FBI Director's London Visit Reinforces Commitment to U.K. Partnership

In London, FBI Director Wray and MI5 Director General McCallum Discussed Threat from China

FBI Director Christopher Wray and United Kingdom MI5 Director General Ken McCallum urged business leaders to be aware of the threat from the Chinese government and help the government agencies protect corporate secrets from theft by

China. "By volume, most of what is at risk from Chinese Communist Party aggression is not, so to speak, my stuff. It's yours," McCallum said. "The world-leading expertise, technology, research, and commercial advantage developed and held by people in this room, and others like you."

The Chinese government has a longstanding practice of hacking

and stealing proprietary information to try to get an economic advantage.

Wray also spoke about the China threat and emphasized the importance of partnerships to address it. This is the first time the two leaders have gathered to address a global threat with an audience of business and academic leaders.

Mr. Cooley into the wood line giving verbal commands. "Stop, Sheriff's Office." Deputy then made his way back to the tracks in an attempt to cut him off. Sgt. Pesterfield arrived on scene and a perimeter was formed around Mr. Cooley's last known location. Chief Hutchens responded to the scene and K9 Dante was deployed for a track. Deputy assisted Chief Hutchens, and

K9 Dante on the track. K9 Dante tracked Mr. Cooley to a large group of underbrush and Chief Hutchens gave verbal commands and deployed the K9. Mr. Cooley was heard inside the underbrush and Deputy and Chief Hutchens were able to locate him. K9 Dante apprehended Mr. Cooley and Deputy handcuffed him and took him into custody. Mr. Cooley was checked out by EMS at the scene and transported to Fort Loudoun Hos-

pital for further treatment for the dog-bite.

While transporting Mr. Cooley to the hospital, Mr. Cooley advised me of suicidal ideations he had been having. Jail staff was advised prior to transport. Mr. Cooley was cleared from the hospital and transported to the Loudon County Justice Center without incident.

FBI

"We're not just in the business of articulating problems, we're doing something about them, together with MI5, with the private sector itself, with other government partners," Wray said.

Wray encouraged the business leaders to partner with the FBI and MI5 so they can have the appropriate intelligence about this threat. The information can also help companies decide wheth-

er partnering with China is worth the risk of having proprietary information stolen. Companies must take the long view in making decisions about China, just as the FBI and MI5 are approaching the threat from a long-term perspective.

"Maintaining a technological edge may do more to increase a company's value than would partnering with a Chinese company to sell into that huge Chinese market, only to find the Chinese government and your 'partner' stealing and copying your innovation," Wray said.

Matthew Roe, Lakeland Estates Drive Lenoir City, was charged with Public Intoxication.

Deputy N. Crawford LCSO, was dispatched to the area of Highway 70 and Avalon Subdivision for a report of a domestic situation occurring there. Prior to our arrival dispatch advised Deputies that a gray PT Cruiser was sitting partially in the roadway and a male was inside the vehicle yelling at a female. Deputy was traveling on Highway 70 westbound when the a vehicle matching that description with a male and female occupant passed him going eastbound on Highway 70. When Deputy caught back up to the vehicle on Highway 70 a traffic stop was conducted. The vehicle was bearing Tennessee registration 881BBFK being displayed on a gray PT Cruiser. Deputy made contact with the (Driver/Witness). Deputy began explaining to the driver the reason for stop and asking if there had been any type of altercation between her and the male passenger in the car. While Deputy was speaking with her, Deputy D. Slemp was speaking to the (Passenger/Arrestee) Matthew B. Roe. Deputy could over hear Mr. Roe not complying with Deputy Slemp's orders to provide him with an identification. Mr. Roe's speech was slurred and his eyes were watery which is consistent with being under the influence of alcohol. When Mr. Roe was asked to step out of the vehicle for officer safety reasons he again did not comply with the first two attempts and was very argumentative with Deputies. When Mr. Roe stepped out of the vehicle he then was asked to stand at the front of his police cruiser with Deputy Slemp while Deputy continued his investigation with the driver. During this time Mr. Roe became even more verbally abusive toward Deputy Slemp and began making threatening remarks. Mr. Roe then attempted to intervene with Deputy investigation by attempting to walk up behind him while Deputy was speaking with the driver. It was at this time Mr. Roe was taken into custody due to his unwillingness to follow a lawful order and also continually causing posing a safety risk to himself and the general public at large due to his intoxicated state. The driver denied any allegations of an assault occurring between her and Mr. Roe and she was given a ride from the scene by Deputy Slemp home. Mr. Roe was transported to the Loudon County Jail without incident. All the above did occur in Loudon County, Tennessee.

Horoscopes

aren't saying anything that would be upsetting if they were standing right there. Gossip may be running rampant, but that's no excuse for you to contribute to it. Be aware that what you say has a strong impact on the people around you and is likely to reach many more ears than you may think.

Leo 7/23-8/22

It's important for you to take action on a day like today, Leo. Trust yourself and your instincts. Oftentimes you'll have the perfect advice for every situation and every other person except yourself. Remember that you might have to consult others in order to find the best counsel for yourself. Talk things out and take definitive action. Hesitation causes delay. You have all the facts you need.

Virgo 8/23-9/22

You might find yourself a bit unfocused and confused about which way to go, Virgo. The baffled look on your face isn't helping anyone else figure out how to help you. Don't feel obliged to remain in an unhealthy situation. It may be time to let go and break some ties to things that no longer work for you. Feel good about extricating yourself from old habits that no longer serve you.

Libra 9/23-10/22

It's important for you to get outside and feel the wind blowing, Libra. Reconnect with nature and be aware of the four elements. Take deep breaths and fill your lungs with this energizing life force. Imagine yourself on a mountaintop looking over a vast ocean below. Expand your

awareness so that nothing escapes your attention. Keep your head clear of clutter and be open to new adventures.

Scorpio 10/23-11/21

Make practical use of the thoughts you have synthesized over the last few days, Scorpio. Stretch your boundaries and extend your wisdom to the people around you. This is a day to take action. Connect with your heart and move forward with your plans. We normally think of our hearts as being soft, tender, and vulnerable. Today think of your heart as being tough, strong, and adventurous.

Sagittarius

11/22-12/21

This is an important day for you to make valuable connections with others, Sagittarius. You'll find yourself engaged in fast-paced, witty conversations and debates from which you can learn a great deal. You're good at seeing both sides of an issue, but the problem is that this can lead to indecisiveness and an inability to commit to anything. Choose a path today and stick to it.

Capricorn 12/22-01/19

It could be hard for you to get a handle on things today, Capricorn, as your focus seems to jump from one subject to the next without finding resolution for any. This isn't a day to find solutions. You're better off researching, asking questions, and gathering facts. Keep the channels of communication open, and don't try to pin anyone down for a solid answer. You'll accomplish a great deal by keeping things active and light.

Aquarius 1/20-2/18

You might come across strong

opposition today from someone who seems to want to cut straight through to your heart, Aquarius. In reality, this is a message reminding you to think about things in terms of the collective - the oneness of us all. Be aware of a greater perspective in which you see more than just your side of the issue. Talk to people you trust before making any major decisions.

Pisces 2/19-3/20

Act on your instincts today, Pisces, and you won't go wrong. You may need to give up a bit of control and put logical thinking aside for the day. Let the wind take you where it wants you to go. Explore your mind and its interactions with others. You'll find that it will be just about impossible to solidify any plans. You're better off exploring options and comparing notes with others. Don't pigeonhole yourself into one way of thinking.

Aries 3/21-4/19

Today you'll find that you're the missing puzzle piece that people need in every situation, Aries. Engage in light conversation in social arenas and feel free to turn your charm up full blast. You have the ability to make favorable impressions on just about everyone, so get the day off on the right foot. Get out of bed earlier than normal and get your blood pumping with a brisk walk or workout.

Taurus 4/20-5/20

You may find that people want to do a great deal of talking but not a great deal of feeling today, Taurus. Go ahead and put your emotions on the back burner and let your mind take over. Deal with facts and make sure your emotions don't interfere with the information you receive. Things can get clouded if you don't stay true to the communication that's taking place. Be conscious of your words.

Gemini 5/21-6/20

You should be able to evaluate your emotions from a very neutral, detached perspective today, Gemini. Use this opportunity to take action based on what you feel. Make sure your actions aren't reactionary and that you aren't simply acting rashly in response to someone else's hasty maneuvers. Think before you make any sudden moves. You'll be amazed at what incredible things can develop if you simply use your head a bit first.
