## Madison County Commissioner Charged Fees to Perform Marriages

see OD pg. 4

A new investigative report by the Tennessee Comptroller's Office, working in conjunction with the Tennessee Bureau of Investigation, has been released and focuses on a county commissioner in Madison County.

The county commissioner violated state law by charging a \$50-\$60 fee to officiate marriage ceremonies in Madison County.

Investigators determined that he charged and collected an estimated \$115,220 in unlawful fees to officiate at least 1,970 marriages between January 2015 and July 2021.

County commissioners are authorized by state law to solemnize marriages and they may accept gratuities for performing wedding ceremonies (Tenn. Code Ann. § 36-3-301(c)); however, they

may not charge a fee or demand any other form of compensation (Tenn. Code Ann. § 8-21-101 and Op. Tenn. Att'y Gen. 11-18).

Investigators learned that the commissioner would often send a text message to individuals prior to performing their ceremony. The commis-

### Verse of the Day

Everyone who does evil hates the light, and will not come into the light for fear that his deeds will be exposed. But whoever lives by the truth comes into the light, so that it may be seen plainly that what he has done has been

**DUI**

Erick Enamorado Santos, 22, 27th Avenue Florida, was charged with DUI, Simple Possession, and Driving on Revoked/Suspended License.

Deputy Kenny Redmond LCSO, was dispatched to the area of I75 northbound near the 69 mile marker on the report of a reckless driver. The caller advised that there was a dark colored truck hauling a U-Haul trailer that was all over the roadway. The caller also advised that the vehicle nearly struck a semi truck and the barrier on the river bridge and was "straddling" the center line. Cpl. Brandon Dishner, located the vehicle near the 77 mile marker and conducted a traffic stop. Deputy arrived on scene with Cpl. Dishner. Dispatch advised that the driver of the vehicle, Erick Josue Enamorado Santos (offender) had an ID out Florida and his license was suspended for failure to pay fines and failure to appear in 2018. Enamorado Santos advised that he had left his hotel in Georgia 30 min prior at 0500hrs. Enamorado Santos was taken into custody for Driving on Suspended License.

When asked if there was anything illegal in the vehicle, Enamorado Santos stated, "My job is stressful and drives me to drugs. There is some weed in there." While performing an inventory of the vehicle, there was 9.5 grams of suspected marijuana located in the vehicle, along with 0.2 grams of suspected powder cocaine, a 5 gallon plastic bucket full of ice and glass bottle Modelo

beer, and an open container of Modelo beer in a glass bottle that was still cold. Enamorado Santos was then transported to the Loudon County Jail to perform Standard Field Sobriety Tests (SFSTs) in a safe location.

Deputy Christina Wallen, arrived at the jail to assist with the SFSTs. Enamorado Santos performed poorly on the SFSTs and was charged with Driving Under the Influence. Enamorado Santos was read the implied consent form and consented to a blood draw. Enamorado Santos was then transported to Fort Loudon Medical Center for the blood draw, and the blood draw was conducted. Enamorado Santos was then transported back to the Loudon County Jail without incident.

Deputy Christina Wallen LCSO, arrived at the Loudon County Jail sally port to assist Deputy Kenny Redmond with Standard Field Sobriety Tests (SFSTs). Erick Josue Enamorado Santos (offender) was read his Miranda rights and asked to submit to SFSTs. Enamorado Santos agreed to perform the SFSTs. During the HGN, lack of smooth pursuit was observed in both eyes. There was a distinct and sustained nystagmus at maximum deviation in both eyes, and there was an onset of nystagmus prior to 45 degrees observed in both eyes. Vertical nystagmus was also observed in both eyes. During the walk and turn, Enamorado Santos was unable to remain in the starting position.

During the first 9 steps, Enamorado Santos missed heel to toe on 8 out of 9 steps and

stepped off the line. Enamorado Santos did perform a proper turn, but missed heel to toe on all 9 return steps and stepped off the line.

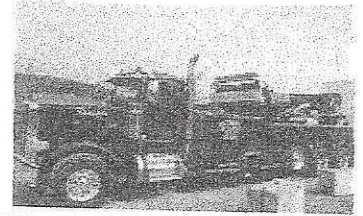

During the on leg stand, Enamorado Santos swayed, used his arms for balance, put his foot down, did not keep his leg straight, and did not complete the test. During the lack of convergence test, lack of convergence was ob-

served in both eyes. During the modified Romberg, Enamorado Santos reached 18 seconds and swaying was observed.

During the finger to nose test, Enamorado Santos did not touch the tip of his finger to his nose, but did touch the pad of his finger to the bridge of his nose, his nostrils, and his cheek.

Officer R. Miller LCPD, responded to a call of service in regards to a possible overdose at Highway 321 North Room 214 (Econo Lodge) in Lenoir City, TN. On scene Officer was met by the complainant, Sean White. WHITE was able to guide him to room 214 where Officer located a white female on the floor in between both beds of the hotel room. The female appeared to be unresponsive and had a blue and white discoloration to her face and limbs where she was pronounced deceased shortly after by medical personnel. While tending to the female who was unresponsive, Officer observed WHITE grab a black fanny pack from a shelf and attach it to his hip and exit the room in attempts to hide possible evidence. During the investigation, central dispatch, notified officers on scene that, WHITE, had active warrants for his ar-

rest out of both Knox County, TN and Blount County, TN. WHITE was then immediately placed under arrest. A search of WHITE'S person revealed (2.97 Grams) of a pink powdered substance that tested positive for a Fentanyl/Methamphetamine Compound, (0.95 Grams) of a crystal-like substance that tested positive for Methamphetamine along with a small bag containing a white powdery residue. The Fentanyl, Methamphetamine and bag containing the white powdery residue where all located in WHITE'S sock that he had on his left foot. A search of the small black fanny-pack that WHITE placed around his waist and exited the room with it, while Officer was tending with the unresponsive female revealed, (1) black digital scale, (1) glass pipe with a charred bottom commonly associated with smoking methamphetamine with, several unused "dime bags" which are commonly used for packaging narcotics for resale and (8) white pills labeled - SC 20 which identify as Sildenafil Citrate

- not a controlled substance. WHITE also notified officers that he had a backpack that was located near the stairwell on the other side of the hotel. Officer was able to quickly locate the backpack where WHITE then gave verbal consent to search it. Located inside of the backpack was a white powdery substance that WHITE stated was benefiber which is commonly associated with cutting certain

types of narcotics with. A marijuana blunt was located behind WHITE'S right ear during the investigation and also recovered inside of the room was (15.23 Grams) of a green leafy substance believed to be marijuana. Both the Fentanyl/Methamphetamine compound and Methamphetamine were tested using a TRU NARC laser drug analyzer.

sioner's text message made reference to "my gratuity," and it set a \$60 cash price for the service. By setting a fixed price, he was clearly charging and requiring payment of a fee rather than accepting a gratuity in an unknown or undetermined amount.

The results of this investigation have been communicated with the Office of the District Attorney General of the 26th Judicial District.

Investigators also raised concerns about the Madison County Clerk's Office which directed and referred the majority of marriage ceremonies to the county commissioner. Not only

did deputy clerks show their preference in recommending the commissioner, but in some cases, they would schedule appointments and collect money on his behalf.

"The Madison County Clerk must ensure his staff remain impartial when sharing a list of potential marriage officiants with members of the public," said Comptroller Jason Mumpower. "I'm hopeful this investigation also serves to remind public officials about the state law prohibiting them from charging a fee for a public service unless it is expressly allowed by statute."

## Horoscopes

ticularly concerning your career. While you've made a lot of progress in recent months, you'd like to see even more forward movement. This would be a great day to start thinking of concrete ways to make that happen, Libra. Why not have a family brainstorming session? It's likely to yield some great advice.

**Scorpio 10/23-11/21**

Today's planetary energies are stimulating your ambition, Scorpio. Issues connected with your professional life may be very much on your mind. You could plot out ways to further your career. Perhaps you seek a promotion in your current business, or you could be thinking about looking for another job entirely. This is the ideal time to put specific plans into place for the future.

**Sagittarius**

**11/22-12/21**

You've been so busy these past few weeks that you may have inadvertently neglected the special person in your life, Sagittarius. It's been fun to be out and about together, but that has left little time for closeness and snuggling. Try to rectify that today. In fact, a midafternoon nap might be called for. Why not invite your honey to join you?

**Capricorn 12/22-01/19**

It's possible that a big change is in store for you in the near future, Capricorn. It may be that you've come to realize that your current home and neighborhood are no longer a good fit. If you've been toying with the idea of moving, today you may

get some news that motivates you to make your fantasy a reality. This is a good day to peruse the real estate listings. You might be pleasantly surprised by what you find.

**Aquarius 1/20-2/18**

Perhaps you spent quite a bit of money lately and you're holding your breath waiting for the bills to roll in. Some quick reckoning of receipts today likely yields some wonderful news. Wonder of wonders, it appears you've stayed within your budget, Aquarius! Try not to overreact to the news that you have more money than you thought. Give your wallet and checkbook some time off.

**Pisces 2/19-3/20**

This is a good day to reflect on the past weeks and get some perspective, Pisces. You've probably been working too hard and neglecting other priorities in your life. Give yourself this day to relax and talk with friends and relatives. Spend the day chatting, laughing, and unwinding. Don't obsess about tasks that wait for you at the office. They aren't going anywhere.

**Aries 3/21-4/19**

Don't plunge headfirst into work mode, Aries. The cleaning and tidying up can surely wait for another day. Today's energies indicate that talking with friends and family should be your main priority. Consider spending the afternoon doing activities with your kids. Hire a babysitter for the evening. It would do you good to go out with your partner - just the two of you - if possible.

**Taurus 4/20-5/20**

It's likely that your thoughts

are completely turned to work. Much as you should devote your time off to family, you can't help the way you're wired, Taurus. When at home, you may sneak away to check your email. Perhaps you secretly phone your business partner. Your family rolls their eyes, but generally understands and forgives your crazy behavior. Be sure to turn on the extra charm, just in case!

**Gemini 5/21-6/20**

This is a good day for financial matters, Gemini. With your credit cards maxed out, you may be thinking that your bank account isn't as healthy as it could be. But today you're likely to receive some news that indicates otherwise. You may get a windfall or discover that your portfolio is generating healthy returns. It's a good day for paperwork.

**Cancer 6/21-7/22**

You could be feeling quite lazy today, Cancer, and you definitely deserve to feel this way! You deserve some time off after all of the activities of the past week. Give yourself the gift of a true day off. Do only what you want,

whether it's watching movies or spending the afternoon soaking in the tub. Total indulgence. Just relax and unwind.

**Leo 7/23-8/22**

You think of yourself as a practical person, Leo, but today your thoughts may turn to the mystical and spiritual. Your intuition is strong now, letting you tune in to the feelings of your loved ones. This allows you to be empathetic and understanding, which your partner especially appreciates. Your intuition may inspire you to approach a problem in a new way. Let your mind wander and see what develops.

**Virgo 8/23-9/22**

You will probably encounter a bit of opposition along with today's planetary energies, Virgo. Even those who are usually right behind you will seem uncooperative. Try not to let this faze you too much. Resolve to follow your own instincts and work alone if need be. Once you've had a chance to advance your ideas further along on your own, you can present them again.
