Federal Jury Convicts Man of Conspiring to Murder FBI Employees

Office of Public Affairs

Edward Kelley, 35, of Maryville, Tennessee, was convicted following a three-day trial in the Eastern District of Tennessee of conspiracy to murder federal employees, solicitation to commit a crime of violence, and influencing a federal official by threat.

The evidence presented at trial estab-

lished that Kelley — while awaiting trial for his involvement in the Jan. 6, 2021, Capitol breach — developed a plan to murder law enforcement, including FBI agents and employees. The proof showed that Kelley developed a “kill list” of FBI agents and others who participated in the investigation into his conduct on Jan. 6 and that Kelley distributed this list — along with

videos containing images of certain FBI employees identified on the list — to a co-conspirator as part of his “mission.”

A cooperating defendant, who previously pleaded guilty to his role in the conspiracy, testified that he and Kelley planned attacks on the Knoxville FBI Field Office using car bombs and incen-

Charged

James McMahan, 29, Pine Grove Providence Road Loudon, was charged with Domestic Assault, and Resisting Arrest.

Deputy Broderick, Deputy Miller, Deputy Watson, and Deputy Mccally LCSO, received a 911 call for a domestic in progress at Pine Grove Providence Road. The caller advised 911 that her husband was drinking, and throwing things around and had just put his hands on her. Upon arrival, officers located the victim/complainant, outside of her vehicle. The victim told officers the following had happened. That tonight they were having a get-together for their anniversary and that everyone had already left. The victim stated that her husband, James McMahan (suspect), had fallen asleep while she was attempting to clean things up. She stated that she had tapped McMahan on his arm to wake him up so that he could help when he became angry. She stated that he started yelling and flipping tables and then took her car keys, jumped in her car, and started doing circles in the street. She stated that he then got out of the vehicle and threw her keys. They continued having a verbal argument when McMahan got upset and charged toward her, pushing her. She

advised she stumbled backward into the table. She stated that he attempted to come at her again when she grabbed his mother, and stood behind her. She stated that stopped him from attacking her further, at which time she called the police.

Deputies located the suspect sitting in his vehicle, refusing to exit his vehicle. Deputies gave several commands for the suspect to exit his vehicle but he refused. Deputies then attempted to remove the suspect from his vehicle but he resisted being taken out of the vehicle. Deputies were able to remove him from the vehicle and took him to the ground at which time he refused to give deputies his hands. Eventually, McMahan was placed under arrest for resisting. Deputies attempted to get an account from McMahan of what occurred but he denied anything physical.

Deputies then made contact with the witness, who initially told officers she had observed the suspect push the victim into a table. She then changed her story and stated she did not observe the suspect put hands on the victim, only that she observed the victim fall backward onto the table.

Based on the statements from all parties McMahan was arrested for domestic assault and resisting arrest.

Joshua Beck, 42, Washington Pike Philadelphia, was charged with, Mfg/Del/Sale or Poss. of Meth, Theft, and General Session Capias.

Officer T. LaForce LCPD, while working at the Lenoir City Middle School was radioed by the staff to make contact with the cafeteria manager who advised that one of the males working on the school property was in the cafeteria storage room, stealing packs of donuts and stuffing them into his hoodie pockets. The officer did make contact with the male subject, Joshua Leo Beck. Mr. Beck was walking down the hallway, and the officer asked him to step into the teachers' workroom. The officer asked Mr. Beck if he had taken donuts from the storage room and he did advise he did, 1 pack had already been opened, and 2 packs were in his backpack. The complainant stated he had taken 4

individual packs of donuts; the donuts are priced at \$1.00 a pack. During the theft investigation, the officer was searching for Mr. Beck's belongings when he attempted to conceal a metal pill container, the officer asked Mr. Beck what that was, and he advised an empty container, the officer asked him if he could open it and he did, which a white powdery substance fell on the ground. Mr. Beck informed the officer that it was meth, and he had forgotten about it.

The officer placed Beck in custody at that time. Officer R. Miller assisted with the investigation and gathered the meth off the ground with a piece of duct tape to collect all the products. The approximate weight of the white crystal-like product is less than half a gram. Mr. Beck was transported to the Loudon County Jail.

This did occur in Lenoir City, Loudon County TN.

diary devices appended to drones. He also testified that the conspirators strategized about assassinating FBI employees in their homes and in public places such as movie theaters.

At trial, the United States introduced recordings of the defendant calling for the development of a "course of action" related to his plan. In one such recording, the defendant gave the instructions to, among other things, "start it," "attack," and "take

out their office" in the event of his arrest. Kelley was recorded stating: "Every hit has to hurt. Every hit has to hurt."

Kelley is scheduled to be sentenced on May 7, 2025, and faces a maximum penalty of life in prison.

Assistant U.S. Attorneys Casey T. Arrowood and Kyle J. Wilson for the Eastern District of Tennessee prosecuted the case, with assistance from Trial Attorneys Jacob Warren, Tanya Senanayake, and David Smith of the National Security Division's Counter-

terrorism Section. Valuable assistance was provided by the U.S. Attorney's Office for the District of Columbia.

The Knoxville Joint Terrorism Task Force, which is composed of federal, state,

and local law enforcement agencies investigated the case. The investigation was led by the FBI and involved the assistance of FBI offices from across the country.

enough to assume your family duties? Are you attractive? Are you important? Of course, all these questions simply distract you from your anxiety.

Capricorn 12/22-01/19
Perhaps you notice some weariness today, Capricorn. You have been much more active than usual for the past few weeks. You've been communicating with new people, having new experiences, attending virtual meetings, and perhaps even taking short trips.

Aquarius 1/20-2/18
Are you tired, Aquarius? It's no wonder. You're so eager to be useful that you've run yourself ragged over the past few weeks. As you may have noticed, the world is so apathetic now that every movement requires enormous effort on your part. Why not settle down and rest today?

Pisces 2/19-3/20
The planets are moving you into a new cycle, Pisces. Soon you will be in a new "story." You will have to take stock of what you've learned in previ-

ous weeks. Who you are is related to the degree of peace you have in your life and whether or not you've been able to resolve some conflicts.

Aries 3/21-4/19
Have you done the cleaning that the planetary configurations asked you to do in recent weeks, Aries? If this is the case, today you should start to feel less weighed down by the conventions in your life. You've undoubtedly solved some of the problems in your relationships.

Taurus 4/20-5/20
The social agitation that has been in your life for the last three weeks is coming to an end, Taurus. The celestial energy will help you learn some lessons and prepare for the next cycle. It would be great if you had some success and honors because this would help you confront the coming weeks.

Gemini 5/21-6/20
people you've met? You can usually make the most out of these encounters, but did your political savvy let you down? Did it lead you in directions you

didn't want to go?
Cancer 6/21-7/22
This is the end of the voyage you've been on over the past few weeks, Cancer. You undoubtedly saw some interesting sights. Whether you were on an inner or outer voyage, the cosmic energy will bring you to a safe harbor. Unpack your bags carefully, as they're filled with treasures and souvenirs. You will want to put them around the house as happy reminders of how much you've grown.

Leo 7/23-8/22
After the events of the last few weeks, do you still want to continue acting like the same person? This is always a good question to ask with a celestial atmosphere like today's. People generally feel that they have a chance to get out of old systems and relationships. But people always hesitate to do this because of a fear of the future. Don't waver. Take the next steps!

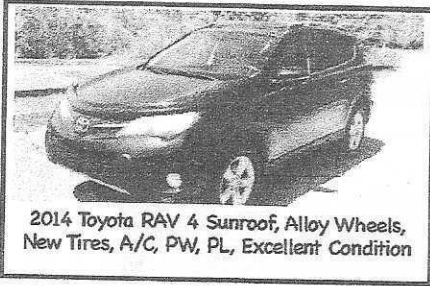

Virgo 8/23-9/22
The day ahead should give you an opportunity to analyze the events of the past three weeks, Virgo. You will draw

many important conclusions about your love life. You may conclude that matters have evolved little, if at all. This is discouraging, to be sure, but don't place too much trust in appearances.

Libra 9/23-10/22
If you feel as though you aren't making sufficient progress toward your goals, use this day to correct your aim. Are you disappointed with your love life? You may have devoted a great deal of energy to it lately without seeing much payoff. Wait a few more days before you make any drastic decisions about the future, Libra.

Scorpio 10/23-11/21
Are you feeling somewhat annoyed today? This is hardly surprising since the day inspires you to take a long, hard look at what's happening with your life. It's as though you suddenly realize that decisions you make may have impacts that reach far and wide. But don't let that stop you from committing yourself to a course of action, Scorpio. Be adventurous!

Obituaries

Eugene Terry Benson of the Tellico Village Community, Loudon, TN passed away November 2, 2024. Terry was born March 27, 1926 in Breckenridge, Missouri to parents Ruth and Paul Benson. He attended Breckenridge public schools, graduating as Valedictorian of his class. He then served two years in the US Army Air Corps from 1944 to 1946, travelling to Japan as part of occupation troops.

After discharge, he attended college at the University of Missouri. Due to extra credit hours earned as a result of A and B grades, he graduated a semester early in February of 1950 with a Bachelor of Science degree in Business Administration. He obtained a job in Kansas City with General Motors Assembly Division. His sister in Sedalia, introduced him to a fellow worker, Josephine Wadleigh. What a blessing! Terry and Jo were married Dec. 10, 1950, lived in Kansas City, MO a short time, then Mission, Kansas. In 1955 he was transferred to GM's assembly plant in Arlington, Texas as Payroll Supervisor. In 1964 he was transferred to GMAD's headquarters in Detroit, where he served as Divisional Auditor; then put

in charge of Payroll, servicing the Payroll Departments of all GMAD plants.

Terry obtained an early retirement in 1987, and in 1989 he and Jo were fortunate to find Tellico Village. Also, what a blessing to develop a friendship with some special couples with whom he and Jo played golf until he was physically unable to do so, but who continued to be dear friends. Terry was a charter member of Tellico Village Community Church where he served as Chairman of the Missions Committee and chaired raising funds for building a new sanctuary. He was also a founding member of the Tellico Village General Motors Club.

Terry and Jo were blessed to have two children, Deborah Jane and Paul David, as well as grandchildren, Meghan, Melissa (Steve) Wygonski, Jennifer (Brandon) Davis and Michael; great grandchildren Kora and Orion. He also has a brother, Lanny, who lives in Florida. Terry's sister, Maxine predeceased him.

Service will be held on Friday, December 13, 2024 at 11:00 a.m. at The Community Church at Tellico Village. The family will receive friends immediately following the service.
