Terrorist Screening Center marks two decades of interagency collaboration

The Terrorist Screening Center sits on a quiet street in Northern Virginia. It's a nondescript white building that would be easy to overlook as you drive past.

Three flagpoles stand in front, each flying the American flag and one of the state flags of New York, Virginia, and Pennsylvania. A nearby plaque says that these flagpoles were recovered from the site of the World Trade Center after the terrorist attacks

of September 11, 2001, and now stand "as a memorial to those whose lives were taken, those who sacrificed themselves selflessly, and as a testament to our nation's resilience and enduring liberty."

The Terrorist Screening Center, or TSC, was established in direct response to 9/11. Previously, various U.S. government agencies had maintained their own watchlists to further their unique missions, but there was no mechanism in place to

share that information across agencies. A 2003 presidential directive required the U.S. Attorney General to establish an organization that would consolidate terrorism screening within the U.S. government and create one federal terrorism watchlist.

The TSC began operating in December 2003 as an interagency center staffed by multiple U.S. government agencies, including the Department of Justice. See TSC pg 5

Verse of the Day

I will praise God's name in song and glorify him with thanksgiving. This will please the Lord more than an ox, more than a bull with its horns and hoofs. The poor will see and be glad — you who

seek God, may your hearts live! —Psalm 69:30-3

Heron Trevino, 37, Water-view Drive Oak ridge, was charged with DUI, and Leaving the Scene of a Accident.

Cpl. Christina Wallen LCSO, responded to the intersection of Martel Rd. at Shaw Ferry Rd., Lenoir City, on the report of a wreck without injury. Upon arrival, in the grassy field across from Lakeview Rd., Deputy observed a grey Volkswagen Jetta with heavy observable damage on most of the vehicle. Tire marks in the grass indicated that the vehicle had come from Lakeview Rd., crossed over Martel Rd., and came to rest in the field next to Shaw Ferry Rd. Deputy made contact with the driver and sole occupant of the vehicle, Heron Trevino (offender), in the driver's seat. Trevino had blood-shot and glossy eyes, slow/

slurred speech, and there was a strong odor of an alcoholic beverage coming from his person as he spoke. Trevino stated that he was headed home from a Christmas party and consumed 3 margaritas while at the party. Trevino could not advise how the damage to his vehicle occurred. Deputy asked Trevino to exit the vehicle. Trevino was very unsteady on his feet and nearly fell twice as he was unable to maintain his balance. Trevino refused to perform the Standardized Field Sobriety Tests (SFSTs). Based on deputy observation of Trevino's physical condition, the damaged vehicle, and Trevino's admission to consuming alcohol, Deputy determined that Trevino was in physical control of a motor vehicle on a public roadway while under the influence of an intoxicant that impaired his ability to safely operate a motor vehicle.

Trevino was taken into custody for DUI and then read the Implied Consent advisement. Trevino consented to a blood draw and was then transported to Ft. Loudoun Medical Center to obtain the sample. Once the sample was obtained, Trevino was transported to the Loudon County Detention Fa-

cility without incident. Deputy Tony Branson later located the site of the crash that caused the damage to Trevino's vehicle. At Lakeview Rd., Lenoir City, the fence along the roadway had observable damage, and tire marks were observed in the grass. All of the above did occur in Loudon County, TN.

Horoscopes

not make sense, or it might bring news that doesn't feel right. Whatever you hear may be exaggerated if not false.

Capricorn 12/22-01/19

Is your financial situation confusing? Are you starting to panic about it? You may be getting worked up over nothing. Get all your paperwork together, focus on the facts, and see what's really happening.

Aquarius 1/20-2/18

Ideas for creative projects may be flooding your mind, but they may be too general or vague to grasp. Make a list if you like, but don't feel you have to start anything today.

Pisces 2/19-3/20

Have you been getting strange vibes from someone close to you? Chances are this person isn't upset with you. He or she may be worried about upcoming changes in the professional environ-

ment.

Aries 3/21-4/19

A current or potential love partner may drop out of sight and not return your calls. You could panic, wondering if your friend has lost interest. Don't jump to conclusions. Your partner may be involved in other matters.

Taurus 4/20-5/20

A gathering of psychics, artists, and spiritually oriented people could take place in your home today. This may be a fascinating and stimulating meeting, but there may be someone who likes to stir controversy and debate.

Gemini 5/21-6/20

A class you've wanted to take may open up, and you'll want to register right away. You might have a few difficulties. If you try to sign up by phone, the line may be busy. If you enroll online, the website might crash.

Cancer 6/21-7/22

Do you have a lot of money in investments? Even if you have only a savings account or home equity, you could be a bit disconcerted when the stock market takes a nose-dive.

Leo 7/23-8/22

A love partner may seem distracted. Don't jump to the conclusion that your friend has found someone else. The problem is more likely to center on obstacles that your partner has encountered in achieving a cherished goal.

Virgo 8/23-9/22

Equipment could give you trouble today. You're probably good at working with

it, but when it comes to troubleshooting, you might not know as much as you should. Don't make yourself crazy worrying about it.

Libra 9/23-10/22

A friend's lack of communication and perhaps even shortness with you could bring up your insecurities and have you wondering if this person still cares about you.

Scorpio 10/23-11/21

A member of your group may have gone away without telling anyone where he or she was going. This could be worrisome for the rest of you, but don't fret.
