Former Knox County Rescue Employee Stole More Than \$44,000

An investigation by the Tennessee Comptroller's Office has resulted in the indictment of Charlotte McLawhorn, the former financial administrative assistant for Knox County Rescue (KCR).

Comptroller investigators determined that McLawhorn misappropriated KCR funds totaling at least \$44,020.31 from September 2020 through

April 2023, when she left KCR for another job. The investigation began after Knox County officials identified and reported allegations to the Comptroller's Office.

McLawhorn's primary scheme involved using KCR credit cards to make personal purchases including airline tickets, salon expenses, medical bills, vacation rentals, and retail shopping.

In addition to using her issued KCR credit card, she also made purchases using three cards that had formerly been assigned to other employees and had been turned over to her. Furthermore, McLawhorn made personal purchases using KCR's online Amazon account.

Investigators revealed that McLawhorn

Theft
 horn made at least 62 false entries in KCR's accounting software to conceal her unauthorized purchases. For example, she changed the description of a Vera Bradley purchase to "Quality Inn - Lodging" in KCR's accounting software, which was used to generate financial reports for county reimbursement.

The investigation also identified other questionable credit card purchases totaling \$9,325.29 and questionable fuel purchases totaling \$2,735.90. Many of these transactions lacked proper documentation and investigators were unable to determine whether they benefited KCR.

Based upon this investigation, in December 2023, Charlotte McLawhorn was indicted by the Knox County Grand Jury on one count of theft of property over \$10,000, one count of Ten-

nessee Computer Crimes Act violations over \$10,000, one count of forgery over \$10,000, and four counts of fraudulent use of credit cards.

"Once again we see a situation where one person is given too much financial responsibility," said Comptroller Mumpower. "The same person should not be collecting, depositing, and disbursing funds as well as maintaining accounting records and reviewing bank and credit card statements without oversight. This approach invites the potential for fraud, waste, and abuse."

Horoscopes

moting the benefits of warm, sincere friendships?

Aquarius 1/20-2/18

You've made it over the hump. You've moved beyond the problems of the recent past and you're entering a more peaceful phase. You'll soon complete your projects at work. Your domestic life will be the picture of bliss and harmony.

Pisces 2/19-3/20

The outlook for today is excellent. The somewhat oppressive atmosphere of the past few days inspires you to change your surroundings and visit new places. Why not plan a little trip?

Aries 3/21-4/19

This will be a day rich in reflection. You're able to observe what's going around you while still retaining some distance. Other people's ambitions will amuse you as they play their parts more like caricatures than real people.

Taurus 4/20-5/20

Here's a day when some long-awaited attention or recognition comes your way. You're finished with the hassles you experienced during the past month and have entered a calmer period.

Gemini 5/21-6/20

This will be a day of reflection. While you may be tempted to look back and think about how far you've come, your time would be better spent thinking about what the future has in store. You've entered a period of rethinking both your identity and objectives.

Cancer 6/21-7/22

This would be an ideal day to take extra care of your body. Don't kid yourself that those back problems will go away. Ditto that pain in your knee. Make an appointment with a doctor or physical therapist.

Leo 7/23-8/22

You may have recently modified the material aspects of your

life. Was it sufficient to stop there? More profound changes might be in order. Take a look at what motivated you to create the life you're living now.

Virgo 8/23-9/22

This will be a great day to meditate. You may be dissatisfied because your various projects have yet to take form. You're impatient, but who wouldn't be? This waiting period has lasted for about two months but will soon end.

Libra 9/23-10/22

Today promises to be excellent, but don't go overboard. You might be tempted to think that your minor financial difficulties are already behind

you. Alas, they are not. What you do today provides the blueprint for your future.

Scorpio 10/23-11/21

You're in the home stretch now. Kiss your worries good-bye. Your efforts pay off as people listen to your advice and try to please you. Although certain details in your love life still need to be worked out, it's safe to coast for a while.

Sagittarius 11/22-12/21

Your life seems to revolve around human contact. You're an outgoing, cheerful, engaging conversationalist who enjoys bringing people together, but lately you've been yearning to be alone.
