Trina Green, 36, Corbin Hill Road Oliver Springs, was charged with Resisting Arrest, Shoplifting, Simple Possession, Poss. of Drug Para., Tampering/Fabricating with Evidence X2, Contraband in Penal Institution x2, and Mfg/Del/Sale or Poss. of Meth.

Deputy Parks LCSO, responded to 19670 Highway 11 East (Ace Hardware), in reference to a shoplifting. Dispatch advised the store manager noticed a female that had been in the store for over an hour and was acting strange. Prior to arrival, deputies made contact with the female, Ms. Trina Green. Ms. Green was in possession of a blue Yeti cup and the price tag had been removed. The manager of Ace advised they were missing a Yeti cup matching the de-

scription of the one Ms. Green possessed. While attempting to detain Ms. Green she began actively resisting and had to be controlled by deputies. Ms. Green was detained and while patting Ms. Green down for weapons, Deputy noticed the outline of what appeared to be a hypodermic needle in Ms. Green's pocket. Deputy asked Ms. Green what the outline was and if the object would poke me. Ms. Green advised she did not know what the object was and that it would not poke him, she then advised the Deputy to look in the pocket. The item was determined to be a hypodermic needle. Ms. Green was placed in Deputies patrol vehicle, which the deputy searched before she entered. The needle was photographed and disposed of in a sharps container. Deputy then transported Ms. Green to the

jail without incident. When removing Ms. Green from his backseat, a crystal-like substance which looked to be methamphetamine was located where she had been sitting. After removal of his backseat, a baggie and individual shards of meth were found (approximately 30 grams), as well as a baggie of marijuana (approx-

mately 3 grams), all of which had been pushed through the seatbelt slit in his seat. The drug evidence was bagged and later identified by True Narc as methamphetamine. Both the marijuana and the methamphetamine have been placed into evidence. All of the above occurred in Loudon County, TN.

in the environment around you. You may have the impression that people are lying to you or that they're hiding something from you.

**Cancer 6/21-7/22**

Hold on to your wallet, Cancer, because you may have some strange (though noble) impulses to give away your money or spend a large amount on something useless. You should think about spending your money in a better way or not at all.

**Leo 7/23-8/22**

Today isn't a good day to sign contracts or make any substantial purchases, Leo. Go to the grocery store, by all means, but buy hamburger, not tenderloin. Keep your money at home and safeguard your reserves.

**Virgo 8/23-9/22**

Are you certain you can't modify your current situation, Virgo? Are you a prisoner of a lifestyle that isn't of your own making or is a throwback to the past? People have been asking you to take

on too many responsibilities and this is weighing you down.

**Libra 9/23-10/22**

It's a good day to speak your mind, Libra. Not that you generally have much trouble with this. But even you can face situations where you feel intimidated and hesitant to speak up. Not today. There aren't going to be any circumstances you can't handle, because the astral energy will boost your abilities.

**Scorpio 10/23-11/21**

Expect a boost to your communication skills today, Scorpio. If you often experience difficulty expressing your true feelings, this will be a welcome change for you. Consider talking things over with anyone you have unresolved issues with.

**Sagittarius 11/22-12/21**

You are radiant and glowing with happiness today, Sagittarius! This is a refreshing change after the gloom of the past few weeks. Apparently, the decisions you made worked out for the best.

**Capricorn 12/22-01/19**

Your goal for today is to enchant your mate. There's no reason not to try. Indeed, it's an excellent day for love. But don't exaggerate your seductive wiles, Capricorn.

**Aquarius 1/20-2/18**

You're in splendid shape today, Aquarius! Did a fairy godmother brandish a magic wand to dispel all the little difficulties of the past few weeks? Enjoy this moment of relief from worries.

**Pisces 2/19-3/20**

It's certainly clear that you have faith in your actions, Pisces! You feel no fear or doubt as you progress toward your goals at a fast clip, cruising along on calm

seas under clear skies. This new atmosphere is likely the product of your renewed commitment.

**Aries 3/21-4/19**

This is a moment to start being creative and stop worrying that you don't have talent, Aries. Who's to say what "talent" is? In the romance department, the love of your life might be right under your nose.

**Taurus 4/20-5/20**

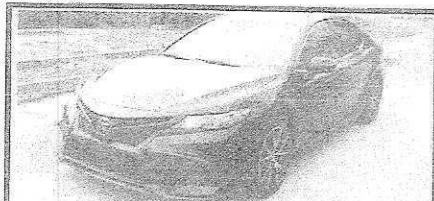

You may be a bit unclear about your professional direction today, Taurus. Your motivation has disappeared without warning. What happened? It may be that you need to become involved in projects that have more universal resonance.
