Former West TN Probation Officer Stole \$2,757

An investigation by the Tennessee Comptroller's Office, working in conjunction with the Tennessee Bureau of Investigation, has ultimately resulted in Tracy Boyd Jr.'s guilty plea on one count of theft over \$2,500.

Boyd worked as a probation officer for Tennessee Correctional Services West, Inc. (TCSW), which provides misdemean-

or probation supervision and intervention services to various courts throughout West Tennessee. TCSW collects fees from probationers for the services it provides.

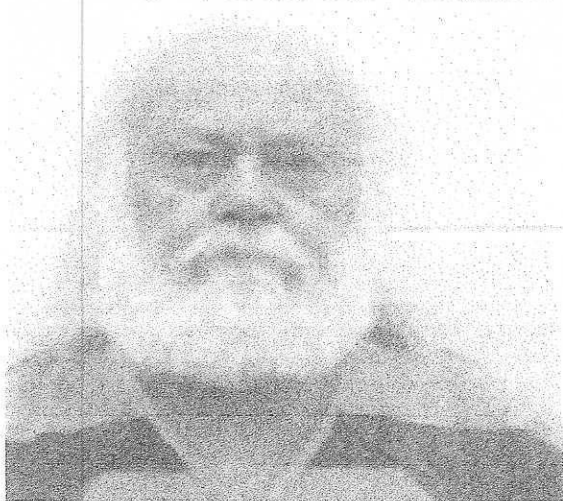

Investigators determined that Boyd stole at least \$2,757 in collections from July 31, 2019 until his employment was terminated on August 26, 2019.

Boyd failed to receipt

and remit \$2,757 of the \$8,163 in fees that he collected from his clients. In some cases, he used an unauthorized receipt book to issue receipts to his clients. This was done in an effort to conceal his misappropriation.

On November 14, 2022, Boyd pled guilty to the indicted offense

Verse of the Day

On the evening of that first day of the week, when the disciples were together, with the doors locked for fear of the Jews, Jesus came and stood among them and said, "Peace be with you!" After he said

this, he showed them his hands and side. The disciples were overjoyed when they saw the Lord.

Samuel Frazier, 40, Levi Circle Georgia, was charged with DUI, Evading Arrest, Violation of Implied Consent, Possession of Handgun while under the influence, and Driving on Roadways Lanes for Traffic.

Officer Eldridge LCPD, was traveling South on Hwy 321 when he observed a Nissan Versa (5Y3-4K7) traveling South on the Northbound side in front of the Kings Inn. A traffic stop was attempted on Town Creek Rd E and the vehicle failed to stop and began to increase its speed. The vehicle disregarded the 4 way Stop sign at Shaw Ferry and continued East on Town Creek, towards Ford Rd at a high rate of speed and all over the roadway. The vehicle then turned left onto Ford Rd, towards Hwy 70 while continuing to drive erratic, eventually turning right on Hwy 70 towards Knox Co.

The vehicle reached speeds of 90 mph and almost wrecked multiple times but eventually came to a stop at the Two Rivers Church in which Officers conducted a Felony stop.

Contact was made with the Driver (Samuel L. Frazier) and was immediately placed in custody at that time. Officers noticed a strong odor of alcohol emanating from Frazier and had bloodshot, watery eyes and appeared to be very lethargic.

Officers did locate an open Bahama Mama Cocktail in the center console. Frazier stated to officers multiple times that he just wanted to get away and that he was just diagnosed with Lung Cancer. A search of the vehicle also revealed a loaded Springfield XD 45 handgun (MG644430) located in the glovebox, 3 boxes of ammo, and 4 rifle mags.

Frazier also asked of-

ficers "did you see all the guns?" and stated that he "could have done a lot worse." While waiting on Malones to tow the vehicle, Frazier appeared to become unresponsive and EMS was dispatched to the scene, eventually clearing Frazier for transport to the jail. Frazier was transported to the

Loudon Co jail in which he consented to Field Sobriety and showed a Nystagmus in all three portions of the HGN but stopped midway through the Field Sobriety test stating that he "just didn't care anymore" and also refused implied consent. This did occur in Lenoir City, Loudon Co, TN.

As Sgt. and Deputy followed Rebecca out the door, Sgt. stated he could smell the odor of marijuana in the bedroom. We spoke to Rebecca outside, where she continued to talk to people that weren't there. She was experiencing a mental health episode, and

was a danger to herself and others inside the residence. Sgt. Pesterfield motioned for Deputy to go behind her and attempt to get control of her. She then started to resist and fell to the ground, then rolled onto her back at which point, she struck Deputy multiple times, knocking his mic off his vest. Sgt. Pesterfield and Deputy were able to place the offender in custody at that time.

The offender also returned with an active VOP warrant #2022-CR-134 out of Loudon County. Ms. Lo-

renz continued to fight them, causing Deputies to carry her to the patrol vehicle. While attempting to get her into the patrol vehicle the offender kicked Sgt. DUI

Michael Potter, 66, Highway 95 Greenback, was charged with DUI, and Open Container.

Deputy Jackson LCSO, received a call of an intoxicated driver coming to an address of Highway 95 N, from Blount County. Deputy passed a vehicle matching the description, dark Grey Toyota Tacoma, on Highway

95, at Greenback Memorial Baptist Church. Deputy attempted to turn around on the vehicle, but he was unable to get behind the vehicle, due to a car between them. Deputy was able to catch up to the vehicle, as it was pulling into the driveway of Highway 95 N. Deputy verified that it was the vehicle by the TN registration 093BHKX. Deputy made a traffic stop in the

driveway, and witnessed a male exit the driver's side of the vehicle. The male subject was identified as Mr. Michael Potter. Deputy asked Mr. Potter if he had anything to drink tonight and he denied that he did, however, while speaking to Mr. Potter, Deputy could smell the odor of an alcoholic beverage, which became stronger as they spoke. Deputy asked Mr. Potter to conduct Standardized Field Sobriety Tasks, to which he consented.

Mr. Potter performed poorly on the SFSTs (see notes). CPL. Wallen conducted ARIDE on Mr. Potter (see notes). Deputy Huskin, notified Deputy Jackson that there was an empty beer bottle in the vehicle, upon further inspection, Deputy saw three open Miller High Life bottles, one being half empty; all were within the

immediate reach of Mr. Potter. There was also an empty can of Smirnoff just behind the driver's seat.

Mr. Potter was taken into custody for DUI and Open Container. He was read TN Implied Consent, and consented to a blood draw. He was taken to Fort Loudon Medical Center for the blood draw, and subsequently to the Loudon County Detention Center.

This occurred in Loudon County, TN.

Horoscopes

to progress down your path until you turn up the intensity. If you don't, you may find that someone turns it up for you. Suddenly, volatile emotions could catch you by surprise and you will be floundering for support. Stay ahead of the game.

Taurus 4/20-5/20

You may wonder why it is that you can gain control of so many parts of your life, but nothing seems to go right when it comes to romance? Dismiss the notion that you're unworthy of love. Don't try to portray yourself as someone you're not. Perhaps you're confusing the people around you by projecting an image that's completely different from who you really are.

Gemini 5/21-6/20

Try to stay on the lighter side today, Gemini. This may be easier said than done. You're the bridge that connects an island to the shore. The water is rising and the island is about to be completely submerged. People are scrambling to reach you. Be careful that the situation doesn't become an issue of self-sacrifice. The bridge is apt to sag or even break under so much weight and

pressure.

Cancer 6/21-7/22

You may be trying to deal with things in a neat, orderly manner today, Cancer. Try not to get too frustrated if things don't work out exactly the way you'd like. Tension may occur when matters of the heart come up for discussion. People may get rather emotional, sending your neat, orderly plan right out the window.

Leo 7/23-8/22

Just when you thought you had love and romance all worked out in your head, Leo, something or someone steps in to put your heart in a whirl once again. More than likely, the intensely emotional drama of the day is a passing phase, so try not to get too worked up about it. Situations may seem life or death today, but remember that they aren't.

Virgo 8/23-9/22

Be careful of letting your heart get carried away today, Virgo. Extreme emotions are likely, making you very aware of your environment and what other people are thinking about you. You may want to retreat to the forest and seek council with the fairies and trolls. Fantasy is a terrific way to escape the emotional intensity that's likely to be in the air on a day like this.

Libra 9/23-10/22

Be prepared for an emotional backlash that's likely today if you get too possessive about your romantic partner, Libra. Issues about freedom versus commitment could arise whether you're involved in a close relationship or not. Perhaps these feelings are simply internal and you're trying to figure out your position on the matter before you proceed.

Scorpio 10/23-11/21

You may feel blocked on all sides today, Scorpio, with no escape hatch. There's a strong set of forces acting in such a way as to make you feel responsible for some mess that has occurred in your life. Remember that when it comes to partnerships, it takes two to make or break a situation. Don't blame everything on yourself.

Sagittarius

11/22-12/21

Your emotions could be quite strong today, Sagittarius. You may find it difficult to act without having intense feelings come into the picture. Be careful about speaking without first thinking how your words will affect other people. It's important for you to be receptive in order to tune into the activity around you. Be open to others' opinions.

Capricorn 12/22-01/19

Other people may find it difficult to deal with today's intensity, Capricorn, but you will be quite adept at fitting into whatever situation comes your way. The waters may get quite rough, especially when it comes to love and romance, but know that the boat you're on is seaworthy. There's also room for others, so let more people on board.

Aquarius 1/20-2/18

Issues of the heart may be a bit difficult to deal with now, Aquarius. Try not to completely shut off the channels of communication while you work on dealing with these issues. It's vital that you open the channels wider and bring more of your feelings to the surface. Compassionate people will listen to you and help sort out your emotions if you let them.

Pisces 2/19-3/20

You may get frustrated today when people don't seem to act rationally. To you, Pisces, the issues may be perfectly cut and dried. Keep in mind that not everyone sees the world the way you do. There's an element of strong emotion that's likely to play into the picture, an element that you probably failed to take into account. Make note of this as you go through your day.
