is burning red hot and you'll

find people likely to stick up for themselves more than usual. You should do the same. Arguments could be especially heated today, and interesting facts and revolutionary information will be passed from person to person. Make sure you have your facts straight before you open your mouth.

Pisces 2/19-3/20

Your slow and steady approach may need a sharp kick in the pants today, Pisces. Don't withhold your opinions. This is a time to get it all out on the table, despite the tension that it may cause. Strong forces are at work, so don't be surprised if things get a bit more heated than you're used to. The fact is that incredible breakthroughs can be made through disagreements among different types of people. Aries 3/21-4/19

Try to seek freedom and new experiences today, Aries. This is an important time for you to spread your wings and explore. Keep in mind that something or someone may be working to restrain you emotionally. An opposing force is promoting war while you insist on keeping things peaceful. Perhaps there's an important lesson you need to learn. Be more assertive in your actions, and don't let people walk all over you.

Taurus 4/20-5/20

If people insist on having things their own way, let them, Taurus. Fighting isn't going to do any good. This kind of reaction will only cause more tension between you and the other person involved. Approaching the situation with a hostile attitude will most likely result in a lose/lose situation. If arguments do occur, try not to take things personally. Try your hardest to stick with the facts.

Gemini 5/21-6/20

Suddenly you've found your energy again. Your engine is oiled up and ready to go, Gemini. Put yourself in high gear and don't let anything stand in your way. If disagreements with others arise, try to keep focused on the lessons that come from the situation instead of dwelling on the negative aspects. Take things to a higher level and don't be afraid to suggest radical change.
