## Dickson County Schools Director Received Unauthorized Pay

The annual audit of Dickson County government by the Tennessee Comptroller's Office includes five findings that outline issues of noncompliance and lack of internal controls within the government.

Three of the report's findings are related to Dickson County Schools. Notably, the Director of Schools was paid

\$13,700 from federal grant money. This additional compensation was not part of his contractual agreement with the board of education, and it was not properly approved by the board of education during the fiscal year.

The school department also failed to ensure its funds on deposit at the bank were adequately collateralized to ensure depos-

its exceeding FDIC coverage were secured against potential loss.

Additionally, expenditures exceeded appropriations approved by the county commission in the school department's Central Cafeteria Fund by \$110,884.

Auditors also reported a cash shortage of \$1,945.02 in the Office

Upon making contact, Deputy identified the driver as William Hess and the front-seat passenger as Rochelle Corely. Hess stated he did not have a valid license and did not possess his hard copy. Deputy had Hess exit the vehicle and come back to the front passenger seat of his patrol vehicle while he asked further questions and wrote multiple citations. While speaking with Hess, Deputy asked if either he or the passenger had been arrested at which point he stated Corely had a previous drug-related charge. When Hess was asked if a K9 would alert to the odor of narcotics on his vehicle he stated there were people using his car that use methamphetamine and he uses it as well with the

of Solid Waste. The landfill director noticed a missing deposit on the monthly bank statement; however, the director did not have a receipt and the bank did not have a record of the money being deposited.

The fifth finding is related to the Office of County Clerk which failed to properly secure a deposit totaling \$3,115.88. The money was left unsecured in a separate room in the office. Investigators determined that inmates assigned to help move items in the office had stolen the funds. The entire amount was recovered and deposited into the bank.

"We believe Dickson County should consider adopting a central system of accounting, budgeting, and purchasing," said Comptroller Jason Mumpower. "This would bring the school department's budget and finance function into a central office with the county and highway department's finance operations. A centralized office can significantly improve accountability and the quality of services provided to citizens."

most recent use being the day prior. Deputy asked if there was to be anything illegal in the vehicle and where would it be located and he stated "I assume the back seat". Hess then stated a small amount of meth was lost in the vehicle and there was a black bag in the vehicle and described the contents of one of the pockets. Narcotics investigator C. Jenkins as well as Deputy Branson arrived on the scene to assist with a probable cause search of the vehicle. During the search, Deputy located a small Adidas bag behind the center console in the back seat area of the vehicle. In the pocket with the contents that Hess described were two small black cases. One contained two small baggies with approximately 4.9g of meth and 0.4g of fentanyl and the other contained approximately 6.0g of meth. Another small camouflage container was located in the same pocket with approximately 0.6g of meth as well. In another pocket of the bag, Deputy located multiple needles, liquid Narcan, a bottle cap, and a scale with a crystal-like residue.

Both Hess and Corely were read Miranda and denied ownership of the bag. Based on the above facts both subjects were placed in custody and transported to the Loudon County Jail. TruNarc scans were conducted on all substances which resulted in 3 positive tests for methamphetamine and 1 positive test for fentanyl. This did occur in Loudon County, Tennessee.

## Horoscopes

your beloved. In any case, you will have to prove yourself, and you will spare no energy in the attempt. By the end of the day, you will be satisfied but completely drained. Plan to rest afterward. You will have earned it.

**Pisces 2/19-3/20**

You can look forward to a busy day, Pisces. Don't schedule any additional tasks. Your home, family, or mate is likely to demand a great deal of you. In fact, Pisces, your energy is likely to be stretched to the breaking point, so be careful to keep some strength in reserve for yourself. If you give yourself completely, you're likely to strain your nerves.

**Aries 3/21-4/19**

You're likely to spend time with someone who energizes and rejuvenates you today. With luck, this meeting won't occur too late in the evening, or else you will have a problem going to sleep, Aries. This energy is going to give your projects a much-needed boost. You're about to go on a crusade. Choose your quest carefully, Aries.

**Taurus 4/20-5/20**

You may feel an urgent need to use your physical energy. This need will raise the issue of how to incorporate more exercise into your life. This

would be an ideal time to join a gym. Participating in a group sports activity would be a good choice for you. Get started, no matter what outlet you choose, Taurus. Excuses won't be tolerated.

**Gemini 5/21-6/20**

A day such as today should demonstrate an old truth - people remember the good and forget the bad. You will be brimming with energy, Gemini, hopeful and optimistic for the future. The question is how are you going to spend this incredible energy of yours? You could go in many different directions. It's up to you to choose which one.

**Cancer 6/21-7/22**

Do you have a desire to go away on a trip? Would you like to live in Europe or Asia? These are desires that you may well have at the moment as you begin the process of widening your field of vision. See if you can set up a journey of this kind, Cancer. People will have confidence in you now, so all sorts of possibilities are at your disposal.

**Leo 7/23-8/22**

What's happening in your personal relationships, Leo? It seems as though you're looking for a fight. Could it be that someone has stolen a leadership position out from under your nose? You have a tendency to lead any group, yet

now you're confronted with resistance. You might want to get involved in a new group project. Doing so will help everyone reconcile.

**Virgo 8/23-9/22**

At certain moments you can feel where your destiny lies. Today will be such a moment for you, Virgo. You may want to shift your fundamental orientation. Every area of your life will be affected by this shift - where you live, who you live with, your children, and your job. Interesting times lie ahead, Virgo. There is no doubt about that.

**Libra 9/23-10/22**

The day ahead will reenergize you after these last few days of apathy, Libra. Anyone who tries to hold you back today had better watch out, because you won't be in the mood to tolerate any objections. You refuse to be restrained. This is an excellent time to reinforce your reputation as an excellent coach. It's clear to all that you're the captain of your crew.

**Scorpio 10/23-11/21**

Today you may be touched by a person who exudes the kind of determination produced by a combination of spiritual and intellectual strength and faith. This is what is meant when people speak of a leader of great integrity. The encounter

with this person is likely to inspire you to commit yourself wholeheartedly to some good work, perhaps a charity.

**Sagittarius**

**11/22-12/21**

Have you been lethargic lately? If so, today is your wake-up call. You will be alert and clear about the task at hand. You understand that your help is urgently needed, and that there's no time to waste. You can expect to pour a great deal of energy into a single, well-defined goal today. If you usually wander from project to project, this will be a change for you, Sagittarius.

**Capricorn 12/22-01/19**

The day will be fairly eventful, Capricorn. There's some likelihood that you will feel suddenly compelled to settle a tedious matter once and for all. It may concern something in your domestic life that's been left unattended. You won't rest until it's finished, and you won't be distracted, no matter how you're cajoled to join the others. This problem is the only thing that will matter today.
