The FBI, along with the U.S. Attorney's Office for the District of Columbia, and the U.S. Department of State, added Vitel'Homme Innocent to its Ten Most Wanted Fugitives list on November 15, 2023.

Vitel'Homme is a Haitian national and

leader of the Kraze Barye gang, which operates in the Torcelle and Tabarre areas of Haiti and actively participates in kidnappings for ransom, extortion, and car thefts.

In October 2021, Kraze Barye and the 400 Mawozo gang allegedly kidnapped 16 U.S. citizens serving as Christian missionaries near Port-au-Prince, Haiti. The group included five children, includ-

ing one as young as 8 months old. The hostages were allegedly held at gunpoint and most remained captive for 61 days before escaping. Vitel'Homme was charged for his role in the conspiracy along with other gang leaders on November 7, 2022.

### Agg. Assault

Jason Roberts, 36, Highway 72 Loudon, was charged with Aggravated Assault, False Imprisonment, interfere with Emergency 911 call, and Violation of Bond Restriction.

Deputy Reagan LCSO, responded to Hwy 72 S in reference to a Domestic Disturbance. Dispatch advised us that the Complainant/Victim was the protected party due to bond conditions from a prior Domestic arrest involving the suspect. Upon arrival, (Victim/ Complainant) stated that she was no longer at the residence and her husband, Jason Roberts (Arrestee) followed her down the hill to her mothers house, but he had gone back

to the residence after hearing sirens in the distance. Deputy Stanley and Reagan cleared the residence and did not find Mr. Roberts. Deputy Stanley and Cpl. Hawkins searched around the residence while Deputy Reagan collected a statement from victim. While speaking with the victim, she stated that her husband followed her home from a tow yard where her car was being held. She stated that when they arrived back at the residence, she told her kids to go to their grandmother's house due to him already yelling at her. The victim said that while inside of her bedroom, they began arguing and that's when he began hitting her on her left shoulder. She said that her phone was in the kitchen so she attempted

to leave the bedroom but she was pulled back and thrown onto the bed and that's when Jason began choking her with both hands. She stated that she was able to get free and get to her phone. She said she then attempted to walk out of the front door while calling emergency services.

but he pushed the door shut and attempted to block her from leaving. She was able to leave and began walking down the drive way. While speaking with her, Deputy did observe there to be red marks on her left shoulder

In addition, on October 7, 2022, Vitel'Homme allegedly ordered gang members to kidnap two U.S. citizens from their home in Haiti. Armed gang members allegedly forced entry into the victims' residence and attempted to kidnap them. During the kidnapping, the gang members allegedly shot and killed one of the victims. The other victim was taken into captivity and held hostage at an undisclosed location in Haiti, while Vitel'Homme participated in ransom negotiations in exchange for the victim's release. On October 28, 2022, the gang released the remaining victim after the victim's family paid ransom payments. A second indictment was unsealed on October 24, 2023, charging Vitel'Homme for his alleged role in the kidnapping.

"Haitian gang leader Vi-

tel'Homme Innocent is the 532nd fugitive added to the FBI's Ten Most Wanted list for his alleged involvement in the kidnapping and killing of U.S. Citizens in Haiti," said FBI Miami Special Agent in Charge Jeffrey B. Veltri. "The State Department is offering a reward of up to \$2 million for information leading to his arrest and/or conviction. Our resolve to bring him to account for his alleged crimes will not waver."

Vitel'Homme is 37 years old and has black hair and brown eyes. He is between 5'7" and 5'10" tall and weighs about 150 pounds.

Vitel'Homme is believed to be in Haiti and has ties to other countries throughout the Caribbean.

### Horoscopes

Sagittarius 11/22-12/21

Do you have a talent for writing? You seem to have a precise and clear way of expressing yourself. And it's possible you use this gift of yours in your career.

Capricorn 12/22-01/19

You have a pleasant day ahead. People may be a little less playful, but they'll be all the more caring in their relationships. That's just how you like them!

Aquarius 1/20-2/18

You should expect to feel warmth in your contact with other people today. Your relations will have something particularly tender and caring about them. It's like people are suddenly much more attentive and sensitive.

Pisces 2/19-3/20

You won't be disappointed today. Over the next few days

you're going to put your analytical way of thinking aside and let your feelings guide you. You'll be attentive to the people you love.

Aries 3/21-4/19

Today is great for creativity, especially the kind that shows your special style. You're productive, although what you've been creating is just a reflection of the latest fashions.

Taurus 4/20-5/20

Today someone might ask what you're thinking about. You often think about things that are inaccessible to others.

Gemini 5/21-6/20

You love to have very serious discussions about important issues well into the night. You rebuild the world the way you'd like to see it with your friends.

Cancer 6/21-7/22

Do you often act as if the

world is static and nothing ever changes? Sometimes you may think that human-kind is a certain way, the world is a certain way, and so this is what you're going to do.

Leo 7/23-8/22

Today let your emotions mingle with your thoughts. What good is telling yourself that you must like something if you really can't stand it?

Virgo 8/23-9/22

Today you may feel like going into your past. One half of you feels nostalgia for the "good old days." The other half lives for the future and

is unafraid to project into the unknown. Even though this sounds a bit contradictory, both these sides of you help the world move forward. Think about this today.

Libra 9/23-10/22

You're sensitive to the world around you. It's like you're thinking with your heart. It's possible you'll be more impressionable and less objective when your emotions get the better of you in your relationships. If you'd hoped to hide something from someone, it won't work. Even if you say nothing, it's written on your face.
