vated Assault, Domestic Assault, and DUI.

DUI

Kristen Marquardt, 50, Red Wolf Way Lenoir City, was charged with DUI.

Deputy Harrison LCSO, was dispatched to the area of Highway 70 and N Wilkerson Lane in reference to a reckless driver. The complainant advised a silver Hyundai was driving at multiple inconsistent speeds and almost being hit by other vehicles. Once Deputy Harrison was able to get in the area, the complainant advised the vehicle turned into the

driveway of Red Wolf Way and it appeared to be turning back around to leave the residence. Once on scene, Deputy Harrison observed the driver, Kristen Marquardt, passed out in the driver's seat with the vehicle still in drive as it was slowly rolling backward out of the driveway. After pulling on the door handle and knocking on the window, the deputy was able to wake Marquardt up and advise her to put the vehicle in park. At this point, the deputy had her exit the vehicle and began

speaking with her. Marquardt exhibited slow and sluggish movements and was very unsteady on her feet. While speaking with her she denied taking any prescription medication, drugs, and/or alcohol. Marquardt did consent to SFSTs and performed poorly on all tests. Once the deputy placed Marquardt in custody she stated she took two 10mg muscle relaxer pills at 6 am and 2 pm, and also stated she takes multiple other medications for various medical rea-

sons. A consent search of the vehicle was conducted, and the deputy located 3 pill bottles containing multiple different medications that were not in the proper container. Marquardt was read implied consent and agreed to a blood draw.

Deputy Harrison transported her to Ft. Loudon Medical Center where the blood draw took place and then to the Loudon County Jail. This did occur in Loudon County Tennessee.

Horoscopes

Leo. You'll find that things fall into place more easily if you speak your thoughts outwardly and directly in the presence of others. Bring your internal power under your control instead of becoming a victim of the control games played by others. **Virgo 8/23-9/22**

You should bask in a glorious splendor today, **Virgo**. There's a great deal of power at your disposal. You'll find your ego is healthy, charged, and ready for the battlefield. Work lovingly with the energies that surround you. **Libra 9/23-10/22**

Add more sunshine to your day, **Libra**. It may be time to stir up your inner passion and let it speak with greater confidence than you have been lately. Make sure you heal yourself by letting the people around you hear your truth loud and clear. **Scorpio 10/23-11/21**

You'll find that your spark

can easily turn potential energy into kinetic energy, **Scorpio**. Don't underestimate the power of your words. Realize the profound impact they have on others and take responsibility for their consequences. Try to use them sparingly if you can. **Sagittarius 11/22-12/21**

Don't dwell on your fluctuating moods today, **Sagittarius**. Look at the larger trends and how positive elements are coming together in your favor. Stay optimistic and remember that you were put here for a reason. Respect and honor your values by staying in tune with yourself and the world around you. **Capricorn 12/22-01/19**

This is your day to shine in all your glory, **Capricorn**. There's no need to hold anything back. You'll find that you have a great deal of love to share. Your heart is likely to go to extremes today in order to prove its love, passion, and affection. **Aquarius 1/20-2/18**

Try not to lose sight of your

own projects or desires, **Aquarius**. There's a great deal of power and manipulative energy in the air today that could throw you off course if you aren't careful. Have confidence in yourself and don't back down if things get too confrontational. **Pisces 2/19-3/20**

Recharge today by getting outside and stretching your arms to the sky, **Pisces**. Be proud and courageous. You have the power to turn an unhealthy situation into a positive one, but first you must get rid of all self-doubt. If you don't have confidence in yourself, it will be hard for others to have confidence in you. **Aries 3/21-4/19**

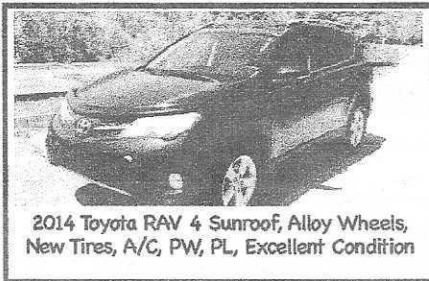

Difficult predicaments could arise today if you try to exert your will over others without having the most honorable intentions, **Aries**. It could be that you're using someone else's fear of you to control him or her. This doesn't make for a healthy relationship. Try not to snap at others. **Taurus 4/20-5/20**

The fire within you is raging today, **Taurus**, and you should be careful how you wield this power. Be proud and triumphant. Walk with your shoulders back and head high. **Gemini 5/21-6/20**

There may be a great deal of fuss over something that seems quite insignificant to you, **Gemini**. Try to see the beauty and importance of everything around you. At the same time, make sure you give yourself enough credit for being the person you are. Egos are apt to go through a bit of a transformation that will affect the way you react to the outside world. **Cancer 6/21-7/22**

Things are coming to a critical point for you today, **Cancer**, and you may find that other people openly object to your actions. It's OK to be a bit selfish if the situation is appropriate. Look at yourself in the mirror and be proud of the person you see.
