Former Hardin County Road Superintendent Indicted on Two Counts

Chelsea Ray

see Damage pg. 4

An investigation by the Tennessee Comptroller's Office has resulted in the indictment of Steven Cromwell, the former Hardin County Road Superintendent.

Comptroller investigators revealed that Cromwell used \$20,750 of department funds to pave a driveway on private property. Cromwell made

an agreement with the private property owner to pave the driveway in exchange for .53 acres of land needed to build a county bridge.

Investigators searched Hardin County land records and were unable to find any legal instrument showing conveyance of the necessary interest in the land; therefore, the county bridge was im-

properly constructed on private property.

Based on state property records, the .53 acres in question were valued at \$1,749. By paving the landowner's driveway, the Hardin County Highway Department effectively overpaid approximately \$19,001

To the residents of Loudon County.

My name is Amy Langley and I would be honored to have your "Write In" Vote to be your next Loudon County Clerk.

I announced my candidacy last year in May, worked 10 long months to earn your vote and support only to be "challenged" and removed by the State GOP Republican Party. I was wrongfully removed and it was clearly dirty and back door politics. This process secured the Clerk seat for my opponent.

I didn't quit. I am continuing this Election campaign. I am taking a stand for myself, family, friends and every single resident in Loudon County.

I have worked for Loudon County Government for over 17 years. I currently serve as Senior Accounts Payable and Grant Administrator. My years of experience in the Loudon County Government has given me extensive knowledge of local government rules, processes, internal controls and procedures. I have vast experience in County Finances and Local Government Audits. My experience will sustain the integrity of our local government.

I am seeking this office with a true commitment and passion to serve the people of Loudon County. My strong work ethic, dedication, and love for this County will be evident every day as Loudon County Clerk.

With the continued County growth, one goal is to expand and offer services at an additional full time location. This would eliminate the overcrowding and long lines at the current location. Another goal is to provide friendly and efficient services to all residents. My commitment is to work hard and listen to your concerns.

My name will NOT appear on the ballot.

As a "Write In" candidate, voters have the option to click on the Write In under the Clerk tab and type in a name. All "write in" votes will COUNT!

Horoscopes

anything you've done. It's the planetary energy. If you can go someplace private and shut the door, do it. If someone tries to pick a fight, don't rise to the bait. Tomorrow the air will clear and good spirits will reign again.

Virgo 8/23-9/22

This isn't the most cheerful time, Virgo, because important issues are rearing their heads again and forcing you to address them. You'd rather not, but you can't wish them away. The time has come to deal with them once and for all. It's especially important that you make an effort to make your home life more positive and upbeat. Your loved ones look to you to set the tone.

Libra 9/23-10/22

Don't try to force anything or anyone right now, Libra. You'll find that today's elements are just as stubborn as you are. Today's planetary configurations will force you to finally start to turn your dreams into reality, whether you want to or not. Face it - you've been planning for a long time without making much concrete progress. All that is about to change.

Scorpio 10/23-11/21

You're incredibly productive, with good business sense, Scorpio. However, lately you may have felt dissatisfied with where you are in life. As you look around, you might wish you had more possessions to show for all your hard work. Don't pursue this line of thought. Real value comes from relationships and the pride you get from doing a job well. A new car or fancy

clothes may lift your spirits, but it's superficial.

Sagittarius

11/22-12/21

You have a keen analytical mind that has served you well in business. Alas, Sagittarius, this characteristic doesn't always serve you well in your personal life. It's likely that someone close has bristled from your lack of empathy. Take time to reflect upon the events of the past few weeks. Did you inadvertently send a wrong message? Correct any unintentional slights. A simple "I'm sorry," will do wonders.

Capricorn 12/22-01/19

This is the beginning of an exciting period in your love life, Capricorn. Your relationship with a significant other may have been in a rut lately, but that's about to change. Both of you are ready for something big. Perhaps a move is in store or you could both decide commit to one another more permanently. Follow your instincts, because they'll lead you where you're meant to go.

Aquarius 1/20-2/18

You have a passionate nature, Aquarius. Sometimes it's difficult for you when other people don't share your exuberance. This is a good time to tone things down a notch. There's some tension in the air, and your enthusiasm only serves to annoy rather than charm, as it usually does. Don't pout. It's only temporary. Tomorrow you'll be the center of attention again and bestowing hugs and kisses to all.

Pisces 2/19-3/20

This is going to be a rather in-

tense day, Pisces. On the positive side, you'll accomplish a lot. On the less positive side, you may be exhausted by the end of the day. You're advised to try and pace yourself. Remain focused on what's truly important rather than let yourself get caught up in trivia. Keep the big picture in mind and the little things will take care of themselves.

Aries 3/21-4/19

Today it's important that you make your own decisions and stick with them, Aries. Much as you prefer to depend on others, your judgment really is best. You'll be paralyzed if you think only of how others will react to your decisions. You do know what is best, and everyone will benefit when you act on your beliefs. This is no time to be wishy-washy. Just do it.

Taurus 4/20-5/20

You're a dreamer, Taurus. Everyone loves you for it, but today the planetary aspects urge practicality. There are personal issues to resolve, and it does no good to have your head in the clouds. This is a time to focus on loved ones. Perhaps your partner or your children feel neglected. Do whatever is necessary to let your family know you're available and eager to give them what they need.

Gemini 5/21-6/20

Much has happened recently, Gemini. Have you allowed enough time to process it? It's likely that big changes are brewing at home or work. Stay focused on the job at hand rather than fret about events over which you have no control. You may feel as if you're on a roller-coaster ride, but everything will settle down in a few days. Blink to adjust your eyes to the strange new light.

Cancer 6/21-7/22

You've made progress these past few weeks, especially where your temper is concerned, Cancer. It has taken some effort, but it does seem that you can overcome your tendency to speak before thinking. Don't lose the ground you've gained. There's one person whose mission seems to be to make you explode. Don't let him or her rankle you. Take a deep breath and rise above it.

to acquire the land needed for bridge construction. Moreover, the department was eligible to receive a 100% state reimbursement if it had properly purchased the land.

Additionally, Comptroller investigators determined that Cromwell falsified invoices to purchase a truck for \$15,170. The purchase transaction was split into separate invoices in order to avoid bidding requirements that apply to any purchase over \$10,000. Cromwell instructed a department employee to misclassify some of the truck expenditures as "hauling" costs.

Steven Cromwell resigned from his position as road superintendent on September 30, 2021. Based upon this investigation, in July 2022, the Hardin County Grand Jury indicted Steven Cromwell on one count of forgery, and one count of destruction of and tampering with governmental records.

"The Hardin County Road Commission must ensure it's reviewing itemized invoice information when approving the highway department's monthly expenditures," said Comptroller Mumpower. "By improving its oversight, the commission can help detect improper activity."
