The Daily Edition inquired about alleged misconduct allegations involving a TWRA officer in Morgan County

District Attorney General Russell Johnson acknowledged that he verbally predicated an investigation to the Tennessee Bureau of Investigation into a situation involving alleged official misconduct by a TWRA officer located in Morgan County. The initial investigation was conducted by TWRA.

TWRA notified the State Comptroller's Office and the District Attorney General of these allegations and the preliminary results of their investigation. General Johnson requested TBI to take over further aspects of the investigation with assistance of agents from the DAG's

office. At this time the Comptroller has deferred the investigation to our office and TBI.

General Johnson noted that no charges have been brought at this point. The investigation is ongoing. He further noted that the Morgan County Grand Jury next meets in September.

The Daily Edition has also obtained a copy of the search warrant used in the investigation. Special Agent Luke Webb of the TBI was requested by General Johnson to conduct and investigation on some suspected activity involving a TWRA Officer.

As a result of the investigation by TBI the TWRA Agent was observed fueling up his vehicle and also several gas cans. A GPS was placed on the vehicle the agent was driving and according to receipts and mileage he would

only be getting 2-3 miles per gallon in his state issued vehicle prompting the investigation.

The agents home was search as well and agents found several gas cans both full and empty as well as receipts and log books where he had used his state issued credit card to buy fuel with.

**NARCAN**

Tony Goddard, 51, Carter Chapel Road Lenoir City, was charged with Mfg/Del/Sale or Poss. of Meth x2, and Simple Possession

Inv. Clay Jenkins LCSO, responded to Carters Chapel Rd in reference to an unconscious male. Upon my arrival, Deputy made contact with victim Tony Goddard in his driveway with his motorcycle on top of him.

Deputy observed Mr. Goddard to be unconscious, purple in the face, and had snoring respirations which are all consistent with a drug overdose.

The report further noted, Inv. Jenkins and Cpl. Christina Wallen then administered 3 doses of NARCAN to Mr. Goddard.

Deputy then searched Mr. Goddard's person and found a small purse in his right

pocket that contained a pill bottle and a used syringe. Inside of the pill bottle was 1 baggy that contained 1.2 gram of a crystal like substance (Methamphetamine), 2 1/2 blue Alprazolam pills with no prescription, 1 baggy with 0.3 gram of an orange unknown powder, and 1 baggy of 0.4 gram of a white unknown powder. After a few minutes, Mr. Goddard became conscious and alert and was then transported to Fort Loudoun Medical Center by Medic #26. Narcotics were seized and then tested which all came back inconclusive besides the Methamphetamine (Scan #2158) and will be sent off for testing. The blue pills were found to be Alprazolam (Imprint B707) which is a schedule IV Narcotic. All of this did occur in Loudon County, TN.

**Charged**

Philip Eades, 44, Snyder School Road Knoxville, was charged with Possession of Drug Para., and Financial Responsibility.

Officer Eldridge LCPD, was patrolling Hwy 321 when he observed a Box truck (33106CP) traveling Southbound with a headlight out. Officer got behind the vehicle and observed it swaying from side to side in its lane of travel and initiated a traffic stop on Highland Park Dr. next to the Aldi's. Contact was made with

the driver (Philip Eades) and passenger. Eades, seemed very nervous and had a rapid speech when speaking with the officer before presenting his drivers license so a records check could be performed. As the officer was about to hand Eades his drivers license back, Officers noticed a large blade sitting in his lap and was asked to step out of the vehicle for officer safety. Officers also noticed multiple bottle caps belonging to an alcoholic beverage and asked Eades to conduct

a SFST in which he performed poorly. Consent was given to officers to search the vehicle and found a glass pipe, located between the drivers and passenger seat in which Eades took ownership of. Eades was placed in custody at that time and charged with drug paraphernalia and failing to show a proof of insurance on his vehicle but was not charged with a DUI at the officers discretion. The passenger was transported to the Inn of Lenoir and the vehicle was impounded by Malones. Eades was transported to the Loudon Co Jail and this did occur in Lenoir City, Loudon Co, TN.

**Horoscopes**

**Cancer 6/21-7/22**

The signs say that you can expect a very profitable few weeks ahead, Cancer. You've worked hard lately, and it's only natural that you have finally arrived at this stage. You're going to be able to measure the distance you've come and evaluate your power.

**Leo 7/23-8/22**

The cosmos will ask you to make more of an effort, Leo. To do so means you will have to come back down to Earth and join the rest of us mere mortals. You may be cultivating your independence a bit too much. You seem to be pulling away from people.

**Virgo 8/23-9/22**

A quest is in store for you, Virgo. You're likely to engage in a search for physical or intellectual space. You may be asking yourself philosophical questions. Or perhaps you're thinking of taking a long trip.

**Libra 9/23-10/22**

In navigating your emotional

life, Libra, you may feel you've made a great effort in the past month. You've been available and conciliatory, and done your best to maintain harmony. Your efforts have paid off. Now you feel a yen for more spontaneity.

**Scorpio 10/23-11/21**

Scorpio, the cosmic signs indicate that your emotional universe will once again glow with positive energy. You will meet more people, and your encounters are likely to be profoundly gratifying, emotionally and intellectually.

**Sagittarius**

**11/22-12/21**

For you, Sagittarius, the next few weeks portend a period of timidity. You will probably go out less, introduce yourself to fewer new people, and be less prone to showing off. But any relationships you do form will be much more intense than usual.

**Capricorn 12/22-01/19**

You may have spent the past few weeks exploring other horizons, Capricorn, meeting new people, going out more frequently, or

taking short trips. But there's a significant change of rhythm in the air. You will settle down and bask in the comfort of your home. You will find that you have just the incentive you need to stabilize yourself for a while.

**Aquarius 1/20-2/18**

You're likely to enjoy a change in the rhythm and quality of life, beginning right now, Aquarius. Do you feel a need to take your friendships beyond superficiality? Perhaps you should reestablish contact with some past friends.

**Pisces 2/19-3/20**

Today you can expect to be more enterprising in your human relationships, Pisces. You may find new friends or enjoy quality time

with old ones. It's likely that your love life will intensify.

**Aries 3/21-4/19**

The past month has allowed you to affirm yourself, Aries, and cement some aspects of your personality. You're now entering a period of consolidation. It's like you conceived a product, created it, and are now finally ready to put it on the market.

**Taurus 4/20-5/20**

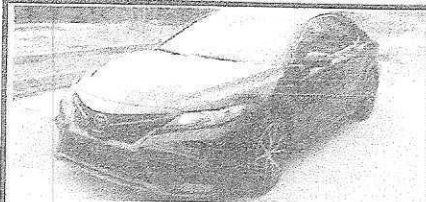

Today heralds the beginning of a very agreeable period. You will be especially happy, Taurus! You will project confidence, clarity, and charisma wherever you go. You used up a lot of your reserves during the last few months.
