“Tennessee’s strategic education investments have resulted in steady growth for students across the state,” said Gov. Bill Lee. “As we continue our work to ensure that all Tennessee students are learning on grade level, we remain committed to supporting teachers and empowering families with multiple pathways to achievement so every student can thrive in their academic journey.”

Science: Overall, proficiency rates held steady for science, with an increase of one percentage point in overall student proficiency.

Social Studies: Results show a one percentage point gain for all students tested in social studies, showing continued improvements over the last three years.

“Our annual TCAP assessment provides valuable data to inform strategic decision-making to best support Tennessee students,” said Lizzette Reynolds, Commissioner of Education. “Through the dedication of our teachers, schools, and districts, we are pleased that student performance continues to build on a strong foundation, improving outcomes for future success.”

mysterious phone calls today, Gemini, like wrong numbers or hang-ups. Other people might seem less communicative than usual, Gemini, and you're likely to be preoccupied with your own thoughts. You might feel a bit more nervous than usual, but that should go away if you take a brisk walk or get some other exercise.

Cancer 6/21-7/22

Confusion over money matters might come up for you today, Cancer. You may need to check your records in order to shed light on some past transactions. Don't panic. All should be well. You just need to ascertain the facts.

Leo 7/23-8/22

Someone close to you might seem more preoccupied than usual, Leo, and perhaps a bit difficult to deal with. Don't take this personally. It has little if anything to do with you. He or she doesn't want

to share their troubles.

Virgo 8/23-9/22

Today you might be feeling a bit tense, Virgo, and you probably won't understand why. The secret? It's the planets. You might tend to jump at unexpected noises or take offense where none is intended. Relations with others could be a little strained, necessitating some communication about how you're feeling.

Libra 9/23-10/22

You probably aren't going to feel much like socializing today, Libra, though friends might contact you. Your patience has worn a bit thin and you could get annoyed at incidents that normally wouldn't bother you.

Scorpio 10/23-11/21

Uptight is the word for today, Scorpio. At some point you might find yourself the center of attention. While you normally might not mind, now it could make you a bit nervous.

Sagittarius 11/22-12/21

You're likely to want to be left

alone with your own thoughts today. Relaxing with a good book might be at the top of your agenda, Sagittarius, and you aren't liable to want to be interrupted. Noise and requests that don't usually bother you might tick you off, so it's best to try to spend some time alone.

Capricorn 12/22-01/19

Worries over money could have you edgier than usual, Capricorn. While you may be doing well, you still could be insecure and think your funds might not stretch far enough. Try to consider the situation objectively.

Aquarius 1/20-2/18

You probably crave solitude, Aquarius. Even though you may have committed to doing something for a friend or relative, now you find the idea irritating. You could have some tasks of your own that you'd rather work on, or you might simply want to go for a workout and burn off some tension.

Pisces 2/19-3/20

Although you're normally a sociable person who feels

most comfortable in the company of others, Pisces, today you might rather be alone. You could feel a little under the weather or be stressed from job-related worries.

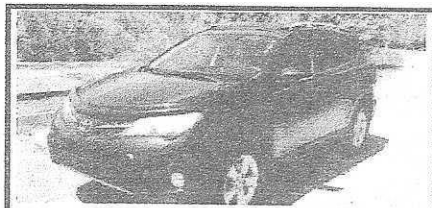

Aries 3/21-4/19

You tend to enjoy solitude, Aries, and today you might feel more reclusive than usual. You could be invited to spend time with friends but not feel like accepting. You might even feel a little irritated by them. This is a great day to go for a workout or throw yourself into projects of your own.

Taurus 4/20-5/20

Today there might be tension in the air with no discernible cause, Taurus. Family members could seem preoccupied with problems they can't quite define. Your natural inclination might be to try to cheer them up, but it probably won't work. Don't be too annoyed if they don't respond to your efforts. It isn't them. It's the planets. This is a great day to jog, do aerobics, or otherwise work off tension.

John Edward Dunn
3.19.39 - 5.18.24

Some men love to tell tales. Others live a life to be told. John started in Queens, New York and his life quickly unfolded into a life well lived, and well loved by everyone.

John Dunn attended St. Francis Prep when it was an all-boys school, and soon after joined the Marines. After serving, he returned to NYC and became a crane operator as part of the International Union of Operating Engineers, Local 14. He literally married "the girl next door" - Maureen, and he was devoted to her for over 66 years. They had three children together - John, Dan, and Christine. The family grew with the addition of his daughter in law Barbara, and the four apples of his eye - his grandchildren: John Edward II, Ryan, Daniel and Sean.

He is predeceased by his sister Eileen, and cousin Peter and nephew Jimmy. In addition to his immediate family, he also leaves behind his brother James, and several nieces and nephews - James, Phillip, Christopher, Nor-

een, Robert, Matthew, Kathleen, and Eileen and cousin, Barbara.

He was a devout reader, and loved to tell his own tales, so much so, he later became an author. His book Willis Avenue shows his quick wit and astute observations of people. To his grandsons, he was the best connection to candy! His generous heart was never hard to miss as he would wrestle you to pick up a check, and never failed to leave a generous tip. A military burial and celebration of life will take place on July 24th at 10 am at the East Tennessee Veterans Cemetery at 2200 E Governor John Sevier Hwy in Knoxville. Repast to be held following at First Baptist Church, Lenoir City, TN at 12 noon.

Roy Eugene Walsh, Sr. age 76 of Lenoir City passed away November 26, 2023. Gene was born November 29, 1946 to William and Louise Bowman Walsh in Loudon, TN. He proudly served our country in the U. S. Navy during the Vietnam War, stationed in Pearl Harbor, HI, on board the Fletcher Class Destroyer, USS O'Bannon DD-450. Gene retired from Yale Security with 35 years of service. Preceded into Heaven by his parents; brother, Thomas Paul Walsh I and his wife, Wanda Talent Walsh; sister-in-law, Patricia A. Martin along with many aunts, uncles, cousins and friends. Left to cherish his memory and carry on his legacy are his wife, Kathey L. Martin Walsh; sons, Roy "Gene" Walsh Jr., and George "Bo" Walsh and wife, Autumn Carr Walsh; grandson, Micah Daniel Carr; brother, William "Bo" Walsh and wife, Linda Chrisman Walsh; nephews, Thomas Paul Walsh II and Steven G. Solis; sister-in-law, Gladys Walsh; lifelong friends: David and Connie Hair, Steve Melton, Ed Lee and Ronnie Green along with many other loved ones and friends. The family would like to thank everyone who has helped in these last days for their prayers and support. Family and friends will gather at 2 p.m. on Saturday, July 13th at Lakeview Cemetery for graveside services. Military honors will be conducted by the Loudon Co. Veterans Honor Guard.
