Two people have been arrested on charges stemming from a shooting and robbery at the Lenoir City Walmart in June. Footage of the shooting coverage is on our facebook page as well as today's press conference.

"It's been a difficult case as far as having to go back and look at films and tapes. But a lot of time has been put in and congratulations to investigators Lynette Ladd, Jason Smith, Jonathan Yates with the Lenoir City Police Department. They've done an outstanding job in bringing these two individuals to justice," said Lenoir City Mayor Tony Aikens.

The incident took place on June 20 at around 8 p.m.. The building was evacuated. In June, Chief White said eight or nine shots were fired inside the Walmart. No injuries were reported. And after investigation with cooperation from the Walmart Loss Prevention team discovered the other person was taking money from the cash registers during the panic.

"We started going back and we started reviewing all this footage, which was a lot of footage because you

had people running, fleeing the building, and we were very fortunate, we only had one person go to the hospital during that event, and that was due to chest pains because of the stress that occurred during that event," said Don White, Lenoir City Chief of Police.

Two people were identified in the footage, and they figured out that a robbery had taken place. The investigators then reviewed more videos from Walmart and the surrounding businesses and discovered a vehicle that did not have a tag.

"We saw them remove the tag in a neighboring parking lot. The vehicle then left and went over to the Home Depot, picked the other suspect up and then they left. So again, the hard work had to continue. So probably 5-6 days later, we figured out the car and the people, but they were not from here. They were from Louisiana," said White.

Chief White went on to say they discovered the suspects had been traveling from Louisiana to Chicago, Louisiana to Atlanta and to Lenoir City.

"Once we discovered who

they were, they were traveling in a motorhome. They had two other vehicles with them and we couldn't disclose their names in fear that they would go deeper underground once we had issued arrest warrants. So that was the reason that we could not give that information out to you all, the media, to pass along to our residents because we did not know who they were connected to here in Loudon County," said White.

Lenoir City Police formed a partnership with Livingston Parish and their CID unit in the Baton Rouge, LA area. Johnson and Raby were found in the area a few weeks ago and taken into custody.

According to lead Detective Jason Smith, LCPD they are currently being held in the Loudon County Jail on a \$100,000 bond. They have each been charged with one count of aggravated robbery.

defense T. Scott Jones represented the honorable Judge Greg Harrison who was properly elected to the position of Judge. Jones stated "we are pleased the Court of Appeals agreed with the sage, wisdom of the Chancellor as well as the Circuit decision that preceded their analysis of the case. It is frustrating when we see an attempt to circumvent the election process and we are relieved the voters wishes were upheld.

Mayor Tony Aikens also put out a press release stating:

To the citizens of Lenoir City.... Last year the citizens of Lenoir City elected Greg Harrison to the position of city judge. You, the citizens of Lenoir City, believed a change was warranted. Unfortunately former judge Robin McNabb felt that the city, and apparently the citizens, had committed an injustice by removing her from office through a free and fair electoral process and decided the best course of action would be to contest the election. She sued Mr Harrison in chancery court and lost. She then appealed the decision to the Court of Appeals in Knoxville. Today all three judges of the Court of Appeals ruled against Mrs McNabb. In addition, they stated Judge Harrison met all the qualifications to run for office.

I understand what it is like to lose an election; however, that is the chance you take when you choose to run for office. You should never be a sore loser and selfishly cost the tax payers money, just because you didn't get your way.

Congratulations to Judge Harrison and the Citizens of Lenoir City.... Justice has been served.

Attorney Jones added "I wish Judge Harrison best

wishes and Godspeed in his performance of his elected duties and I'm glad I got to play a part in protecting democracy by preserving his fair and impartial election as Lenoir City Judge!
