at least November 1, 2018, Dr. Nabers conspired to submit more than 6,700 fraudulent claims to three health care benefit programs, resulting in a loss amount to those programs of \$249,600.02.

Maricia Scroggs, 52, White Wing Road Lenoir City, was charged with Immediate Notice of Accident, Leaving the Scene of Accident, Evading Arrest, Driving on Suspended/Revoked License, DUI, and Driving on Roadways Laned for Traffic.

Officer A. Lee LCPD, along with Officer J. Robinson, were dispatched to an MVA in the area of US Highway 321 and I-40 Exit 364. While in the area attempting to locate the MVA, we observed a dark in color BMW run the red light nearly causing an accident at 321 and the I-40 WB exit ramp. Officers attempted to initiate a traffic stop on the BMW utilizing the patrol vehicles emergency lights and siren. The vehicle refused to stop even after attempting a box-in maneuver with the assistance of 9th JDTF, Agent Fritts. The vehicle continued evading

on US Highway 321, onto White Wing Rd., coming to a stop at White Wing Rd. The driver/offender, Maricia Alamae Scroggs, was taken into custody. During the pursuit, Officers observed the vehicle failing to maintain its lane of travel. The offender voluntarily waived her right not to speak, or have an attorney present during questioning. The Offender advised she left the scene of the accident and was attempting to drive the vehicle home because she didn't want the vehicle towed. The Offender failed to remain on scene of the accident and failed to notify authorities of the traffic crash. During the encounter Officer could smell the odor of an alcoholic beverage emitting from the Offenders breath and person. Officer observed her to have slow & slurred speech, along with watery eyes. The Offend-

er admitted to consuming alcoholic beverages. In accordance with departmental policy, a vehicle inventory search was conducted prior to tow where officers located an open container of alcohol. then advised the Offender of the TN Implied Consent Law, to which she agreed to provide a blood sample for analysis. The Offender was

subsequently transported to the FLMC ER for a blood draw, then to the Loudon County Jail. At the jail, Officer asked to Offender to perform SFST, to which she agreed.

This past Saturday in Greenback the Farmers and Craft Market held their first Farm Day of the year allowing farm animals to be brought and sold at the Train Depot in Downtown Greenback.

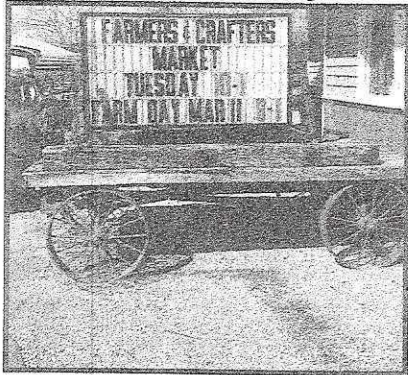

The day began as it should at the Greenback Diner across from the train depot where you must stop for an extremely good breakfast and community gathering spot. The homemade breakfast and getting to share a table with a total stranger

was awesome and unheard of nowadays. We are so lucky here to still have places like the Greenback Diner to make new friends.

Then it was off to the market and numerous vendors had their crafts and homemade goodies for sale along with several who brought animals for sale including pigs, guineas, goats, and more. One animal in particular was a duck who seemed very unhappy and as we were informed he was a free range duck and was put in a cage and needless to say he was

not happy at all. When he found a new home the box he left in had no top so he seemed to be more at ease going to his new home.

*The sign at the Train Depot in Greenback where the Farmers and Craft Market is held every Tuesday!*

A great time was had by all and if you missed it don't worry there will be other chances to come out. On Tuesday from 10-11ish several vendors are out each week and then once a month they feature a farm day. Follow the Greenback Farmers and Craft Market on Facebook for more information.

## Horoscopes

ly oppressive and tedious task that needs doing. Try easing the stress by listening to music and taking frequent breaks. Treat yourself to a good lunch. You won't help anyone if you work yourself to a frazzle!

Aries 3/21-4/19

Low biorhythms may have you feeling less than your usual self, Aries. Your mind may not be quite as quick as it usually is, and you may go through the day in a bit of a fog, possibly reflecting on the past. This isn't quite as aimless as it sounds. You might want to jot down your memories and reflections. They could shed light on something that's going on with you now.

Taurus 4/20-5/20

Frustrating delays in completing a project might cause you to doubt your skills, Taurus. Be careful not to fall into this trap. There's nothing wrong with your skills. Take a good long look at what you're doing and try to discern where it got hung up. Worries about money may cause you to consider postponing an activity that means a lot to you. Don't. Use your ingenuity to work it out.

Gemini 5/21-6/20

Even though you're likely to wake

up feeling energetic and enthusiastic, Gemini, your mood may sink a little when you think about all you need to do. It may be time to question whether you should make some significant changes. Are the walls closing in on you? If so, perhaps you should look for an opportunity that gives you more freedom of movement or perhaps gets you outside part of the time.

Cancer 6/21-7/22

An increased awareness of subtle undercurrents may have you feeling a bit disconcerted today, Cancer. You could experience clairvoyant or telepathic abilities you didn't know you had. As you usually like to be down to Earth and realistic, this may throw you for a loop, but try to flow with it. Reality isn't necessarily limited to what is perceived by the usual five senses!

Leo 7/23-8/22

The desire to perform a service of some kind could attract you to group activities today, Leo. You might attend a meeting of a group you aren't yet familiar with, and you could feel like a fifth wheel. Take heart! You will catch on soon, and the people in the group are likely to take to you. Your insights should prove valuable to them, and they will be quick to notice that!

Virgo 8/23-9/22

Your day could be worrisome and

stressful, Virgo. Your workload may be especially heavy and you could be putting in some long hours. Relations with others might also be a bit tense. Ease the stress by playing music and take frequent breaks. Have a good meal at lunchtime and then take a walk. Things are likely to be a lot more laid back tomorrow!

Libra 9/23-10/22

Today you're likely to feel rather bored, restless, and frustrated with the way your life is going now, Libra. You have responsibilities that need meeting, yet you have other projects that interest you a lot more than mundane tasks. As a result, you might find yourself growing a bit impatient with those around you. Don't take your frustrations out on others! Remember, "This, too, shall pass."

Scorpio 10/23-11/21

You may feel especially sexy and passionate, Scorpio, but minor conflicts between you and the special someone in your life could put distance between you. You can avoid this by being patient and making an effort to communicate. You could be tempted to overspend, probably on items you don't particularly need now and may not even want. Take care to curb impulse spending.

Sagittarius 11/22-12/21

Nervous tension among family

members is high today, Sagittarius, so don't be surprised if household members start quarreling. It's best to keep them apart most of the day if you can. In the evening, encourage them to talk about what's bothering them. You may be feeling a bit bored and discouraged, but forget about it by keeping busy. This will all pass by tomorrow.

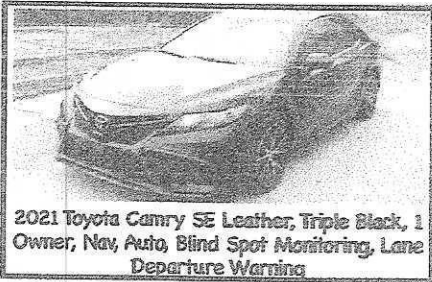

Capricorn 12/22-01/19

Information gleaned today might not be totally accurate, Capricorn. Someone may be repeating gossip or making stories up out of whole cloth. Listen if you want, but don't pass along anything you hear unless you know for a fact that it's true. Your workload might be especially heavy and you might have a deadline, so you have a ready excuse not to pay any attention!

Aquarius 1/20-2/18

Pessimism over money matters may plague you today, Aquarius. Perhaps a desired increase in income hasn't materialized, or you've been hoping to make a particular purchase that you still can't quite afford. This might be the time to put your ingenuity to work and come up with a contingency plan to earn the money you need. You will be able to find good opportunities. It beats waiting!
