Event

on July 31st, at 6:30pm.

The event last year had an approximate attendance of 3000. We would love to have your support on the day of the event as well as any pre-event interviews.

The Prevention Alliance is a subsidiary of ALIGN-9 which is a board driven effort for rehabilitation and prevention under District Attorney Russell Johnson's Office in the 9th Judicial District of Tennessee.

The Cardboard Boat Race is a FUNdRAISER with a focus on building a stronger community. This annual event draws local community stakeholders from all parts of the area with one goal in mind, to assist The Prevention Alliance of Loudon County. The Cardboard Boat Race pits participants, who build boats made of cardboard, against one another in a simple "out & back" racecourse.

There are several race heats to participate in for both children and adults, and a premier race that faces off our hometown heroes: Police Departments vs Fire Departments. The winners from each category will race in the final race of the day, for the crown jewel, the BuCI (buckeye) cup. The trophies for each category are crafted by local artist, George McCown and are real treasures.

On top of the Cardboard Boat Race, spectators will enjoy watching the competition between the Police vs Fireman Obstacle

Course, which has become a crowd favorite and adds to the excitement of the day. In collaboration with Lenoir City Parks and Rec, there will also be a touch-a-truck event.

This is an opportunity for children and the community to see large equipment and trucks up close and personal. There will also be food trucks and bands performing throughout the day from the main stage. Ultimately, this day of fun and friendly competition is to support The Prevention Alliance of Loudon County, a program of the non-profit, Align9. Their mission is to provide information and education to the youth in Loudon County about the dangers of drug use. The focus areas include underage binge drinking, tobacco,

non-medical use of Rx medications, stimulants, and marijuana.

Thank you in advance for your support! We are stronger together

From the Editor: The event this year will be bigger than ever and we will have it on Facebook Live as well! We encourage everyone's attendance!

Horoscopes

your whole being. Once you relax and settle into your true emotions, you'll find that your mind clears and you can make conscious, rational decisions about whatever issues come your way.

Virgo 8/23-9/22

Someone may be calling you on certain behaviors today, Virgo. It could be that your aggressive nature rubs someone the wrong way and they simply don't have thick enough skin to take it. You may not even be aware of how your warlike attitude affects those around you.

Libra 9/23-10/22

Your mind is thinking quite clearly today, Libra. You'll discover that you have a keen ability to tune into the subtle energies that are moving through your life right now. The good news is that your ego and brain are working together, and you may be able to strike a better balance between these two elements

of your psyche much more easily than usual.

Scorpio 10/23-11/21

Your receptivity to new ideas is stronger than usual today, Scorpio. Listen to what people say and remember that you can learn from every person you meet. There's a lesson in every situation. Remember to keep your brain exercised, just like any other part of your body.

Sagittarius 11/22-12/21

Your mental clarity is astounding today, Sagittarius. You'll find that your pattern of thinking reflects exactly who you are at the core of your being. The moment you walk out the door this morning, you'll find that your brain wants to process everything.

Capricorn 12/22-01/19

Tune into the thoughts of others, Capricorn. Focusing only on yourself means you're missing the beauty and wisdom that come from other people. Respect their opinions the way you want them to respect yours.

Aquarius 1/20-2/18

You'll find that your brain is extra sharp today and you have a greater sense of clarity regarding your purpose in life. It could be that your nurturing instinct is high and your general self-esteem depends on how useful you can be to the people around you. It may seem as if you're everyone's parent or watchful older sibling.

Pisces 2/19-3/20

Many people conduct their lives without really making conscious decisions about their actions. People walk around like they're asleep. Don't fall into this trap, Pisces. This is a good day to dust off your thinking cap and take action. Don't let others make decisions for you. Take control of your destiny.

Aries 3/21-4/19

Your thinking is clear today and you'll find that it's right in sync with who you are, Aries. Find your strength in conversations in which you display your keen insight into the situation at hand.

Taurus 4/20-5/20

It's OK to be wrong, Taurus. If you know you've made a mistake, feel free to admit it. Don't let your ego stand in the way of progress. Others won't want to deal with you if you insist that what you're doing is right all the time when perhaps it isn't.

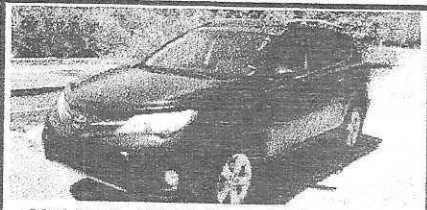

Gemini 5/21-6/20

Be careful about being too critical today, Gemini. You're likely to turn people away if you aren't careful with how you express yourself. This is a good time to listen and receive as opposed to deliver information. Let things stew in your head for a while before you make any major decisions.

Cancer 6/21-7/22

Your mental ability could be rather sluggish and lazy today. It could be that you aren't feeling as sharp as you'd like, Cancer. This is most likely a sign that you simply need to slow down and relax. Don't feel as if you always need to deliver the keynote address.
