Former Church Hill Court Clerk Stole Cash from the City

Mayor also investigated for improper use of city personnel and assets

An investigation by the Tennessee Comptroller's Office has resulted in the indictment of Stacy Mayes, the former court clerk for the City of Church Hill in Hawkins County.

The investigation determined that Mayes stole at least \$2,941 in cash collections

from the city in 2021. In most instances, she concealed her misappropriation by using the same official receipt for multiple transactions. The receipts in her receipt book included a white copy as well as yellow and/or pink carbon copies. Mayes' scheme involved using the white copy for one transaction and then using the various copies as receipts for different transactions.

For example, Mayes issued receipt #101954 for two collections: a \$3.00 cash copy fee which was deposited into a city bank account (pink copy), and a \$150.00 cash traffic citation fee which was misappropriated by Mayes and used for her personal benefit (white copy).

DUI

Dacota Napolitano, 34, Hines Valley Road Lenoir City, was charged with, DUI, Financial Responsibility Law, Resisting Arrest, Violation of Implied Consent, and Leaving the Scene of Accident.

Deputy Bengel LCSO, responded to Shaw Ferry Rd in reference to a vehicle accident. Before Deputy got in the area, Deputy Billy Pickle LCSO, made contact with the Offender, Dacota Napolitano, on Turman Dr just off Shaw Ferry Rd. Dacota began acting abnormal and took off in a Ford truck while Deputy Pickle spoke to him. A short time later Deputy located the Ford parked outside Turman Drive with visible red transfer paint and deep gouges in both passenger side doors. Deputy walked up to Ford, which was still running, and could immediately smell a strong odor of raw Marijuana emitting from the Ford. Dacota walked out of the house when Deputy approached

and was belligerent. Dacota was all over the place with his version of the events that took place. Dacota was detained while Deputy gathered information regarding the accident. Deputy Parks arrived to assist and while continuing to speak to Dacota he became increasingly more upset and confrontational. Dacota refused to get into the backseat of Deputy patrol vehicle and Deputy had to force him inside. Dacota was advised he was under arrest for Leaving the Scene of an Accident. Deputy was never able to locate valid insurance on the Ford. Dacota began making statements that he was having chest pains and had a hard time breathing. Deputy called for EMS to check on Dacota. Sgt Smith arrived to assist and a short time later EMS arrived and cleared Dacota. Deputy transported Dacota to the Loudon County Jail where he consented to SFST. Dacota performed poorly. Deputy read the TN Implied Consent Advisement which Dacota

originally consented to. Deputy transported Dacota to the ER and once inside, Dacota became disorderly, began causing a scene, and started becoming aggressive with the security officer while Deputy filled out paperwork. Due to the circumstances, Deputy escorted Dacota back to his patrol car. While walking the short distance from the ER entrance bay to his patrol car,

Dacota resisted and prevented Deputy from putting him in my patrol car. After a short struggle, Deputy secured Dacota inside and escorted him back to the Loudon County Jail. Dacota is being charged with Leaving the Scene of an Accident with Property Damage, DUI, Resisting Arrest, Implied Consent, and Financial Responsibility.

Charged

Joey Ferrell, 34, Highway 95 Lenoir City, was charged with DUI.

Deputy Billy Lewis LCSO, was dispatched to a reckless driver Highway 321. Deputy observed the vehicle a Silver Nissan Titan with Tennessee Registration BGQ33-48 traveling in the middle of Highway 321 towards Blount County with a 4 year old child in the right rear child's seat. Deputy then observed the vehicle travel onto the right shoulder back across highway 321 into the median almost striking the cable barrier. Upon stopping the vehicle the driver Mr. Joey Ferrell stated that he was going to jail because he was drunk. Joey stated that he had consumed four to five Bootlegger beers which contained 10% Alcohol. Joey consented to Tennessee Implied consent but refused Field Sobriety. The child was returned to his custodial guardian. The guardian advised that Joey was not intoxicated when he picked up his son. Joey advised that he just got released from Jail on 8-21-2022 for DUI. Deputy took Mr. Joey Ferrell into custody for DUI and transported him to the Loudon County Jail Without incident. This did occur in Loudon County Tennessee.

Church Hill

bered receipt books were also missing, which created a high risk that additional collections were misappropriated.

Investigators also discovered \$192 was missing from the court clerk's office in city hall; however, because multiple people had access to the cash, investigators could not determine who was responsible for the missing money.

Stacy Mayes left the employment of the court clerk's

office in November 2021. Based upon this investigation, in August 2022, the Hawkins County Grand Jury indicted her on one count of theft over \$2,500.

The investigative report also notes the Church Hill mayor misused city personnel and assets. For example, the mayor and employees used city equipment, the maintenance shop, and city time to work on the mayor's personal vehicles. The mayor also used the city's chainsaw and pressure washer, and he obtained weed killer from the city for his personal use.

"This investigative report includes a number of operational, purchasing, and payroll deficiencies," said Comptroller Jason Mumpower. "The city must take steps to ensure it is retaining adequate documentation for purchases, securing cash, and providing the necessary oversight to ensure policies are followed and city property is safeguarded."

Horoscopes

they are. This doesn't mean that you need to act in exactly the same manner. Stick to your routine and don't get thrown off track by the aggressive warrior in others.

Libra 9/23-10/22

Some action you took yesterday may be opposed today, Libra. Unclear facts and romantic fantasies could get in the way of your taking decisive action. You may feel the need to act anyway. Keep in mind that communication could be tainted by pockets of uncertainty. Try not to rock the boat. Today's energy is a delicate balance between war and peace.

Scorpio 10/23-11/21

If you find yourself in a slump today, Scorpio, don't worry. It could be that nothing fits right or that a certain nervous, restless energy urges you to take action, but uncertainty prevents you from knowing which way to turn. This combination could result in a locked-up feeling that keeps you incapable of any movement at all.

Sagittarius

11/22-12/21

Use the day's boisterous energy to take charge and make things happen, Sagittarius. You'll find that actions you take today resonate in the coming days. Don't worry about the consequences. Simply go for the gusto. Strong forces are at work encouraging you to seek freedom in your creative endeavors and giving you more room to explore your inner sanctuary that you hold so dearly.

Capricorn 12/22-01/19

There's apt to be powerful aggression today that may leave you feeling like you want to declare war on everyone, Capricorn. You may

get the feeling that everyone else is completely nuts and you're the only one who really knows what's going on. Beware of misinformed people and false information. Fights could erupt over facts that seem true at first but are just someone's misguided dreams.

Aquarius 1/20-2/18

You may run into some tension today as fantasy gets in the way of your plan of attack, Aquarius. Keep in mind that things are moving rapidly these days, and the slightest movement is magnified. Don't try to undo things that can't be undone. Accept your mistakes and move on. There's a whole world for you to explore and conquer, so try not to get trapped in your own little box.

Pisces 2/19-3/20

You may run into a great deal of frustration if you try to fight the current circumstances, Pisces. The key is to take whatever situation you're in and make the best of it. Whining and moping about your position won't make things better. You have great gifts to be proud of and thankful for, so don't throw them away by thinking that they have no outlet. Create your own reality.

Aries 3/21-4/19

Keeping things in balance today might be tricky, Aries, since your instincts may gravitate toward a loving, fanciful, peaceful situation. There's a harsh, warring force working against this position. Beware of this powerful energy that's self-centered and courageous. Stick with the things you know and don't stoop to another's level if it doesn't sit right with you.

Taurus 4/20-5/20

Things may be tough and aggressive today, Taurus, but that doesn't

mean you can't make progress. There's a nervous energy in the air spurring people to action. Keep in mind that you're likely to get caught up in the frenzy and be called to take a stand. Be careful that your viewpoint doesn't become fixed and stubborn. You can learn some valuable lessons by listening to others.

Gemini 5/21-6/20

Make sure that the battle you fight today is yours, Gemini. There's a great deal of tension in the air that might erupt when you least expect it. It may behoove you to stay detached from the war that's apt to ensue. Keep things light and try not to take things too seriously. Your philosophical viewpoint and strong spirit are the very combination needed to resolve the situation.

Cancer 6/21-7/22

Wake up on the right side of bed, Cancer. This will set the tone for the rest of the day. Keep things positive and you'll find that the aggressive energies of the day work for instead of against you. Don't try to fight people who are so obstinate that they refuse to see another perspective. At the same time, make sure you stay open to other people's points of view.

Leo 7/23-8/22

You may feel a strong connection with your fanciful, romantic side today, Leo. Dreams and illusions are apt to enter the scene and take you into the clouds. Be careful, because you might find that a strong aggressive force opposes these dreams. Your wit and connection with new technology and electrical gadgets will be your greatest assets on a day like today.
