CDC's Disease Detectives Give First-Hand Accounts from the Front Lines of Public Health

Epidemic Intelligence Service officers will present findings from their investigations into mpox, COVID-19, health disparities and much more

The U.S. Centers for Disease Control and Prevention (CDC) will hold its annual Epidemic Intelligence Service (EIS) Conference April 24-27, 2023 in Atlanta. The event will feature 97

presentations on recent groundbreaking investigations and innovative analyses conducted by EIS officers—better known as CDC's disease detectives. Conference attendance is free and open to the public, and the presentations will also be livestreamed with recordings available via a virtual platform. Event registration is required for attendance and will

remain open throughout the conference.

"Now more than ever, it is absolutely critical that we continue to build a strong public health workforce that is highly trained, as diverse as the communities we serve, and prepared to respond whenever a public health threat arises," said Leslie Ann Dauphin, PhD, the Director

see CDC pg. 5

Verse of the Day

If anyone considers himself religious and yet does not keep a tight rein on his tongue, he deceives himself and his religion is worthless.

Evading

Caleb De Vries, 20, Townline Road Canada, was charged with Reckless Driving, Reckless Endangerment, Evading, Speeding, and Driving on Roadways Laned for Traffic.

Deputy A. Gann LCSO, was sitting in his patrol car in the parking lot of Highway 70 Small Engine Repair Shop parking lot on Highway 70 facing White Wing Road observing traffic. Deputy observed a black sedan drive passed his vehicle traveling west on Highway 70 at a high rate of speed.

Deputy pulled out of the parking lot to initiate a traffic stop. Once the driver noticed my emergency lights, The vehicle then sped up to a higher rate of speed in an attempt to escape.

Deputy then pursued the vehicle west on Highway

70, turned left onto Dogwood Valley Road, Left onto Howard Road, and stopped his vehicle. Once Deputy attempted to conduct a felony traffic stop, the driver then drove off again. Deputy then pursued the vehicle from Howard Road onto Cave Creek Road. The vehicle then pulled into 503 Cave Creek Road in a gravel driveway. Once at a stop, Deputy then placed the subject at gunpoint and gave the subject verbal commands to exit the vehicle to which he complied.

Deputy then placed the subject in custody and read Miranda Rights to the subject. During the pursuit, the subject reached speeds of excess of 120 miles per hour and drove on the wrong way of traffic as well as drove around multiple other vehicles on double yellow lines. This did occur in Loudon County, Tn.

Smell
 Michael Cook, 52, Moatsewell Road Philadelphia, was charged with, Aggravated Assault, Possession of a Handgun, Mfg/Del/Sale or Poss. of Meth, Simple Possession, and Contraband in a Penal Institution.

Deputy A. Gann LCSO, was driving through the parking lot of the Sunoco gas station on West Lee Highway across from the Sunrise Inn in Philadelphia when Deputy observed an odor of marijuana coming from a black Volkswagen parked at the gas station. Deputy made contact with the driver of the

vehicle, Mr. Michael Cook, to conduct an investigation into the smell of marijuana. Mr. Cook informed me marijuana was on his person as well as inside his vehicle. At this time, a male who was the passenger of the vehicle, came outside of the store and Deputy made contact with him. Both Mr. Cook and the passenger gave consent to search them and the car and stated they were aware of the marijuana inside the car. Deputy Parks arrived on the scene and assisted me in searching the vehicle as well as a search of both Mr. Cook and passenger. During the search of Mr. Cook, Mr. Cook attempted to pull his

pocket knife out of his pocket in a fast manner placing Deputy J. Parks in fear of serious bodily injury. Deputy Parks quickly detained Mr. Cook due to his actions. After finishing the search of Mr. Cook, 1.2 grams of a clear crystal-like substance, believed to be methamphetamine was found on Mr. Cook's person. During a search of the vehicle Mr. Cook was driving, 7.0 grams of a green leafy substance, believed

to be marijuana was found in the vehicle. A loaded firearm was found in the vehicle in the driver seat floorboard. After being transported to the Loudon County Jail, a blue pipe with a white powdery residue inside of it was found on Mr. Cook's person during the search inside the Loudon County Jail. A narcotics Investigator was called and tested the clear crystal-like substance which tested positive for methamphetamine.

Agg. Assault

Kristopher Priece, 28, Steekee Road Loudon, was charged with Aggravated Assault, and Driving on Revoked License.

Deputy Jackson LCSO, responded to Highway 11 E on a report of vandalism. Upon arrival, Deputy was met by the victim, who was visibly shaken. Deputy asked the victim to tell him what happened, and she began to describe that Kristopher Priece, the offender, was arguing with his mother at Children's Hospital. After they left Children's, the victim returned to her mother's address, and Mr. Priece left to pick up his car. She stated that he returned around 8 pm after she asked him to retrieve some belongings from his car. She further stated that their initial interaction was peaceful, however, it became heated and Mr. Priece grabbed a metal pipe. He punched the radio breaking the screen, hit her car multiple times and according to the victim, attempted to strike her with the

pipe, but she moved and was pushed to the ground. She described a downward motion when Deputy asked how he attempted to hit her. She told Deputy that she believes he would have hit her with the pipe, and he told her earlier in the altercation that he would beat her with it. Deputy spoke with the victim's mother, and she described similar events; the victim and offender were outside, and Mr. Priece picked up a metal pipe and struck the victim's car, and pushed her to the ground. Mr. Priece was gone from the scene on Deputies arrival. The victim was explained her options, as far as, pursuing charges for vandalism and obtaining an Order of Protection. However, due to the totality of the circumstances, Mr. Priece attempted to use a weapon to hit the victim, and his actions placed her in imminent fear of bodily injury; Deputy is charging him with Aggravated Assault (Domestic). This occurred in Loudon County, TN.

CDC

tor of CDC's National Center for State, Tribal, Local, and Territorial Public Health Infrastructure and Workforce. "The dedicated officers serving in the EIS program deploy at a moment's notice to investigate health threats, develop prevention strategies, and save lives, all while gaining the skills needed to become the public health leaders of tomorrow."

CDC Director Rochelle P. Walensky, MD, MPH will give opening remarks at the conference on Monday, April 24. Other highlights include:

TED-Style Talks

On April 25 and April 27, current and former disease detectives will give a behind-the-scenes look at their experiences in six TED-style talks:

Breakfast Fish, Boat Rides, and Bibis: Behind the Scenes of the Polio Response in Tanzania

Putting Baby Booties on the Ground: Protecting the Most Vulnerable

New Learnings from an Old Disease: Mpox and Health Disparities in the United States

Three Islands, One Health: Capacity Building the United States Virgin Islands

Perfumes, Pet Raccoons, and Mississippi Melioidosis

From Intuition to Action: How Gut Feelings Can Drive Public Health Solutions

Alexander D. Langmuir Lecture

On April 26, Donald Warne, MD, MPH, acclaimed physician and scholar in Indigenous health, health education, policy, and equity will deliver this year's Alexander D. Langmuir lecture, *Engaging Indigenous Communities to Promote Health Equity*. Dr. Warne is the Co-Director of the Johns Hopkins Center for Indigenous Health and serves as Johns Hopkins University's new Provost Fellow for Indigenous Health Policy.

Media resources are available at: <https://www.cdc.gov/eis/conference/at-a-glance/media-resources.html>. These resources include outlines that can be searched or sorted by topic of interest for all of the work that will be presented at the conference, as well as photos of the disease detectives in action.

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES

CDC works 24/7 protecting America's health, safety and security. Whether diseases start at home or abroad, are curable or preventable, chronic or acute, or from human activity or deliberate attack, CDC responds to America's most pressing health threats. CDC is headquartered in Atlanta and has experts located throughout the United States and the world.

Horoscopes

not be able to remember them all. You will definitely want to draw upon them later.

Gemini 5/21-6/20

A group activity could involve a number of people, including some close friends, who share your intellectual, philosophical, or spiritual interests, Gemini. A romantic partner could choose to attend this occasion with you. The conversation is likely to be so stimulating that your mind could spin. Walk home if you can.

Cancer 6/21-7/22

Today you might be in the public eye along with some close friends and perhaps a love partner. You may be giving a speech, leading a discussion group, or be the center of attention at a party. You're likely to hold those around you spellbound, as your oratorical capabilities are very high.

Leo 7/23-8/22

A new and exciting person, possibly someone from a distant state or foreign country, could come into your life today. You could spend hours talking. The conversation could make you aware of new fields of interest that you find fascinating.

Virgo 8/23-9/22

Some unusual dreams could have

unexpected side effects, Virgo. They could spark new ideas for creative projects or possible innovative concepts to advance your career or social life. They might clue you in to what's in the hearts and minds of those closest to you. Your dreams might say a lot about you.

Libra 9/23-10/22

Social contact with new and exciting people, Libra, perhaps at a neighborhood gathering, could bring intriguing information your way. You could learn about new fields that interest you. There's a possibility of a new potential romantic partner with whom you talk for hours.

Scorpio 10/23-11/21

Work might take up a lot of your time today, Scorpio, perhaps job related, perhaps chores around the house. Friends or family may join you, and their conversation could help relieve some of the tedium.

Sagittarius 11/22-12/21

Much of your day is likely to be spent in the company of family, close friends, and a current or potential love partner, Sagittarius. Business partners could be involved. This should be a very pleasant, stimulating day for you. People you care about and enjoy will surround you. You're also

likely to become more strongly bonded to a romantic partner.

Capricorn 12/22-01/19

Today you might decide to host a social event in your home, perhaps for friends and colleagues with whom you share intellectual, philosophical, or spiritual interests. Dreams, astrology, or metaphysics could come up. This should be a congenial gathering. You're apt to bond closely with these people. At least one of them might be a potential romantic partner who finds you fascinating.

Aquarius 1/20-2/18

A large gathering, perhaps a festival of some kind, could take place in your neighborhood today, Aquarius. You could choose to attend with some close friends and your romantic interest. This event could shake everyone up a bit. It could present information that's exciting but also a bit unsettling. It could provide you and your friends

with conversation for several days.

Pisces 2/19-3/20

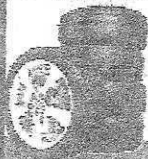

Discussions with friends or colleagues about possible future business enterprises could find you taking notes, Pisces. Your natural meticulousness should serve you well. It will be important to have accurate records to discuss later. Any new project begun now is likely to succeed, especially if writing, speaking, or another form of entertainment is involved.

Aries 3/21-4/19

Today everyone will notice how attractive, articulate, and charming you are, Aries. This is an excellent time to invite friends over or go out with them. Romance should go particularly well. In the course of your conversations, you might become aware of some fascinating and useful information that sparks you on to new interests and possibly new opportunities.
