Ohio Man Sentenced To 65 Months For Vehicular Homicide And Assault

Bryce Allen Axline, 20, of Columbus, Ohio, was sentenced to 65 months in federal prison for vehicular homicide and vehicular assault by the Honorable Thomas A. ment on the Spur. His two female passengers, both 19 years of age, were seriously injured during the crash. Domestic Charge

Albin Gonzalez, 34, Palmetto Florida, was charged with Domestic Assault.

Officers with LCPD, were dispatched to 400 Interchange Ln, Lenoir City, TN 37771 (Knights Inn(Sure Stay)) Apt., in reference to an active fight call. Upon arrival, Officer. McGinnis, along with Samuels and Sparks made contact with Mr. Albin Gonzalez and victim Due to a language barrier with victim, Sgt. Espinoza was called to the scene. Officer was able to speak with Mr. Gonzalez who stated that victim and himself worked together as delivery drivers and are currently living together at the hotel. Mr. Gonzalez stated that on this night while he was attempting to sleep, victim was actively cooking food in the hotel room which was creating a smell that was keeping him awake. Mr. Gonzalez also stated that he asked victim to open the door to which he refused. Mr. Gonzalez stated that he (Mr. Gonzalez) then proceeded to open the door to the hotel room to release the smell. Mr. Gonzalez stated that during

this time victim became upset and began attempting to push him and get him to fight him, to which Mr. Gonzalez stated he began to retreat out of the apartment. Mr. Gonzalez continued, stating that when he informed victim that he was going to call the police that victim entered back into the hotel room, causing Mr. Gonzalez to think that victim was attempting to get a knife. When Sgt. Espinoza arrived on scene, he was able to translate for victim, who stated that the story

was true but that Mr. Gonzalez was the aggressor and he was the individual who was attempting to retreat from the attempts. Victim was able to reveal marks on his arm, showing that he had a physical injury from the encounter. Due to the evidence at hand, it was determined that Mr. Gonzalez was the primary aggressor and was then placed under arrest for domestic assault. Officer then transported Mr. Gonzalez to the Loudon County Jail without further incident.

He was interviewed by the National Park Service as his home and admitted that he was driving the vehicle when the accident occurred. Based on an analysis of the vehicle's air bag module, the National Park Service determined that the vehicle was fully accelerated and traveling at 90 miles per hour just seconds before the accident occurred.

The surviving victim provided a victim impact state-

ment to the court explaining how the accident has affected her life. The deceased victim's family members also provided victim impact statements and were present in court for the sentencing hearing. The deceased victim's father addressed the court on behalf of the family.

The investigation was led by the National Park Service, Investigative Service Branch.

be maddeningly slow. You might also have a hard time reaching people you need to talk to. Don't be tempted to blow your top. That won't accomplish anything. Just call the technicians and get it handled. Tomorrow everything should be back to normal.

Pisces 2/19-3/20

A trip of some kind might have to be postponed, as computers and other technology involved in your arrangements might be temporarily out of operation. This can prove frustrating, Pisces, but it's beyond your control. The best thing to do is make new arrangements and move on. For the most part, everything is going very well for you, so don't give in to panic. Hang in there.

Aries 3/21-4/19

Some upsetting dreams might haunt you today, Aries. They might evoke some uncomfortable emotional issues. You might be a bit edgy emotionally and more likely to overreact when other people quarrel or machines break down. It might be a good idea to analyze your dreams first thing in the morning so you can learn from and release them. That way you will be more balanced throughout your day.

Taurus 4/20-5/20

Machines are likely to pose a few problems today, Taurus, particularly where work and money are concerned. An unforeseen problem might

interfere with your social life, perhaps forcing you to cancel a get-together you've been anticipating. If the person you were supposed to meet protests, avoid taking out your frustrations on him or her. Make new arrangements. It's only a temporary situation.

Gemini 5/21-6/20

Obstacles may arise in the course of your chores when machines break down and interfere with your efficiency. Your frustrations may cause you to want to yell and throw things. If you must blow your top, Gemini, do it in such a way as to avoid causing upset to others. Go for a workout or jog. The machines will be fixed and the situation will pass. Hang in there.

Cancer 6/21-7/22

Payment for work you've performed may not come when expected, Cancer, particularly if direct deposit is involved. The planetary energies today don't favor the smooth functioning of computers or other machines. This is a temporary setback and not worth stressing over. Don't give in to the temptation to lose your temper. All will be straightened out and your funds will be in their proper place.

Leo 7/23-8/22

Family members might not be in the best of moods today, Leo. Frustration with machines or friends could have tempers on edge, so try to avoid the temptation to get into arguments. The problems

will be resolved and the bad moods will pass. You don't want any residual bad feelings between you and them. This is a good day to get out and spend the day in the bookstore by yourself.

Virgo 8/23-9/22

Problems in your community may result from malfunctioning machines. Be prepared, Virgo. Have flashlights handy in case of a power outage, and walk instead of drive in case signals cause major traffic jams. Neighbors may be going crazy, but try to stay calm. This is a temporary situation, and not worth getting all stressed over. A good piece of advice is to spend the day reading.

Libra 9/23-10/22

Temporary upsets regarding money might result from a computer failure of some sort. Take care not to lose your temper over it, Libra. Instead, remain calm, focused, and polite until everything is worked out. Your financial condition itself still looks very promising. It's just that the planetary energies don't favor machines today, so they may all go out of whack. Hang in there.

Scorpio 10/23-11/21

Computers and other equipment could go haywire today, limiting your abilities to work at maximum efficiency. Even though you're usually calm and laid back, Scorpio, today the ogre in you may be tempted to emerge. Don't let it. It will only cause tension be-

tween you and those around you. Stay calm and focused, call in a technician, and enjoy the break from your routine.

Sagittarius
11/22-12/21

Don't try to sign up for a class over the phone or online today, Sagittarius, as it probably won't work. This also isn't a good day to travel - delays are likely whether you fly or drive. If you've been planning a trip, don't finalize the arrangements now. Wait a few days, as computers and other equipment used in such arrangements are likely to malfunction, and you could end up frustrated.

Capricorn 12/22-01/19

No matter what friends tell you, Capricorn, this isn't the day to make an investment of any kind, from buying a house to starting a savings account. And this isn't a good day to invest online. The planetary energies don't favor computers or other forms of modern technology used in such transactions, so wait a day or two. Discussions about possibilities are OK. Just don't do it yet.
