Polk County Audit Includes a State High of 14 Findings

The Tennessee Comptroller's Office has released the annual audit report of Polk County government noting many areas that need improvement.

Polk County received 14 findings in the fiscal year 2022 audit, which is the most of any of the 95 Tennessee counties this year. Audit find-

ings outline deficiencies, weaknesses, and areas of noncompliance within the county government. Six of the 14 findings were also included in the fiscal year 2021 report and had not been corrected.

Many of the findings in the report are related to the accounting functions inside the Office of the Director of Accounts and Budget and

the school department. These offices each had financial statements that required material audit adjustments, had deficiencies in their purchasing processes, and had expenditures that exceeded the appropriations approved by the county commission, among other issues.

DUI

David Dixon, 75, Farmbrook Drive Georgia, was charged with DUI, Violation of Implied Consent, Open Container, and Resisting Arrest.

Deputy L. Hawkins LCSO, was dispatched to the area of Natalie Boulevard and Highway 11 in reference to a Yellow Chevrolet Corvette parked in the roadway. The caller, was traveling in the area and observed this vehicle in the roadway, the blinker was on and it was stationary. The caller called this into dispatched and remained on the scene until units arrived on the scene. Deputy arrived and also observed this vehicle in the roadway.

Deputy attempted to make contact with the driver, he was asleep with the vehicle running and in park. Multiple times the male driver was told to open the door. He would reply in profanities and flipping units off. As Deputy would tell him to open the door, he would pull on the air vent. Once, he grabbed the gear shifter and attempted to put the vehicle into drive.

Deputy pried the passenger window open and broke

it to make entry into the vehicle.

At that time he was removed from the vehicle. While Sgt. Pesterfield was removing him from the vehicle he attempted to close the drivers side door again. He was placed onto the ground and continued to stiffen his arms, resisting arrest. EMS arrived on the scene and cleared the male subject.

The driver was identified as David Dixon. Deputy could smell a strong odor of an alcoholic beverage coming from Mr. Dixon, his eyes were glossy, bloodshot, and he could not keep his balance or consciousness. In the passengers seat was an opened bottle of "Johnny Walker Black Label" whiskey. Behind the drivers seat was also a opened bottle of "Johnny Walker Red Label" whiskey.

Both bottles of alcohol were half empty. Mr. Dixon was transported to The Loudon County Jail. At the jail, Implied consent was read to Mr. Dixon. He replied multiple times, "I'm sorry".

Audit

Additional findings related to the Office of Trustee, Circuit and General Sessions Courts Clerk, and the Sheriff's Office.

Polk County operates under the Fiscal Control Acts of 1957, which require the director of accounts and budget to maintain accounting records for funds administered by both the county executive and the highway superintendent. However, the highway department's funds are being maintained by highway department personnel. This significant finding has been repeated over the last 11 annual audits and has not been addressed.

"I encourage Polk County officials to work together with the county commission and the county's audit committee to address the issues noted in this report," said Comptroller Mumpower. "It is well past time for the county to implement the steps necessary to centralize the financial operations of the general government and the highway department. Our auditors shouldn't have to write the same finding year after year."

Horoscopes

comes to jotting down possibilities, trust your intuition, as it's operating at a very high level. List your possibilities and then let it stew for a few days before going over them again.

Taurus 4/20-5/20

Increased communication with a close friend or lover, more on a subtle than verbal level, could bring you closer and enrich your relationship. Quiet time spend together today could generate a new sense of closeness. Images and ideas that come from deep within you can contribute to your creative self-expression. Write down any insights so you can refer to them later. Work from the heart.

Gemini 5/21-6/20

Today you might crave solitude, Gemini, perhaps for meditation or to contemplate your current situation. You may feel you're at a crossroads and need to decide which way to go. This could involve the next step in your material progress or self-expression, or it might involve your spiritual path. Emotions from the past could well up, but this is a positive development. Don't fight it.

Cancer 6/21-7/22

You might spend a lot of time in conversation with friends who share your

interests. Their insights could lead to new insights on your part, Cancer, and vice versa. This process could bring all of you closer together. Good news could come through the mail, email, or phone regarding goals you've been trying to reach. You're also likely to send out a lot of communications yourself.

Leo 7/23-8/22

Paperwork involving finances, Leo, perhaps personal, perhaps involving your employer's funds, or both, is likely to need some intense attention during the day. This doesn't necessarily imply anything negative. In fact, just the opposite. It does mean that some careful planning or budgeting is going to be required in order to make the most of your current situation.

Virgo 8/23-9/22

Today you may want to spend your free time alone, contemplating various ideas, Virgo. Spiritual or metaphysical philosophies from ancient cultures or foreign lands might be more appealing than usual. Reading about them at this time could approach obsession, but this is OK. Whatever you learn today is likely to contribute greatly to your personal growth and perhaps self-expression.

Libra 9/23-10/22

Today, Libra, your mind may turn to-

ward deep subjects. You could explore the sciences, psychology, the occult, or metaphysics. You will probably discover some new facts or ideas that could keep your mind occupied for hours. Needless to say, you will spend much of your time alone exploring these themes. You might also want to write down your insights and revelations to study later.

Scorpio 10/23-11/21

A sudden upsurge in your intuition could have you feeling more in tune to the thoughts, feelings, and desires of others, Scorpio. Your communication is going to be clear and open as a result. You're likely to grow closer to everyone dear to you, especially your romantic partner. Don't expect everything you pick up to be positive. Others have their issues. Let them know you understand.

Sagittarius

11/22-12/21

Your mind is strong and focused today, Sagittarius. As a result, you're probably feeling especially physically robust. Sudden insights could earn you some satisfying acknowledgement, not to mention the respect of someone important to you. Your intuition level is high and apt to serve you well now, particularly where work and health are concerned.

Make the most of it!

Capricorn 12/22-01/19

Expect to spend much of your day alone, Capricorn. Information obtained from books or videos, perhaps involving history, philosophy, or religion, might inspire you to look deeper into a subject and turn it to your own advantage. You might decide to take a trip or return to college. There's also the chance that you could be inspired to write or otherwise express your ideas and feelings. Go to it!

Aquarius 1/20-2/18

Some strange dreams could stimulate your imagination and start you on new avenues of exploration. You might at some point play detective. What you seek is likely to be within your psyche. Don't be surprised if you learn new things about yourself that you hadn't been aware of before. You could also find your psychic faculties increasing.

Pisces 2/19-3/20

Reading could take up a lot of your time today, Pisces. Books on psychology or the occult sciences might seem interesting, particularly as your intuition is operating on a higher level than usual. You might not want to talk about what's coming up for you, but that's OK. You will need to make sense of it first before you can share it with clarity.
